

BOUGHT THEM UP BY WHOLESALE.

Alleged Purchase of Montana Legislature by Senator Clark.

STORY OF DENTIST ECTOR.

Money Promised to Him Never was Paid—One Man Refused a \$15,000 Bribe.

Washington, Jan. 12.—The Senate committee on privileges and elections began its session in the Clark case today with a request from the prosecution to have the books of the Thomas Cruse Savings Bank at Helena, Mont., showing the deposits of A. J. Davidson and a man named Toole, brought before the committee. The original subpoena had only called for the deposit slips. The point was not decided.

E. L. P. Ector, a dentist at Missoula, was the first witness. He had participated in the campaign in Ravalli county in the interest of E. P. Wood, who was the Democratic candidate for the legislature in the last campaign and who was a friend of Mr. Clark. Ector said he had acted as the instance of Mr. Bickford, one of Mr. Clark's managers. Letters from Bickford were exhibited. In one of these written after the legislative election, Bickford referred to the presence of "our friend" in Hamilton, and asked Ector to ascertain his financial condition. Ector said "our friend" was Mr. Wood, and that he replied to this letter saying his indebtedness was \$5,000 and that \$7,000 would probably be necessary to settle all his debts. Afterward Bickford had given him \$7,000 to give to Wood. He had then refused to accept the money, telling Bickford that it was "all off," as Wood had told him that he could not afford to sell himself. The witness said Bickford had promised to pay him for his services, but that no specific sum had been mentioned.

"He asked me how much I expected," said the witness, "and I told him I wanted all I could get out of it. I continued by saying, 'No doubt you will make a stake out of it.' He asked me how ten per cent would do. I said 'That would be satisfactory, as I have no doubt you will get \$20,000 or \$25,000 out of it.'"

It appeared that no settlement was made with him by Mr. Bickford, and that Mr. Ector wrote to Senator Clark about the matter. There was a correspondence with that gentleman beginning December 10, 1898, and closing November 8, 1899. These letters were read to show that Mr. Bickford had been the agent of Clark in the senatorial race. In the first letter Clark said the matter concerning which Mr. Ector had written him had been left entirely in the hands of Mr. Bickford, and that he would confer with that gentleman concerning the matter.

In the second letter dated January 28, 1899, Mr. Clark spoke of the fact that he had just been elected, saying Bickford was wild with joy, adding that while he had no personal knowledge as to what he had done, he never disappointed any one who had helped him.

This last statement was practically repeated from Paris in April last, and in another letter written from New York November 8, last. In the New York letter Clark said he would refer Ector's matter to Bickford, and in the Paris letter he said it was his desire that any one who served him should be "amply remunerated."

One of the letters of the series was signed in typewriter, and the defense objected to its admission. This objection brought out the fact that the letter, the committee, Senators McComas and Caffery casting the only votes against admission. Cross-examination was postponed until the defense should look up the letters from Clark.

Representative P. G. Sullivan, a member of the last Montana legislature, from Granite county, testified that he had been approached by Mr. Bickford when he went to Helena previous to the meeting of the legislature, and asked to vote for Mr. Clark.

"I said," the witness testified, "that I might do so if there was enough in it. He asked how much. I said \$20,000. He then asked me if I half that amount would not be enough. I replied no, and we separated."

Sullivan said that afterward he had again met Bickford, and that the latter had suggested \$15,000. He had told Bickford then that he would not vote for Clark under the circumstances, and had seen no more of him.

Sullivan said his purpose had been to lead Bickford on and that he had not expected to vote for Clark, even if the offer of money had been accepted. The witness stated that he is now the proprietor of the Florence Hotel at Butte, Mont., and the cross-examination was devoted to showing that this hotel is owned largely by Marcus Daly.

The witness said he had called on Mr. Hennings and did not know whether Daly was the owner. He admitted that his patronage was largely from among the miners of the Anaconda mine and could not be brought out the fact that whereas before the legislature met the witness had been the proprietor of a saloon, paying \$30 a month, he now pays \$2,000 a month for the Florence House.

Anthony Dougherty of Helena, proved to be the first witness who was apparently unwilling to testify. He was held with the view of showing that he had allowed a friend named Gallagher to occupy a room in the Florence Hotel, and that he had remained in the closet of the room and overheard a conversation between A. J. Steele and Reps. Gillette and Flynn concerning the senatorial election. Dougherty said he had not remained in the closet and had had no such conversation, answering only yes or no in reply to questions. He said he had let Gallagher take the room and had lived elsewhere while he occupied it, but he had seen or heard no one there.

State Auditor Polindexter testified that A. J. Steele had promised to give him \$50,000 to secure the vote of the three members of the legislature. Steele is reported to have shot and killed Mrs. Lucinda Isaacs, a sister of his dead wife, and to have shot himself in the abdomen. Physicians say he will recover. The cause was Mrs. Isaacs' refusal of his offer of marriage.

Minister's Terrible Crime.

Middleboro, Ky., Jan. 12.—The Rev. Wesley Hall at Hindman, Knott county, is reported to have shot and killed Mrs. Lucinda Isaacs, a sister of his dead wife, and to have shot himself in the abdomen. Physicians say he will recover. The cause was Mrs. Isaacs' refusal of his offer of marriage.

WHAT IS THE REASON?

Dewey Invited West.

Washington, Jan. 12.—The California delegation in Congress called today on Admiral Dewey and invited him to visit the State next September, when California will celebrate the semi-centennial of its admission to the Union. The admiral said he would make the trip to California next summer or fall and he would endeavor to arrange as to be present at the time indicated.

During the interview Admiral Dewey said that before the battle of Manila when he was looking ahead to his retirement he had intended making arrangements to live at Santa Barbara, Cal., as he liked the people and the climate of the State.

Santo Domingo Settling.

Santo Domingo, Jan. 12, via Haytian Cable.—The United States gunboats Machias and one more French warship have arrived here. The French admiral has had a conference with the government. According to rumor the difficulty is being settled in a satisfactory manner.

Robbed a Bank.

Princeton, Ind., Jan. 12.—The McGlinch bank at Owensville was entered last night and the safe blown open, the explosion completely wrecking the building.

It is rumored that about \$15,000 was taken, but the bank officials refuse to give any information. The burglars escaped on a handcar.

ALL LIVES MAY BE LOST.

Terrible Fate of Those on Board the Wrecked Vessel.

Bodies Visible in the Surf—Ship is on Fire—The Crew Probably Drowned.

St. Johns, N. F., Jan. 12.—No further news of the steamer reported wrecked on the reef last night in St. Mary's Bay had been received here up to this morning. No steamer can leave here for the scene of the wreck before this afternoon. The colonial cruiser Fiona Bay and the steamer Kite will be sent from Paganita Bay as soon as possible to try and save the survivors if any remain.

A steamer leaving here today could not get to St. Mary's Bay before tomorrow.

Later—Belated reports from the magistrate and wreck commissioners at St. John's give the following additional particulars in regard to the steamer: She is a two-masted vessel and is a complete wreck. Only three survivors were visible at night fall. The vessel's boats were smashed and were floating in the surf. The crew had probably tried to land in the boats and had been drowned in the attempt. Some bodies are visible in the surf. The ship is on fire. She has some kerosene on board, but she is not thought to be a danger.

It is feared she will break up today owing to the heavy sea. She is reported a new ship.

One theory is that the steamer took fire at sea, that the captain thought the vessel was on fire and that the vessel struck on the coast during a storm. No hope is entertained that the lives of any of those on board the vessel will be saved. Nothing is known of her name or personnel.

Chilean Estimates.

Valparaiso, Jan. 12.—The council of state has approved the estimates for the current year amounting to \$75,500,000 currency.

Col. Woods Dying.

Hot Springs, Ark., Jan. 12.—Col. J. F. Woods, the famous theatrical manager and builder of Wood's Museums throughout the country, who was prostrated last night with a severe stroke of paralysis, is thought to be dying today. He is one of the best known showmen in the world.

Nine Business Houses Burned.

Dassel, Minn., Jan. 12.—Fire here last night destroyed nine business houses and most of their contents were burned. Loss, \$50,000; insurance, \$28,000. An explosion of powder injured five men.

Tax Levy Unconstitutional.

Chicago, Jan. 12.—The Illinois supreme court at Springfield today handed down a decision declaring the section of the new revenue law which provided for the scaling down of the tax levy unconstitutional. The law applied to all the State and as the assessed valuation of property has been heavily increased in some sections, the knocking out of the limitation clause of the new law would result in a large increase in the tax levy, as by this ruling the old scale will be used. In Chicago and Cook county the increase would range from 50 to 75 per cent. The decision has created considerable surprise.

Helms Case Settled.

Kansas City, Jan. 12.—The suit brought four years ago by Ferdinand A. Helms, administrator of the estate of Michael Helms, deceased, the big East St. Louis brewer, against Jos. J. Helms, executor of the estate of Ferdinand Helms, Jos. J. Helms, Fred Helms, Jr., and Michael G. Helms, has been dismissed by Judge Glover in the district court. Judge Glover finds that the estate has been properly administered and assesses the cost in the suit against the plaintiff.

The fortune over which the parties to the suit have been contending was amassed by the brothers, Michael and Fred Helms, in the brewery business in East St. Louis, Ill. In 1883 Michael Helms died intestate and the estate was not settled for over ten years, when the widow, now Mrs. Anna Helms McArthur, of Los Angeles, Cal., and her two sons accepted \$105,000 in full settlement for their shares. The contention raised in the suit just disposed of was that this sum was inadequate, and that the value of the Helms estate had increased since the settlement. The suit was worth more. In his opinion Judge Glover declares the settlement made is a most liberal one. He also rules that the agreement signed by Mrs. McArthur, in which in consideration of a house and lot valued at \$12,000 and located in Los Angeles, she relinquished all further interests under the will, is valid and binding.

WHAT IS THE REASON?

Why is it that you are not equal to the task Nature sets for you to do?

Why do you find weakness stealing over you and growing day by day? Why that aching, chalky complexion? Why that inability to hold your urine?

Why those distressing pains across your back? All these symptoms are unmistakable evidences of kidney trouble.

The kidneys are the human engine of life move as Nature intended, are not working properly and should have prompt attention.

If you need a medicine for kidney, bladder or uric acid trouble, you should begin using the famous new discovery, Dr. Kilmer's Swamp-Root. It gives quick relief, and cures the most distressing cases.

Hospitals use it in all kinds of cases, especially severe and urgent ones. Doctors prescribe it freely in their practice and in their families, and use it when they need a kidney and bladder tonic themselves.

Tens of thousands of grateful patients have written to Dr. Kilmer & Co., and these letters have been fashioned into a handy volume of ready reference, which should be in every household. This volume and a sample bottle of Swamp-Root will be mailed to any reader of this paper who will send name and address to Dr. Kilmer & Co., and state that they read this generous offer in the Deseret Semi-Weekly News.

If there is any doubt in your mind as to your condition, take from your urine, on arising about two ounces, place it in a glass or bottle and let it stand twenty-four hours. If, on examination, it is milky, or cloudy, if there is a brick-dust settling, or if small particles float about in it, your kidneys are in need of immediate attention.
