Tallored suit of dark red broadcloth, trimmed with black and gold braid. Skirt laid in triple box plaits each side front and back, braid trimming at sides. Pouched waist, with short basque, and belt of braid. Vest of black velvet, with white embroidered spots. Strappings each side and on cuffs; with black passementerie pendant ornaments. Large hat of red felt, with black feather, and lace trimming.

proud of themselves. So is the community, for that matter, it being re-corded that a club election creates as much interest as a city election, the entire population good naturedly takes sides with the rival candidates for pres-

. . . Backed by a big triple screen, the Woman's Club of Butte proposes to be woman's Club of Buttle proposes to be of even more consequence in the com-munity. It is an open secret, in fact, that from the first these women bave aspired to have a spic-and-span club-house of their own. With a steady in-forme the arran by way of encome from the screen by way of en-couragement, it promises to be more than a castle in the air.

Indeed, a member writes: "Our club has taken the first steps toward incor-poration, and we hope before many years, perhaps only months, to have an official fireside."

. . . The "club creed" of Mrs. Robert J Burdette, first vice president of the General Federation of Women's Clubs, created such a favorable impression when given recently before the West End Woman's club in Chi-cago) that, in response to nu-merous requests for a copy, she was obliged to have it printed on slips of paper before she left the city a week or two are on the next the city a week or two ago. This week Mrs. Burdette, who always accompanies her husband on his lecture tours, spent a few days in Chicago, and will return again in April. The creed follows:

I believe in afternoon club life for

I believe in evening club life for men and women together when it does not rob the home of father and mother. I believe that woman has no right to undertake any work whatsoever outside of the home, along the lines of philanthropy, church, tiong the lines of plinal-thropy, church, temperance or club life, that does not emanate from the home and in its final and best results return to the home. Home must always be the center but not the limit of woman's life.

I believe in equal rights in the family for father and mother in intelli-sence, affection and filial respect. These the club should foster.

I believe in nine-tenths of the club members doing the work and one-tenth the criticising instead of the reverse. I believe in individual responsibility for every interest of the club, mutual sympathy and appreciation of results. To every interest of the club, mutual sympathy and appreciation of results. I believe no woman has a right to ac-cept a place on any committee unless the serve faithfully, promptly, intelli-results of her individual action. I believe that women should have a moral responsibility researding financial

moral responsibility regarding financial matters in the prompt payment of dues and pledges, and a comprehension that an other phase of life can be carried
