BOXING BOUTS IN NEW YORK.

New York, Nov. 5.—Under the protection of an injunction against the police department, a local boxing club announces several boxts for next week. This more will be watched closely by sporting men, and if there is no interference, it is said other clubs in this city will resume operations. Boxing boats are being held in other cities in the state and the clubs in Greater New York cannot see why twey should not proceed on a moderate scale.

To a humber of Chicago fans Jack Johnson gave the following:

"There wasn't a hitch in the whole proceedings with the Joffries people." he said. "And it all came out just as we fold you it would before we left Chicago, it looks as if they intend to go through with the agreement just as it is written, and I sincerely hope there will be no hitch of any kind. If Jeff is sheere in his desire to have a real tryout there are quite a number of gents around who would be able to give the big fellow a tussle. A statement in the papers yearerday said that he would take on three men for three rounds each before a Philadelphia club.

It was thought that Jim Flynn and Tuny Ross would be the pair, Flynn really would give the big fellow a tussle, but at that Jeff should have no trouble. Ross would stick the three, too. but is about as dangerous as a crippled child. If Jeff wants a real tryout and is anatous to have a good light, why not hook up with Al Kaufmann or Jack O'brien for the six rounds? Say, take on Kaufmann one week for six rounds and then O'Brien the heart week for six round. The latter would never bother Jeff He might give a strand exhibition for that limit, but as far as punishment to concerned he wouldn't countil the big fellow for a ascond Kaufman is not a short distance fighter.
