ANOTHER MOVE FOR MORAL REFORM

Chief of Police Closes Red Light District and Denizens Ordered to Move On.

DUDLEY W. CHASE SUMMONED.

Big Candy and Cracker Factory to go Up—Religion Class Conference—Funerals Sunday.

Ogden, Feb. 26.—The red light district of Ogden is closed up tight, and will remain closed under orders of Chief of Police Thomas E. Browning, who, with Detective James F. Pender, Sergeant Fred Toot and Officer Ezra Farr, visited every house on Electric and Hudson avenues Saturday afternoon and gave the inmates of the resorts orders to pack their belongings and "clear out."

For some weeks past the ministers of the city and some of the newspapers have been doing considerable talking on the "social-evil," and urging that some action should be taken by the police to close up Electric avenue, but some had been led to believe that the officers would not do so. To these it came as a surprise. On Saturday afternoon Chief Browning visited City Attorney Engley, and discussed the situation with him, then took immediate steps closing up every house, and proposed to keep them closed. Some of the inmates objected strenuously to the chief's orders and tried to argue the matter with him, but it was of no use, he had determined that the time had come for a general "clearing out," and all had to close up.

The reform movement has been spreading rapidly during the past year in Ogden. The first evil that was blotted out was the "slot machine." Following this came the closing of saloons on Sundays, then the gambling houses were shut up to be followed with the closing up of the dens of infamy in Electric avenue.

It is expected if the new city ordinance passes, prohibiting the running of theaters and places of amusement on Sunday, that the next places where the reformation will strike will be the Sunday theaters.

CANDY AND CRACKER FACTORY.

The Shupe-Williams Concern Will Put up Large Factory Building.

Ogden, Feb. 26.—The Shupe-Williams candy company, which has been doing business on Twenty-ninth street, near Grant avenue, for a number of years, has decided to erect a large factory. A piece of land situated at the corner of Wall avenue and Twenty-sixth street has been bought by the company, where

Payments for the Daily, Saturday and Semi-Weekly News should be made to the circulation department, made by carrier on the same terms as in Salt Lake.

A four-story with basement factory will be erected. Already plans and specifications have been prepared for the structure, which is to be 60 feet wide by 132 feet deep. The company has been doing an immense business, and finds that its present location is entirely too small for its purposes, and especially since it has decided to put in a cracker factory in addition to the candy business.
President W. H. Williams has gone east for the purpose of buying construction equipment for the factories, and will visit other large candy and cracker factories while away.

RELIGIOUS CLASS CONFERENCE.

Weber Stake Workers Hold Interesting Sessions Sunday.
Ogden, Feb. 26.—The conference of the Weber stake Religion classes was held yesterday with two sessions. The morning session was attended by the officers and teachers of the classes throughout the stake. Some interesting reports were received and excellent instructions given.
The afternoon session was held at the Ogden tabernacle, and was well attended by the class workers and friends. Excellent talks on the work being accomplished and the great good being done in educating the children in the principles of the Gospel were given by Elders Wilford Bramwell, D. C. McKay, Wm. Z. Terry and others. The tabernacle choir furnished some choice music.

WEBER COUNTY SCHOOLS.

The county board of education, on recommendation of Suppl. W. N. Peterson, decided to put in supplementary readers, "Lights to Literature" in the third and fourth grades of the county schools. The clerk was authorized to send his comparative statement on supplies out to the different schools. During the afternoon the buildings and grounds committee met with Architect F. C. Woods relative to the building of two additional school buildings. During the week they will meet with the other architects and it is expected that another meeting of the committee will be held Thursday.

DUDLEY W. CHASE DEAD.

One of Ogden's Honored Pioneers Called to Well Earned Rest.
Ogden, Feb. 26.—Another of the pioneers of Weber county has been called to join the majority on the other side. Dudley W. Chase, Sr., died Saturday afternoon at St. Anthony, Ida., from general debility, aged 71 years. He came to Utah in 1848, living in Weber county from that time until a few years ago, when he moved to Idaho. He has been a faithful, active worker in the Church of Jesus Christ of Latter-day Saints and has raised a large fam-

Funeral Was Under the Auspices of the Knights of Pythias—Who The Speakers Were.

The funeral of the late John S. Lindsay was largely attended yesterday afternoon, in the Salt Lake Theater, there being over 1,000 people present. The casket rested in the center aisle in front of the orchestra, and on the orchestra chairs and on the stage rested large quantities of floral tributes, from friends and from the Calanthe-Myrtle lodge of Knights of Pythias of which the deceased was a member. The service was under the auspices of the lodge. The opening prayer was offered by Rev. P. A. Simpson, followed by a selection from the Imperial quartet who sang, "Peace, Perfect Peace." Mr. Simpson in his eulogy on the deceased said: "It is fitting for the curtain to fall in the last scene of the last act over the dust of the deceased where the best years of his life were given. He has now done with tragedy and comedy, and gone to reality. Mr. Lindsay had fought bravely to realize his ideals among men, endeavoring to lessen the burdens of others, and at the same time never forgetting the beautiful religious truths learned in childhood. No man can love God, who does not show a love for his brothers, and the deceased had lived and walked worthily."

FUNERAL OF MRS. ALICE R. LANE

The Presbyterian church was well filled yesterday afternoon by the many relatives and friends of Mrs. Alice Richey Lane, who gathered to pay a tribute of respect to the memory of one of the city's most highly esteemed young ladies, who but a little over a year ago left Ogden a happy bride. The funeral services were very impressive, conducted by Rev. J. E. Carver, the church choir furnishing some very sweet music. Rev. Carver preached a very comforting sermon on the life of purity of the deceased and her sure reward in the heavenly abode.

BASKETBALL TOMORROW.

What promises to be two of the best basketball games to be played this season will take place tomorrow afternoon at 2:30 o'clock and in the evening at 7:30 o'clock, between the Red Men basketball team of Red Wing, Minn., and the Weber Stake academy team. A banquet will be served, the visiting players after the evening game by the local order of Red Men.

President Brigham Young and asked him if I left the company, if he would think any the worse of me. He told me that he had issued the theater for John T. Caine and H. B. Clawson, and to see them. I told him it was not a matter of business but of my feelings, and repeated the question. He told me it would not affect his feelings for me. I left, and I have loved John S. Lindsay ever since for taking my parts in these plays. We have played together since those early days a little, but not much. It was always a source of joy to me to meet his cheerful face. We never had a difficulty in our lives.

A NAME THAT WILL LIVE.
Mathonibah Thomas was the last speaker. He said the deceased followed the stage life for art and not for business, and when the history of the drama in Utah is written the names of Lindsay, Margetts and McKenzle will form an important part. Lindsay's life had been ideal and not commercial, and of these two kinds of lives that of the subject had been an ideal of the former class. The Imperial quartet then sang Dudley Buck's arrangement of "Lead Kindly Light," and the remains were carried to the city cemetery, where the ritual of the order of the Knights of Pythias was read. The pallbearers were J. N. Holmes, J. S. Torrence of Murray, William Kirkham, Phil Kippie, J. H. Horlick and N. W. Sonnedecker, all members of the K. of P. The remains were placed in the lobby of the theater, where they were viewed by friends. Many garlands followed the body to the grave.

DR. TALMAGE'S LECTURE.
Spoke at Barratt Hall His Subject Being "My Brother and I."
The University Sunday school convened as usual in Barratt hall yesterday at 12:30 p. m. During the general exercises Miss Margaret Summerhays favored the school with two solos, "Crossing the Bar" and "The Children's Friend," both selections being well rendered.

ATTEMPTED SUICIDE.
Ray Crosby Sought Death by the Gas Route.
An attempt at self-destruction was made late on Saturday night by Ray Crosby. He was rooming at the Gladstone block on East Temple street, and it was there that the man was discovered almost beyond human aid. Crosby had secured a rubber tube, and this he placed over the gas jet in his room. Placing the other end in his mouth, he awaited the coming of the grim reaper. Persons passing the door of the room of the dying man, detected the smell of escaping gas, and an investigation was immediately made by the landlord. Crosby was found snored in the throes of death, and Dr. A. C. Ewing was quickly summoned. The latter worked over his patient for more than an hour, using the most powerful remedies known to the fraternity. Later Crosby was taken to the L. D. S. hospital, where for a time it seemed that his case was hopeless. In fact, he has not yet regained consciousness, and his condition is a matter of deep concern.

ITALIAN BADLY HURT.
Struck by a Fruit Train on Saturday—Two Horses Killed.
An extra fruit train eastbound on the Salt Lake Route Saturday afternoon struck a couple of horses at Garfield, killing them instantly and seriously injuring an Italian who was riding one of the animals.
From the story told by an eyewitness the Italian was employed by one of the contracting firms at Garfield and was riding a horse without any bridle. The local train was standing on the siding waiting for the fruit train to pass when he rode down the track from behind the local, and was caught by the fruit special.

NATURE'S ESSENCE.

Extracted From Forest Plants.

Nature's laws are perfect if we obey them, but disease follows disobedience. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone root, queen's root, bloodroot and golden seal, make a scientific, non-alcoholic extract of them with just the right proportions and you have

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this vegetable extract and alternative of the greatest efficiency. Just the sort of spring remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of PUBLIC APPROVAL and has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter. Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERATIVE EXTRACT of roots, herbs and barks,

Without a Particle of Alcohol or Narcotics,

which purifies the blood and tones up the stomach and the entire system in Nature's own way. The "Golden Medical Discovery" is just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution our stomach is apt to be "out of kilter" after a long, hard winter; in consequence our blood is disordered for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. If you take this

Natural Blood Purifier and Tonic

you will assist your system in manufacturing each day a pint of rich, arterial blood, that is stimulating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue." Dr. Pierce's Golden Medical Discovery CURES all blood humors as well as being a tonic that makes one vigorous, strong and forceful. Dr. Pierce's Golden Medical Discovery

STANDS ALONE

as the one medicine for stomach, liver and blood disorders that has the ingredients printed upon the wrapper of every bottle leaving the great laboratory at Buffalo, N. Y., which CURES in nature's own way; not only in respect to its ingredients but also as the only spring tonic and reconstructive which absolutely contains NO ALCOHOL.
