Great Salt Lake City Cemetery. THE citizens of Great Salt Lake City are respectfully notified, that I am appointed by the City Council, City Sexton, and that I am now ready to dispose of lots in the burying grounds, there are choice lots in the new survey that are not taken up and as the Corporation design to put up a substantial fence around the grounds, citizens would do well to make early selections, and thereby assist in beautifying "THE CITY OF THE DEAD." A map of the grounds may be seen at my office.
