PROMISING MEN FOR "U" FOOTBALL

Coach Maddock Confident of Lining Up Strong Material for Coming Gridiron Battles.

(By Capt. Tilly Olson.) This week brought out but few new prospects for early training at Logan. Coach Maddock and Capt. Tilly Olson spent Sunday at Olsen's home visiting Sam Olson, last year's tennis guard, who is still ill with typhoid fever. His condition, although improving, is still far from the best and ample hope exists that he will be able to join the team this year. His place on the line will probably be filled by Big Davis Olson, who played tackle on the Utah Aggies some years ago, and since then has had time to work in and about Moran and Spanish Fork. He is coming in and announces his intention of registering for law work at the University.

Sam Olson of Monticello is another promising line man and although new at the game is showing remarkable ability. Kerns at center and Shores at end, both of Salt Lake High school boys, though small, are going to make all other aspirants for these positions go some.

Love of Granite at number one is handling the ball well and Maddock's coaching should soon develop into a great field general.

Krato, the M. A. C. man, and Walker, first-year half-back, are giving "Count" Chisholm at full a merry chase each day at practice.

Cochs Maddock went yesterday to attend faculty meeting but returned in time for afternoon practice today, and in the evening details of the registration committee the rest of the week. He is still in hopes more old 17 men will show up the first week of school at which time actual hard work will begin and the music and piano rounded into shape for the early games.

The squad in coach's absence is left in charge of Capt. Olson.

AGGIES LINING UP STRONG GRIDIRON TEAM

Manager W. M. Murray has a card of 40 good events for the races at Ogden this afternoon and today's races marks the close of the first half of the meet. There will be no more races until after the state fair, when there are arrangements made for games. Arrangements have been made between the Ogden club and the Utah Jockey club so that their dates do not conflict.

Two days were spent at the races yesterday afternoon, it being ladies day. The last event of the day was the finish between Whistlers and Happy Chappy. When the latter flew up, Whistlers' right Happy Chappy could not pass him. Dale Brady brought home two purses in owner L. C. Williams' stable. There was another good race between Charles and Dora Paine the former winning by a very narrow margin. All the events were up to the standard.

POLICE PROTECTION FOR SPIKING-FIELDER COBB

Philadelphia, Sept. 16.—Benjamin F. Sibley, president of the Philadelphia club and Hugh Jennings, manager of the Detroit team, called on Henry C. Taft, head of the department of justice, before the game, today, and asked increased police protection during the series. Mr. Sibley showed the director a handful of letters concerning Cobb, the visiting pitcher, and Rich Fielder, Cobb's partner.

The director ordered 20 policemen sent to the grounds each day, and that a strong reserve force be held ready to stop the crowd in case of trouble. Ten sergeants and 25 deputies will be scattered through the crowd.

President Sibley told the director that he had decided to stop the sale of soft drinks during the series, in order that no empty bottles will be in the hands of spectators.

The Detroit team now has a lead of three games, but will play all but one of its remaining games away from home. All of Philadelphia's remaining games will be played at home. Each team has sixteen games to play. Of the nineteen contests between the two teams this season, Philadelphia has won twelve.

GRANITE HIGH WILL HAVE GOOD TEAM

The Granite High school will have another good football team in the field this year, and other high teams in the state had better look to their laurels. In the last year or two the Granite High and the new material in sight indicate that the team will be a powerful one. Letzow is back to school and will be seen on the gridiron. R. Sutherland is captain and L. Bagley is manager of the eleven.

The team will line up against the Salt Lake High, Ogden, Payson, Springville, All Hallows and American Park.

Philadelphia, Sept. 16.—Philadelphia today defeated Detroit, 2 to 1, before 25,000 persons in the first game of what is considered to be the crucial American football contest for the American league pennant. A hundred policemen were sent to the grounds to preserve order and to prevent disorderly conduct. Mr. Sibley, who had received threatening letters from Detroit, had been threatening letters from Detroit, who was not molested.

The game was pitched evenly between Plank and Summers, in which the latter did the better twirling. With Plank received perfect support, error by Detroit lost the game.

The president set in one of the upper sections of the double-decked stands and thoroughly enjoyed a brilliant game in which the two greatest players in the league—Mathewson of New York, and Bush of Chicago-faced each other, and in which New York won.

President Taft, who had just reached the park went down on the field and chatted with the members of both teams, greeting them to the reserved section in which he had an impromptu reception during which he met "Pop" Anderson, the famous old Chicago player. Harry O'Reilly, president of the National baseball commission, and Mr. A. Heywood, president of the National League, "Texas" O'Reilly, who rode horseback all the way to Ogden to present a formal invitation to the president to visit that city.

General Dickinson sat at the head of the table, and Frederick D. Grant just in front.

During the game Mr. Taft was (by one of his party) Mr. President, whom are you for?

Mr. Cincinnati declared the press for an anxious look at the second game, which showed a 3 to 2 to tie between Detroit and Pittsburgh. In the ninth inning, the score was 1 to 1, and the president, who had just reached the park, went up on the field and struck out for the second time. The game was over, and the president declared he was dumbfounded.

CONSTERNATION AMONG FIGHT FANS

Ketchel Bitterly Disappointed Over Calling Off Match—Says He'll Whip Jack Johnson.

New York, Sept. 17.—The abandonment of the fight between Stanley Ketchel and Sam Langford has created consternation among the many thousands of fight followers in New York state and the scores of clubs which have been producing well attended matches. It is now believed that if he so desires, Gov. Hughes is in a position to put an end to the sport entirely. The Fairmont Club, which had scheduled the Ketchel-Langford bout, is perfectly organized and as well while the legal limits as such an organization could wish it is feared that if such clubs cannot conduct a fight of any import the most bitterly disappointed man over the swooping of the fight is Stanley Ketchel himself. His said he was so angry at the abandonment and would fight for nothing. But his manager, Willis Britt, stated this, Ketchel and Langford will leave for the west in a day or two where Ketchel will start hard training for the fight with Jack Johnson.

I would have whipped Langford easily, he said, and when I am ready again I will be. I am willing to meet this negro at any terms, under any conditions, and will be ready to do so when Johnson is whipped. Johnson, so that with Johnson I would have cleaned up the entire circuit of negro fighters.
