Dr. FOOTE, Senior,

Of 120 Lexington Avenue, New York,

Hereby cautions the public NOT to Employ or Communicate With a man styling himself "Dr. Foot, Jr." without making due inquiry.

This man came to Salt Lake City representing himself as the son of Dr. E. B. FOOTE of New York, the well known specialist, as abundantly proved by affidavits. As rumors came into Salt Lake City from Dakota and Montana from an exposé made there, he changed his base and represented himself as the son of a more noted specialist in New York City than Dr. E. B. FOOTE, the well known author. Mr. JOHN F. TROW, of the well known Trow's Directory, in New York City (forty years in the directory business), Ex-Governor FRANK FULLER, of Utah, and the Hon. ABRAM WAKEMAN, for many years Postmaster in New York City, also Surveyor of the Port, gave their affidavits that there are no other doctors in New York by the name of FOOTE or FOOTE, excepting Dr. E. B. FOOTE, the the author of "Medical Common Sense," etc., and his two sons, Dr. E. B. FOOTE, JR., and Dr. HUBERT T. FOOTE. The genuine Dr. FOOTE, Jr., will hereafter always employ the initials, E. B., in designating his name. Heretofore he has been known not only at home but wherever his publications have been circulated, by the name of Dr. FOOTE, Jr. Greater care will be taken hereafter, in view of the fact that an unprincipled person has assumed to profit by his and his father's reputation.

Those desiring further and more *detailed information* in respect to this matter, will receive it by addressing **Box 414, Salt Lake City, Utah.**

Persons having information of advantage to plaintiffs will kindly communicate the same to J. W. Ivey, with Sutherland & McBride, Salt Lake City.

Those desiring to consult Dr. FOOTE professionally or to order remedies should address either

Dr. E. B. FOOTE, Sr., or Dr. E. B. FOOTE, Jr., 120 Lexington Ave., New York.

Mines—Marble Quarry—Deputy Marshals Doings.

OAKLEY, Oct. 8, 1885.

Editor Deseret News:

I really think we are going to have a Conference storm—the one we were looking and hoping for six months since, which, if it does come, will be hailed with "better late than never."

At every pause of the threshers can be heard glowing accounts of what discoveries Tom, Dick and Harry have made up the creek, or in Junction, or somewhere else not far away. Colors to the pan, and per cents. to the ton all show we have some rich mines, and will have some rich citizens ere long.

A MARBLE QUARRY

has been opened in the Little Basin, about four miles east of one part of Oakley, and the market is said to be the best known in America. Mr. Roberts, a marble cutter of Shoshone, has taken a few slabs to work up, and he is enthusiastic over its superior qualities. It is a beautiful, clear white stone, and capable of the finest kind of a polish. There is also some in the neighborhood with pink streaks running through it, though to what extent the formation may be is not known; that of the clear white is very large.

The coal mine is not yet developed, but there will be somebody go up there some of these days to look at it and hunt deer.

We have had a visit lately from an alleged U. S. Deputy Marshal, who rode in a buggy, and was after alleged polygamists or cohabitationists, and thought he had found one, who, however, didn't want to be found, so he ran for his horse that stood staked in the field at the back of the house, and while running was

SHOT AT

by the alleged deputy three times, but didn't get hit, nor did he stop, for he rode for fences and washouts any anything that might impede the progress of his pursuer in the buggy.

The family the man shot at were thoroughly alarmed, as may be judged, but I hear of no serious results following. In another case, however, a lady very nearly lost her life through alarm at the intelligence conveyed to her that her husband would be arrested if found. Her condition was very delicate and the shock nearly proved fatal, though help happened along at the right time, and she is now doing as well as can be expected.

The disturber of our peace was not interfered with by any of the outraged citizens, which is quite a strong argument of some sort in a wild country; but such things should not occur among peaceable people.

The alleged deputy is an old resident, who had many kindnesses shown to him in the past by the people he appears to have elected to persecute. There are but few men, under the same circumstance, who would do as he is doing. Yours respectfully,

SNOOKS.

"I see" said an opposing counsel to the late Emory A. Storrs, "you hate to meet the truth in this matter." "I never meet it," was the prompt reply; "the truth and I always travel in the same direction."

A paper presented before the French Academy of Sciences estimates that a man of 50 years of age has slept an aggregate of 6,000 days, worked the same length of time, eaten 2,000 days, walked 800 days, and has been ill 500 days.

It is estimated, taking the report of 1880 as a basis, that there are now 100,000 practicing physicians in the United States. It is also estimated that 75 per cent. of them carry and dispense, in whole or in part, their own remedies.

An old architect predicts that the Washington monument cannot stand longer than three quarters of a century. He thinks the great weight will crush the foundation, or the stone will crumble and the structure fall.

"Woman's rights!" exclaimed a Philadelphia man, when the subject was broached. "What more rights do they want? My wife is eternally bossing me, my daughters boss us both, and the servant girl bosses the whole family. It's time the men were allowed some rights."

Around the French communities in Canada runs a roaring chorus, parodied from Trelawney:

Shall Louis Riel die!
Then forty thousand

Will know the reason why.

Cholera failed to strike a single one of the 4,000 women employed in the National tobacco factory at Valencia, Spain, though the disease raged violently in that city, and the *Medical World* recalls that tobacco workers were also noticed to enjoy exemption from attack during an epidemic at Amsterdam.

The explorers of the Congo Valley are surprised by the crudity of life there. The natives have no domesticated beasts of any sort, nor do they raise or catch any animals to eat, as they know nothing of flesh as food. No semblance of clothing is worn, and diet is practically confined to spontaneous products of the soil. Letters from missionaries say, too, that the negroes there are so low in mentality that any hope of Christianizing them must be based on a long and patient course of intellectual training. They are too densely ignorant to comprehend the simplest statements of doctrine.

A QUESTION ABOUT

Brown's Iron Bitters

ANSWERED.

The question has probably been asked thousands of times "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe IRON. Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had ever been found.

BROWN'S IRON BITTERS does not injure headache, or produce constipation—all other iron medicines do. **BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments Iron is prescribed daily.**

BROWN'S IRON BITTERS, not cure in a minute. Like all other thorough medicines it acts slowly. When taken by any of the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In women the effect is usually more rapid and marked. The eyes begin at once to brighten, the skin clears up; healthy color comes to the cheeks, nervousness disappears; functional derangements become regular, and if a nursing mother, abundant nourishment is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. *Physicians and Druggists recommend it.*

The Genuine has Trade Mark and crossed red lines on wrapper. **TAKE NO OTHER.**

A QUESTION ABOUT

Brown's Iron Bitters

ANSWERED.

The question has probably been asked thousands of times "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe IRON. Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had ever been found.

BROWN'S IRON BITTERS does not injure headache, or produce constipation—all other iron medicines do. **BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments Iron is prescribed daily.**

BROWN'S IRON BITTERS, not cure in a minute. Like all other thorough medicines it acts slowly. When taken by any of the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In women the effect is usually more rapid and marked. The eyes begin at once to brighten, the skin clears up; healthy color comes to the cheeks, nervousness disappears; functional derangements become regular, and if a nursing mother, abundant nourishment is supplied for the child. Remember Brown's Iron Bitters is the ONLY iron medicine that is not injurious. *Physicians and Druggists recommend it.*

The Genuine has Trade Mark and crossed red lines on wrapper. **TAKE NO OTHER.**
