

FLOATING FRAGMENTS.

There was a great deal of drunkenness on the streets on Saturday night and yesterday.

The excursion to Cache Valley will leave the U. C. R. R. depot at 10 a.m. to-morrow.

Presidents Taylor and Cannon and party are expected home to-morrow from the south.

Dr. Clinton is once more at liberty, the arrangement which he offered in the first place having been accepted.

On Saturday night a party giving the name of James Jensen, stole a pair of pants from the establishment of M. H. Lipman. He is under arrest.

The entrance to the ground on which it is intended to erect a chapel of the E. phreatic Ward, is about to be embanked by a neat iron gate from the shops of Brother W. J. Silver.

LOCAL AND OTHER MATTERS.

Tabernacle Services.—The congregation at the Tabernacle yesterday afternoon was addressed by Elder John Nicholson, who, by request, delivered a discourse on the "First Principles of the Gospel."

Chair of Base.—Mrs. E. B. Wells, editor of the *Woman's Exposition*, whose office was recently burned, can, until further notice, be found at the office of the *Contributor*, immediately north of Z. C. M. I.

Zion's Benefit Building Society.—The officers, directors, auditors and members of the original committee of Zion's Benefit Building Society are requested to meet promptly at 5 o'clock to-morrow afternoon, at the offices of Stagner & Simmons.

Gene to Calder's.—The teachers and pupils of the Eighteenth Ward Sunday School, and a number of their friends have been enjoying themselves at Calder's Farm today. The company that started this morning numbered about 150, with quite a large number to follow during the day.

Burglar Arrested.—About three o'clock yesterday morning a man was found by nightwatchman Watson, lurking behind Mrs. Dyer's millinery establishment. An investigation developed the fact that the fellow had broken open a back window, evidently with the intention of burglarizing the store. He was arrested and taken to jail.

Holden School.—We have received from Pauline Larsen, an account of the closing exercises before vacation of the Holden, Millard County, district school, of which Oscar Berglund is Principal. It appears from the report that the school has been doing good work. The communication giving details of the exercises is a little too lengthy to be given in full, our space being limited.

Benefit Concert.—There will be a concert a week from to-night, for the benefit of the Twenty-first Ward brass band, when that organization will make its first appearance in the capacity of performers at a public entertainment. The affair will be given in the meeting house, and the Glee Club and orchestra, Mrs. Agnes Olsen, Mrs. Maggie Hull, Miss Lamph and other favorites will appear.

Coming Theatricals.—The celebrated Wyndham Comedy Company, which appears at the Salt Lake Theatre to-morrow night for a season of five nights and Saturday matinee, is to be followed by Neil Burgess, as Mrs. Tryphena Puffy, in the side-splitting comedy "Vim." It opens July 3rd. Our citizens will remember Mr. Burgess as the original Widow Boddit, at the Salt Lake Theatre. Mr. F. Burgess, the advance agent, is in town in the interest of this organization.

A Peculiar Transaction.—The other day Mr. Goldstickler sent a cow to the slaughter house, northeast of the city. The animal was driven by Charles Virgo, better known as "Victor." On the way Virgo was met by a gentleman in the butchering business, who asked him if that cow was for sale. He said it was, a bargain was struck, the gentleman handed him \$40, the price agreed upon, and took the cow. Victor used the money to go on a spree with and, besides being under a charge of appropriating Mr. Goldstickler's property to his own use, has been arrested and fined for drunkenness.

A Fight.—A row occurred in the sixth Ward yesterday. The statement which has come to us is to the effect that while a number of young men were sitting on the edge of a water ditch, a young man named V. Brown, who appeared to be somewhat under the influence of liquor, approached the group. He had some words with the boys, which he struck one of them, named Brown, over the head with a cane. Albert Poulton told him to stop, when he immediately struck him in the same way. Young Poulton then jumped to his feet and struck Brown upon the forehead with a stone which he held in his hand. Parties interfered at this point and the disturbance was quelled.

Funeral Services.—The funeral services over the remains of the late Thomas H. Nixon, who died on Saturday, were held in the Twenty-first Ward Meeting house, last evening, at 4:30 p.m. Appropriate remarks were made by Bishop A. Burt, Elder W. P. Aftick, W. D. Owen, E. S. James and Counselor H. J. Fowler. The hall was well filled. The singing exercises were rendered by the members of the Sabbath School, of which Brother Nixon was a faithful teacher. A large number of vehicles filled with mourners followed the remains. Quite a large number of the scholars walked to the cemetery. The grave was covered with flowers, procured by the Sunday School children.

THE BELLE HARRIS CASE.

DECISION OF THE SUPREME COURT.

At 2 o'clock to-day the Supreme Court rendered its decision in the Belle Harris contempt case, taken up on writ of habeas corpus. Judge Emerson speaking for the Court, said that he had been directed to announce the unanimous conclusion of the Court, which was that the petitioner was found to be in contempt to the Second District Court; therefore the petition would be dismissed and the prisoner remanded to the custody of the U. S. Marshal.

Obsequies Of Bishop Harrington.—The funeral services over the remains of the late Bishop L. E. Harrington, of Anderson, Ark., were conducted at 10 o'clock on Saturday morning, June 23d, in the meeting house of that town. The hall was densely crowded on the occasion.

The first speaker was President W. Woodruff. He alluded to the favorable circumstances under which the deceased had gone to his rest, surrounded by his relatives and friends. The speaker had been in the Legislature of the Territory twenty years, and during the whole of that time Brother Harrington was a companion of his, and as a wise counselor and judicious lawmaker, he had always been found on the right side of every issue. The unusually large number of important positions he had filled with honor and credit were enumerated, and the feeling of deep interest awakened in the hearts of the people by the death of so well known and respected a man as the deceased was alluded to. The speaker did not think there was any great occasion to mourn when a man like the Bishop departed without a stain upon his soul or blot upon his character. He had gone before to prepare a place for his wives and children, that where he was they might, in the due time of the Lord, also be.

Brother Woodruff was followed in brief remarks from Bishop L. W. Hardy, Bishop R. T. Burton, Bishop John Sharp, President A. O. Smoot, Bishop M. Tanner, Elders H. Oluf, K. G. Messer, David John and John Dusenberry.

After the services the body was conveyed to the cemetery and interred, being followed to the burial grounds by an exceedingly large cortege.

Funeral Services of Bishop Evans.—The obsequies of Bishop David Evans, were conducted in the Lehi Meeting House yesterday afternoon, the hall being crowded to excess on the occasion, hundreds having to remain outside.

Bishop Edward Hunter, who was the first speaker, alluded to the long services of the deceased as a Bishop in the Church, and his decision of character and determination in carrying out what he esteemed to be right.

President W. Woodruff spoke next. He stated that yesterday Bishop Harrington's funeral was attended, to-day it was Bishop Evans' and those present did not know how soon they might have to attend their own. He referred to his association with the deceased in 1854, in Zion's Camp, of which he was a member, also to the fact that Brother Evans was one of the few who escaped at the massacre of Hann's Mill. His long services as Bishop and as a representative of the people in the Legislature, were referred to, and also the fact of his having a very extensive family, being probably the largest of any man's in Utah County.

Brother Woodruff was followed briefly by Bishops L. W. Hardy and R. T. Burton, President A. O. Smoot, Elder A. R. Anderson, and Bishop Thomas R. Cutler.

Besides the remains of Bp. Evans the body of Brother Jeppe Larsen, deceased, was also in the house, allusions being made by the speakers him to also, the services being therefore of a double character.

The remains were followed to their resting place by a very large procession.

The Nephth Suicide.—On last Thursday evening, 21st inst., Alexander Gardner was found dead in his house in Nephth City, having previously locked his door. He was last seen between 7 and 8 o'clock a.m. and to all appearance seemed to be in no worse condition of mind and body than had been usual for him to be in of late. His health had been poor for some time and he had much to do with the manner of his sudden death, as the following will explain. G. H.

Nephth City, June 23, 1883.
 Territory of Utah.
 Nephth Precinct, Juab County.
 An inquisition holden at Nephth City in Nephth Precinct, Juab County, on the 21st day of June, A. D. 1883, before William Sperry, Coroner of said county, upon the body of Alexander Gardner, their lying dead, by the jurors, who upon their oaths do say that he came to his death by strangulation, administered by his own hands, in a fit of temporary insanity. In testimony whereof the said jurors have hereunto set their hands the day and year aforesaid.

CHARLES FOOTE, CHARLES ANDREWS, GUYVAE HENRIED, Jurors.
 Attest my hand this 21st day of June, A. D. 1883.
 WILLIAM SPERRY,
 Coroner of Juab County.

Boy in a Saloon.—Near midnight on Saturday Captain Andrew Burt and Officer W. G. Phillips heard the noise of a terrific row in Nystrom & Tuff's saloon. On entering they saw two young men—Raid and Hunter—engaged in a fight, and a number of others standing around. Mr. Phillips entered the crowd to separate the combatants and arrest the parties, and as Captain Burt was following closely to assist him. Elbridge Tuff, one of the proprietors of the place, seized the one held in his hand and struggled to take it from him. While this was going on another party sprang upon the Captain and tore his coat and vest. Releasing his cane, however, Captain Burt gave it a swing and treated his two assailants to several blows with it over the head and arms. Raid and Hunter were arrested for fighting, and Tuff and the other man for assaulting an officer. Nystrom and Tuff will also probably be charged with keeping a disorderly house.

St. George Temple Work.

The following dispatch is self-explanatory.

PAROWAY, U. T., June 23d, 1883.

President W. Woodruff.
 Please publish that St. George Temple will close on the twenty-fifth of June, and again on the twenty-seventh of the same month. Would like your kind assistance in the raising of Temple workers.

Marked Journeys.—On Saturday Superintendent Sharp very kindly furnished a special car to convey the visitor from this city to American Fork who went to that place to attend the obsequies of the late Bishop Harrington. Yesterday he also sent a special train to carry those who went south to be present at the funeral rites over the remains of the late Bishop David Evans. These courtesies were much appreciated by those to whom they were extended.

Trouble on the Train.—L. Fringle was arrested last night for outrageous conduct on the Black Rock bathing train. While apparently under the influence of drink, he behaved himself in such a way that Mr. Charlton Jacobs was compelled to put him off. He seized a couple of stones with which to assault that gentleman and made threats of violence. He got on the train again, but at Jordan Bridge he jumped off, and being then under arrest, U. S. deputy Marshal Greenman got off too, for the purpose of securing him. He was met by Fringle, who seized his rock in each hand and came forward to attack him, but the Captain brought him to a stand by pulling his pistol and pointing it full at his face. A back was produced and he was taken to the City Hall.

Dr. E. R. Shipps has removed her office to the 17th Ward, one-half block west of the northwest corner of Temple Block.

That feeling of languor and debility that follows physical exertion, removed by using Brown's Iron Bitters.

Instantly Relieved.
 Mrs. Ann Lacombe, New Orleans, La., writes—I have a son who has been sick for two years; he has been attended by our leading physicians, but all to no purpose. This morning he had his usual spell of coughing, and was so greatly prostrated in consequence, that death seemed imminent. We had in the house a bottle of Dr. Wm. B. Chalmers' Syrup for the lungs, purchased by my husband, who noticed your advertisement yesterday. We administered it according to directions and he was instantly relieved.
