THEATRICAL.-This evening the grea romantic spectacle, "The Naiad Queen," will be presented, with new, gorgeous scenery, new appointments, etc., and Madame Scheller as the Naiad Queen. The Madame Scheller as the Naiad Queen. The run of this grand spectacle must necessarily be limited, as Madame Scheller's engagement closes with the present week and the farewell benefit next week. The spectacle will be given next Saturday afternoon at a Matinee for ladies and children. A more appropriate piece could not be selected to delight the rising generation. It will be a great treat for them. great treat for them. From what we hear, "The Naiad Queen" is the most brilliant spectacle, ever produced in Salt Lake City.

THE ROAD EAST,-From General H. B Clawson we learn that travel is pleasant and expeditious on the Union Pacific Railroad, from the East to Wasatch. There is very little freight east of that point, and the prospects are good for freight being brought along as it is ordered in eastern markets. There is but little snow at any point east of Bear River. The weather had been very cold at Bryan and in that region, but is now somewhat moderated. When the ascent towards Wasatch is reached there is considerably more snow and increased cold, as a matter of course. From Wasatch to Hardy's the road is passed in sleighs; from that point to the city the distance is made in a

DISAPPEARING .- A hot sun and a mild atmosphere, both somewhat unusual at this season, are making the snow rapidly disappear wherever it is exposed to the rays of the sun. We have had comparatively no winter thus far this season, which has been unusually favorable to the progress of the

"THE NAIAD QUEEN,"-This gorgeous spectacle will be presented to-night, with its numerous attractive features, for the first time in this Territory. Its naisds and demons, their divertissments, dances, groupings and marchings; its beautiful scenery and fine mechanical effects; its songs and chorusees; costumes and appointments; and plenty of exquisite music composed and arranged expressly for this piece by Professor Careless, make it one of the most attractive spectacles ever present ed on the boards of our Theatre. Professo Careless has worked hard on the music, and deserves special mention for his efforts to make the piece a success.
