Philosophy by a Dector.

attended the sale of Fort Cameron, near Beaver, on April 30th, gives us some information regarding the transaction. The buildings consist of six officers' quarters, a story and half high, each building being a double house; hospital two stories high, with norch on servant of his.

"How is this! you a doctor! Bines when? and what can you do?"

"Is that possible?"

"Yes, and more so than you could And seeing the astonishment o his old master, he continued: "How many inhabitants do y

think this town numbers?"

"I do not know; 20,000 perhaps." "'Yes, about that many. And how many do you think are really intelligent and capable of appreciat-

ing your merits?" "I do not know."

"Let us say a thousand, and that is ample. Well, the thousand are yours and the rest belong to me." Barthes became thoughtful for a moment, and then answered: "It

is true and you are right. And this is the way of the world, notwith-standing its constant improvements; on Monday and Wednesday, at 4 and 7 p.m. for the ladies and 8 p.m. in spite of the recriminations of all nonest and modest doctors, the multitude will always belong, be they great or small, humble or exalted, politicians and doctors, ignorant or To Be Released .- It appears that Al. Packer, the monster who was wise, in health or sickness, to char-latans, who are invarirbly gifted convicted of murdering a number of with that imperturble assurance which, under the name of "brass prospectors who left this city in his company several years ago and fascinates and conquers the public who ate portions of their bodies, is who accept their theories and cowe to be turned loose. Chief Justice before their assumed superiority."

Didn't Believe in Gould.

looking over the route up Taylor canyon. Tin Cup was one of the first paying camps in the county, and has atways been near the top of the list is monthly output.-Gun-nison, Col, Press Review.

We learn from the Utah Journal that Dr. M. J. Solander, the woman who tried to introduce Restellism in Logan, has left that town for other parts. The Journal should publish a personal description of this female, for the benefit of people elsewhere. She may readily change her name, but not so easily her appearance.

LOCAL AND OTHER MATTERS.

Wants & Situation .- An efficient bookkeeper, in every way respectable, trustworthy and reliable, is in of at this office.

Will Preach .- We are requested to will preach in the 12th Ward Assemply Rooms to morrow evening, at 6 30-Subject, "Our Heavenly Father's Guiding Hand,"

The Absconder.-It appears from a di-patch to-day that deputy Marshal Compson will reach here with Hill, the swindler and wife deserter, next Tuesday. He arrived at Chicago with his prisoner, on the way here from Cairo, Michigan, to-day.

Helplessly So .- Last night a man was found by the police on First South Street helplessly drunk. He was taken to the City Hall where the officers took charge of his watch, pistol and \$105 in cash, which were returned to him this morning.

"Cheek."-A very large audience witnessed the lively and interesting play of "uheek," at the Theatre, last evening. Roland Reed having recovered his voice, sang exceedingly well, and the play was rendered in a manner to highly delight all beholders. It will be repeated tonight for the last time. Go and get under which there is a patch of brila ceries of good laughs, and enjoy a liant color resembling that of the harmless and plessant play.

Not Mammoth .-- Some notices large eggs have sppeared in our paper of late, so Brother N. A Woodbury, of Farmer's Ward, thought he would show us the possibilities in the opposite direction. He exhibited to us this morning a specimen of hen-fruit which measured 84 inches one way and 3 the other, the weight of the diminutive article being only i of an ounce. The fowl that perpetrated it was of the Flymouth Rock species.
