

FOR RELEASE OF MRS. MAYBRICK.

Attempt to be Made to Obtain
Royal Clemency.

NO NEWSPAPER CAMPAIGN.

It is Fored It Might Somewhat Tend
to Bury the Case of J. H.
Maybrick in General Manager.

New York, March 12.—A dispatch to
the Herald from London says:
Another attempt is soon to be made
to obtain royal clemency for Mrs. May-
brick.

The Baroness de Rouques, Mrs. May-
brick's mother, has been in London dur-
ing the last week in consultation with
her legal advisers, for the purpose of
framing a petition to the crown for her
daughter's pardon.
It has been intimated that the pros-
pect of bringing about such a denou-
ement has not diminished owing to the
accession of his majesty, Edward VII.
but quite the contrary.
However that may be, that is to say,

hold to the wife. A heavy timber struck
her in the back of the neck and she was
carried under and was not seen after-
ward. The man was saved. The whole
country below the ruined dams presents
a scene of devastation.

Carnegie Going to Europe.
New York, March 12.—Andrew Car-
negie, in an interview, denied the report
that he is going to accompany J. P.
Morgan to Europe.
"I made my arrangements to go
abroad some time ago," he said, "and
I shall start within a few days or as
soon as I complete several matters that
occupy my attention just now. I am
going to Europe purely for pleasure."
"We have made no arrangements to go
together, and I do not even know
when Mr. Morgan is going to sail."

WANT PHILIPPINE INFORMATION Senators and Representatives Con- template Visiting the Islands.

New York, March 12.—For the pur-
pose of getting a better knowledge of
the situation in the Philippines, a num-
ber of senators and congressmen are
contemplating a visit to the islands
during the coming summer, says a
special to the World from Washington.
Among the party will be Senator Bacon,
of Georgia; Representatives Taw-
ney, of Minnesota; Cooper, of Wisconsin;
Maddox, of Georgia; Gaines, of
Tennessee, and Henry and Burleson, of
Texas.

EDWARD'S CIVIL LIST. Michael Hicks-Beach Hints that it May be Increased.

London, March 12.—In the house of
commons today Sir M. Hicks-Beach,
chancellor of the exchequer, when
moving the appointment of a select
committee to consider the new civil
list, conveyed a hint that an increase
in the civil list might be expected. He
said that while proposals were based

Skin-Tortured Babies AND TIRED MOTHERS Find Comfort in Cuticura

INSTANT RELIEF and refreshing sleep for skin-tortured
Babies and rest for Tired Mothers in a warm bath with
CUTICURA Soap and a single anointing with CUTICURA,
the great skin cure and purest of emollients. This is
the purest, sweetest, most speedy, permanent, and
economical treatment for torturing, disfiguring, itching,
burning, bleeding, scaly, crusted, and pimply skin and
scalp humors, with loss of hair, of infants and children.

Millions of Mothers Use Cuticura Soap

Assisted by Cuticura Ointment for preserving, purifying, and beautifying
the skin, for cleaning the scalp of crusts, scales, and dandruff, and the
stopping of falling hair, for softening, whitening and soothing red, rough,
and sore hands, in the form of baths for annoying irritations, inflammations,
and chafes, or too free or offensive perspiration, in the form of
washes for ulcerative weaknesses, and for many sanative antiseptic pur-
poses which readily suggest themselves to women, and especially mothers,
and for all the purposes of the toilet, bath, and nursery. No amount
of persuasion can induce those who have once used it to use any other,
especially for preserving and purifying the skin, scalp, and hair of infants
and children. Cuticura Soap combines delicate emollient properties derived
from Cuticura, the great skin cure, with the purest of cleansing ingredi-
ents and the most refreshing of flower waters. No other medicated soap
ever compounded is to be compared with it for preserving, purifying, and
beautifying the skin, scalp, hair, and hands. No other foreign or domestic
toilet soap, however expensive, is to be compared with it for all the pur-
poses of the toilet, bath, and nursery. Thus it combines in One Soap at
One Price, viz., Twenty-five Cents, the best skin and complexion soap,
the best toilet and best baby soap in the world.

Complete External and Internal Treatment for Every Humor, \$1.25.
Consisting of CUTICURA SOAP (25c), to cleanse the skin of crusts and scales and
soften the thickened surface. CUTICURA OINTMENT (50c), to instantly relieve itch-
ing, inflammation, and irritation and soothe and heal. CUTICURA RESOLVENT
(50c), to cool and cleanse the blood. A SINGLE SET is often sufficient to cure the
most torturing, disfiguring and humbling skin, scalp and blood humors, with loss
of hair, when all else fails. Sold throughout the world.

Half a hundred boys and girls also
witnessed the tragedy and saw the
murderer escape, which he did by flour-
ishing his smoking pistol freely and
keeping the crowd at bay.
The crime occurred at the close of a
meeting of the Podanie Frayzies, or
Mother of Poland society, of which the
boys of St. Stanislaus have a branch.
The murderer has not yet been ar-
rested.

INSURGENTS SURRENDER. MacArthur Considers it Important and as Indicating Collapse.

Washington, March 12.—The follow-
ing cablegram has just been received
from Gen. MacArthur at Manila:
"Gen. Marion de Dios, four officers,
fifty-seven men uniformed and armed,
surrendered at Naic. This is regarded
as very important and indicating col-
lapse of the insurrection. The territory
heretofore obstinately defended. The
conditions throughout the entire archi-
pelago very encouraging. Captures,
surrenders of arms continue; 3,168 arms
surrendered and captured since Janu-
ary 1st."

German Arsenal in China.
Shanghai, March 12.—Native papers
assert that German representatives are
negotiating with high officials for the
establishment of an arsenal at Nankin.
Wu Chang and Cheng Fu in the provin-
ce of Shan Tung.

Counterfeiters Rounded Up.
Phoenix, Ariz., March 12.—A noto-
rious gang of counterfeiters and moon-
shiners has been rounded up in Clifton,
Ariz., near the new Mexican line, and
six men have been captured and im-
prisoned. The balance of the gang,
whose leader is unknown, has escaped
to the San Francisco mountains fac-
tories of Northern Arizona.

Took Too Much Morphine.
Cleveland, O., March 12.—Mrs. Susan
Rogers, wife of Maylow Rogers, who
travels for the National Literature and
Art bureau, of Washington, D. C.,
swallowed a portion of a bottle of mor-
phine yesterday and died soon after-
wards.
Whether the morphine was taken
with suicidal intent is not known. The
family came here some time ago from
Philadelphia. The poison was taken
in the room where her husband and six
months old baby were.

BOY ROBS HIS FATHER.
A Designing Aunt Induced Him to
Commit Crime.

Chicago, March 12.—Thirteen-year-old
Frederick Windbl, the son of a sal-
oonkeeper, has been charged with rob-
bing his father of over \$4,000.

The boy's aunt, Annie Sproul, is un-
der arrest and has confessed that she
and her husband induced the boy to
take the money from his father. They
told the boy, the police say, that Mr.
Windbl would defraud him of what-
ever interest he might have in the fam-
ily savings and that his only salvation
was to get possession of the money at
once. When the boy got hold of the
money they induced him to turn it in-
to them saying they would keep it un-
til he became of age. Before he could
be arrested Mrs. Sproul's husband fled
to Germany and a cablegram has been
sent to the German authorities to ap-
prehend Sproul when he arrives.

THE KING'S OATH. His Majesty Takes Pains to Show His Great Religious Tolerance.

New York, March 12.—Commenting
on the position taken by Mr. Balfour
in the house of commons on the form
of oath now taken by the king, on meet-
ing parliament for the first time, the
London correspondent of the Tribune
says that the king takes pains to show
that he tolerates every form
of ecclesiastical policy for he received
at St. James palace delegations of two
conventions of the established church
by Presbyterian, Wesleyans and non-
conformists of all shades of belief and
forms of government. Each will have
a special audience.

Food for Philippine Boys.

Chicago, March 12.—Fifty hundred
thousand cans of bacon, 100,000 cans of
corned beef and 50,000 cans of roast
beef have just been shipped from
here for the American soldiers in the
Philippines. The meats will go direct
to San Francisco, where they will be
loaded on transports and sent to
Manila.

Lover Sends an Infernal Machine

New York, March 12.—According to
a special to the World from Philadel-
phia, Frederick Miller, a young man, is
under arrest there on the charge of
sending an infernal machine to Miss
Florence Banker, a young woman who,
Miller thought, stood between him and
the object of his affections, Miss Elsie
West. The girls lived together. A
package addressed in Miller's hand-
writing was received by Miss Banker,
but for some reason being suspicious,
she turned it over to the police. It
was found to be a very good order
which was to be ignited by the turn-
ing of a crank. The instructions on
the inside were to turn a crank at-
tached and "the music box would play."

INVITE M'KINLEY. Knights Templar of Salt Lake Send a Letter to the President.

Recorder L. B. Smith, on behalf of
Utah Commandery No. 1, Knights Tem-
plar, has prepared and sent to Presi-
dent McKinley, who is also a Knight
Templar, an invitation to visit the local
organization on the occasion of his trip
through the coast. The invitation
which is handsomely engrossed, is as
follows:

To Sir Knight William McKinley,
President of the United States of
America, Executive Mansion, Washing-
ton, D. C.—Dear Sir and Brother:—At
the last regular convocation of Utah com-
mandery No. 1, Knights Templar, the
undersigned were designated and unani-
mously instructed to extend to you an
invitation to visit our asylum and
meet our Sir Knights there, if you visit
Salt Lake on your contemplated trip to
the Pacific coast.

In accordance with these instructions
we take great pleasure in herewith ex-
tending to you a courteous and knightly
invitation to meet with us. If it
shall be convenient and agreeable to
you to accept this invitation, kindly
inform us and advise us when you are
likely to arrive, giving us as much time
as possible to arrange for your recep-
tion. Fraternally yours,
WILLIAM HOBART CUNNINGHAM,
Eminent Commander.
L. B. SMITH, Recorder.

THE FIRE DEPARTMENT. Its Needs Discussed at a Committee Meeting Last Night.

A meeting of the committee on fire
department was held last night, at
which they considered the recommenda-
tions contained in Chief Devine's an-
nual report, filed a short time ago. The
sentiment of the committee seemed to
favor the establishment of underground
fire cisterns in various parts of the
business district of the city, which it is
intended to draw on instead of the
hydrants. The committee also con-
sidered that a metropolitan steam fire
engine was a necessary adjunct to the
main fire station, together with 2,000
feet of hose. It was also stated that
an electric light at the intersection of
Fourth and Adams streets was needed very
much, in order to enable the firemen
of station No. 4, to discern where they
were going in making a night run. It
is said the committee will send in
recommendations covering the forego-
ing matters to the Council.

THE MAYOR DISAPPROVES. Is Against Idea of Relief Society Getting Building Grounds.

Mayor Thompson late yesterday af-
ternoon filed with the city recorder his
veto of the action of the Council last
Tuesday night in deciding to sell to the
Eighth Ward Relief Society a strip of
land 47 feet wide and adjoining the
Eighth ward meeting house, opposite
the city and county building on the
north, for \$1,500. The reason the Mayor
gives for turning the measure down
is that the price to be paid is not the

market value of the property, and that
the city has no right to sell its real
estate except for value received.
Mr. Thompson will hand in a commu-
nication to the Council tonight, urging
that the lands on the Eagle Gate be
put in repair and hereafter kept light-
ed, as the expense is small.

STREET CAR FRANCHISES.

Rapid Transit Has Commenced Building
Its Out of Town Line.

Immediately after the adjournment of
the county commissioners on roads
and bridges met and listened to various
parties who favor and oppose the grant-
ing of a franchise to the Salt Lake City
and Rapid Transit streetcar lines.
J. M. Tanner and Attorney E. B.
Critchlow argued for the Salt Lake
road. They claimed that the Rapid
Transit people had lost their franchise
on Seventh East street, north of Thir-
teenth South, because of non-use. They
cited where the county board, on Jan-
uary, 1894, granted Love, Summerhays,
et al., a franchise for a car line on the
same street, which avoided the original
franchise granted to the Rapid Transit
company.

Mr. Cameron of this line appeared
and showed that they had been granted
a new franchise in June, 1894, which,
he claimed, revived their former privilege.
This morning the Rapid Transit peo-
ple commenced to break ground and lay
their line on the street named, north
from Thirteenth South street, and are
determined to hold what they claim is
their right.

JAPANESE TOURISTS.

Baron Yoshida and Friends Visiting
America.

Among the guests who are regis-
tered at the Knutsford are three
very prominent Japanese gentlemen—
the Baron Yoshida, and M. Kalayama
of Kieto, Japan, and Y. Nakamura of
New York. They have just come
from Kiato and are en route to New
York and Europe. After staying in
Germany and other countries for some
time the gentlemen will sail to Japan
by the Marcelline, France. Baron
Yoshida is a young man but stands
very high in the court and business
circles of Japan. He says that the
country is being greatly developed and
that new railroads and manufactures
are making Japan a country of import-
ance. Mr. Y. Nakamura is at the head
of the largest firm of importers of
wool to this country, of Japanese silks,
vases and other articles. His firm ex-
ports an immense amount of leaf to
Japan. The gentlemen will remain
here over night and will see
Madame Modjeska this evening.

BUTCHER FOR UTAH AND OURAY

[SPECIAL TO THE "NEWS"]
Washington, D. C., March 11.—Ferdi-
nand Schoewe, of Fountain City, Wis.,
has been appointed a butcher at Uta-
hah and Ouray Indian agency at a
salary of \$600.

Dora C. Legg has been appointed
postmaster at Rexburg, Fremont coun-
ty, Idaho, vice Daniel Hopkins, resigned.
A Spanish war pension has been
granted Moren Caldwell of St. Antho-
ny, Idaho, at \$10.

VARIOUS COURT CASES.

The hearing in the matter of the es-
tate of Edward Brad, deceased, was
concluded before Judge Hall yesterday
afternoon. The controversy is over the
petition of Orson Rumel, administrator.
A Spanish war pension has been
granted Moren Caldwell of St. Antho-
ny, Idaho, at \$10.

In Judge Stewart's court yesterday
the following business was transacted:
Tim Sullivan pleaded not guilty to
two charges, assault with a deadly
weapon and burglary.

James R. Hay pleaded guilty to forgery,
waived time and was sentenced to
one year in the State prison. He
passed a \$25 check on Mrs. Claypool,
February 25th.

The trial of the divorce case of Clar-
inda R. Stover vs. James A. Stover, was
taken up. Plaintiff, defendant
and Walter Stover were examined. The
case was argued, submitted and the
plaintiff awarded a decree, but the de-
fendant was granted the custody of the
four minor children, aged 6, 8, 9,
and 11 years respectively.

Defendant was ordered to pay the
costs of the action, \$25 to plaintiff's at-
torney, and hereafter to pay her \$25
per month alimony.
Failure to provide, cruelty and aban-
donment were the grounds of plaintiff's
complaint. She accused her husband of
trying on July 3d, 1897, to have her
declared insane and committed to the
asylum. The defendant denied all of
the material allegations of the com-
plaint, and accused his wife of having
a vicious and ungovernable temper, of
committing adultery, and taking their
children to a house of prostitution on
Franklin avenue.

"I am so Glad you are well, Dear Sister."

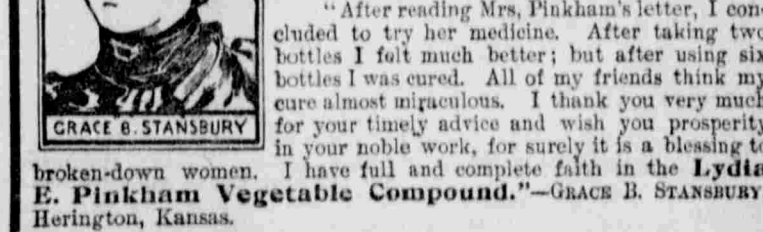

This picture tells its own story of sisterly affection. The
older girl, just budding into womanhood, has suffered great-
ly with those irregularities and menstrual difficulties which
sap the life of so many young women.

Lydia E. Pinkham's Vegetable Compound can
always be relied upon to restore health to women who thus
suffer. It is a sovereign cure for the worst forms of female
complaints,—that bearing-down feeling, weak back, falling
and displacement of the womb, inflammation of the ovaries,
and all troubles of the uterus or womb. It dissolves and
expels tumors from the uterus in the early stage of develop-
ment and checks any tendency to cancerous humors. It
subdues excitability, nervous prostration, and tones up the
entire female system.

Could anything prove more clearly the ef- ficacy of Mrs. Pinkham's Medicine than the following strong statement of Grace Stansbury?

"DEAR MRS. PINKHAM:—I was a sufferer from female weakness for
about a year and a half. I have tried doctors and patent medicines, but
nothing helped me. I underwent the horrors of local treatment, but re-
ceived no benefit. My ailment was pronounced ulceration of the womb.
I suffered from intense pains in the womb and ovaries, and the backache was dreadful. I had
leucorrhoea in its worst form. Finally, I grew so weak I had to keep my bed. The pains were so
hard as to almost cause spasms. When I could
endure the pains no longer, I was given morphine.
My memory grew short and I gave up all hope of
getting well. Thus I dragged along. To cease
my sister I wrote to Mrs. Pinkham for advice. Her
answer came, but meantime I was taken worse
and was under the doctor's care for a while.
"After reading Mrs. Pinkham's letter, I con-
cluded to try her medicine. After taking two
bottles I felt much better; but after using six
bottles I was cured. All of my friends think my
cure almost miraculous. I thank you very much
for your timely advice and wish you prosperity
in your noble work, for surely it is a blessing to
broken-down women. I have full and complete faith in the Lydia
E. Pinkham Vegetable Compound."—GRACE B. STANSBURY,
Herington, Kansas.

\$5000 REWARD Owing to the fact that some skeptical
people have from time to time questioned
the genuineness of the testimonial letters
we are constantly publishing, we have
deposited with the National City Bank, of Lynn, Mass., \$5,000,
which will be paid to any person who will show that the above
testimonial is not genuine, or was published before obtaining the
writer's special permission.—LYDIA E. PINKHAM MEDICINE CO.

MRS. FLORENCE MAYBRICK.
[Drawn from a photograph taken just before her imprisonment.]

whatever views his majesty may per-
sonally entertain on the question of the
guilt or punishment of Mrs. Maybrick,
it is not the intention of her friends to
conduct the latest campaign for her re-
lease on similar lines to those formerly
adopted.

One of the staunch supporters of
the Baroness de Rouques is Mr. J. H.
Levy, the chairman of the Personal
Rights association of the National
Liberty club. He has had several con-
ferences with Mr. Choate on the prop-
erty of presenting petitions to the crown.

Mr. Choate, while declining officially
to take part in such proceedings, has
repeatedly assured the friends of Mrs.
Maybrick that he will do everything he
can in his private capacity to further
their object.

Another new departure in the latest
effort to secure the liberty of Mrs. May-
brick is the discountenancing of news-
paper advocacy.
Mr. Levy said:
"While we recognize and are grateful
for the spirit actuating such support
to our appeal, we cannot help feeling
that the very earnestness may somehow
lead to defeat its own object."
"Under the circumstances we have
deemed it best merely to plead the un-
fortunate lady's case as one meriting
royal clemency, and on this ground to
petition the king to grant her pardon."

Mr. Levy's appeal will probably be
handed to the home secretary, Mr.
Ritchie, this week.

SEN. PROCTOR'S VISIT TO CUBA. Means Administration is Not Satis- fied with Official Reports.

New York, March 12.—Senator Red-
field Proctor, of Vermont, who, it is an-
nounced, goes to Cuba and will be ab-
sent about two weeks. According to a
special from Washington to the Herald,
Senator Proctor's visit to Cuba is taken
as a sign that the administration is not
satisfied with the official re-
ports of the island towards the United
States.

Reports that systematic agitation is
being carried on in the island do not
mesh with dispatches the war depart-
ment has been receiving from Gen.
Wood and Horatio S. Roubens, who have
a civil office under the military govern-
ment.
Following the destruction of the
bridge in 1898, at which time war was
ended, Senator Proctor made an ex-
tended trip over the islands, reported
to the President and later made a
speech in the Senate, drawing conclu-
sions from his investigation. It is un-
derstood Mr. Proctor will now make a
similar investigation.

TWO DAMS BURST. Buildings Carried Away and Nine Persons Got Killed Them.

Presidents, R. J., March 12.—Two
dams at Waukegan, just north of this
city, burst, carrying away two wooden
buildings containing nine persons, one
of whom was drowned.
The upper dam burst first and the
water with a rush swept away the lower
dam a few minutes later. Over this
the Allen print works. These buildings
were crushed by the flood. Firemen,
rushed over ladders spliced together,
tried to rescue the victims, but they
had become lodged.
Miss Emily Whimply and a man
were carried down the stream on a
raft. She caught in a wire fence. The
firemen shouted to Miss Whimply to
