makers of Organs at all the World's Great Exhibitions with ICT their various styles of Organs, from one stop to the [most VERD elaborate, and at each one of them they obtained the FIRST elaborate, and at each one of them they obtained the FIRST PRIZE and HIGHEST DISTINCTION OF DEMONSTRATED SU-Z PERIORITY over all of the Most Celebrated Makers of Organs in Europe and in America. The most eminent Musi-00 cians, Organists, Artists and Musical Critics in all countries have declared, in written communications, that these organs are unequalled by any others in the world. The organs are unequalled by any others in the world. The principal musicians in the Territory, recognizing these facts, have purchased the Mason & Hamlin Organs for their own use in preference to all others. There are makers, and they are in the great majority, who never presumed to com-pete with *first class* manufacturers at any of these exhibitions, some of whom now advertise that they "Never exhibited their instruments to compete for premiums" for the reason that "Awards are made the subject of the Grossest Mis-representation and are but a source of jealousy, corruption and factor of "These charges cannot supply to the Mason" 8
