DECIDES AGAINST THE COUNCILMEN

Supreme Court Finds in Favor of Skeen in the Cases Against Chambers and Craig.

NEW TRIAL FOR MR. CRAIG.

Solons Have Alternative of Resigning Or Being Removed From Office

Ogden, Aug. 3.—The case of Skeen against City Councilman Craig, which was decided in the district court against the plaintiff and in favor of Mr. Craig, and was appealed to the supreme court, will, according to its decision, just handed down, have to be tried over again, as the decision of the lower court has been reversed, and the same court's decision in the Chambers case sustained. Judge Howell stated last evening that as he had not yet received a report of the supreme court's decision, he could say but little in the premises, but presumed that it will become his duty to instruct the jury when the case is re-tried to bring in a verdict against the councilman, and remove him from office, unless he resigns before such a decision is necessary. If Mr. Craig is removed from the city council it will leave that body without a president again. The same result will also follow against the other three councilmen, whom it is alleged collected illegal fees from the city, and should that be true, four new councilmen will have to be appointed to fill their places if they resign or are removed by the court.

HELD FOR MURDER.

Crawford Must Stand Trial for Slaying Of Lockhart.

Ogden, August 3.—James H. Crawford, colored, will have to answer to the charge of murder in the first degree in the second district court, having been bound over to the higher court by Judge Murphy last evening, without bail, and he is now confined in the county jail, where he will be kept awaiting trial. His preliminary hearing lasted all day yesterday in the municipal court and while the evidence as a whole was about the same as given at the coroner's inquest, yet some details were brought out more fully by the attorneys. Crawford has employed Attys. J. C. Davis and Magnuson & Co. to defend him. He proposes making a hard fight for his liberty, although some damaging testimony is against him.

Frank Gray, a colored porter at Wright's barber shop, made a good witness for the state. His testimony was that last Friday evening he was in the barber shop at work when he heard loud talking on the shop steps, and looked out when he saw Crawford at the top of the steps pointing at Lockhart, and remarked, "Don't you go down those steps or I'll shoot you," to which Lockhart replied, "I will," and started for the door, when Crawford pointed the pistol at him, and Lockhart turned and grabbed the pistol with his left hand, but he was unable to get the gun away from Crawford, and while he still had hold of the gun it was discharged, and Lockhart fell to the stone steps, and was dead in a few moments. County Attorney Hulanski and District Attorney Halverson, who will prosecute the case in the district court, believe they will be able to secure a conviction.

Wilson, the man who was arrested with Sullivan, pleaded guilty last month to the charge and is now serving sentence at the penitentiary. John M. Larsen, a native of Denmark, was made a citizen of the United States.

COUNTY SALARIES INCREASE.

Webster Now a Second Class County—Officers Entitled to Higher Pay.

At the next meeting of the board of county commissioners to be held Aug. 8, it is expected that the matter of fixing the salary ordinance for the next two years will come up, as the law requires that the commissioners shall fix the salaries of all county officials 60 days before the election. A number of changes in wages will be reported, but the salary of the president of the county shall be increased. The heads of offices should get an increase from \$125 per month to \$150, and other officials in proportion.

DENIES CHARGE.

J. A. Hendrickson, a well known Logan business man, in conversation with

a "News" correspondent, states that the allegations set forth by the Utah Knitting works in the complaint filed in the second district court, are not true. He asserts that he did not put in any fixtures in the building formerly occupied by the Knitting company, but that it had received in the use of the fixtures already more than their cost, but notwithstanding these facts Mr. Hendrickson says the company wants him to pay \$500 for the fixtures, which he claims he put in on his own responsibility paying for them out of the company's money.

HELD FOR SERIOUS OFFENSE.

William McManus is confined in the county jail in default of \$500 bail required by Judge Murphy in the criminal charge brought against him by William Cate, guardian of a young girl named Eliza Taney, who, six months ago became a mother out of wedlock and McManus is charged with her downfall. He has a wife, it is claimed at Brigham City.

JAMES C. SNYDER DEAD.

Honored Pioneer Citizen Closes Useful Career at 87.

Special Correspondence.
Provo, Utah Co., Aug. 3.—James C. Snyder of the Fifth ward died Wednesday, at 11:30 o'clock, of cancer of the liver, at the home of his daughter, Mrs. G. L. Daley, on Rock Canyon bench, where he went about a week ago on a visit.

Mr. Snyder was born in Philadelphia Jan. 8, 1843, and became a member of the Mormon Church in 1853, coming to Utah in 1861. Since which time his home has been in Provo. He has been a most useful citizen, having extensively engaged in contracting and building in an early day, and in fact till his age made it impossible for him to attend to business, and he was connected with the erection of most of the large buildings in the city up to about 15 years ago. Mr. Snyder was an honest, kindly man who had probably not an enemy during his long and useful life, certainly if he had it was through no fault of his. He leaves a wife, four sons and one daughter, and 12 grandchildren. The funeral will be held on Monday.

SPECIAL COUNCIL SESSION.

A special meeting of the city council will be held last evening, called by Mayor Frisby, to further consider the report by the committee on public grounds and city property, recommending that the city offer two sites to the government for a federal building, and which was adopted at a special meeting Monday evening. The reason for last night's meeting, as stated by Mayor Frisby in explanation of the call, was

that a question had been raised as to the legal right of the council to give a site to the government. After some discussion, the council adjourned without taking any action, it being pointed out by President Booth that in order to reconsider or rescind the action of the former meeting it was necessary to have a majority present at the meeting. The council adjourned at 10:30 p.m.

After the meeting, Mayor Frisby and Recorder Harding forwarded to Secretary Shaw a letter containing the offers of the two sites, as they were authorized to do at Monday's meeting. Other sites of which offers have been made are said to be on the university property, opposite the court house, the Martin corner in Academy avenue, and a site opposite Taylor Bros. company's store. The bids will be opened on the 5th.

VICIOUS ASSAULT.

Wednesday night, after the circus, Clarence and Val, aged 14 and 15, Mower of Hobble Creek, attended the dance in the Mozart pavilion. While there Clarence, the younger boy, who is about 19 years of age, was subjected to a claim to considerable annoyance by Edward Johnson, a Provo young man, but through the good advice of Val nothing worse than a scuffle developed. When the Mower boys were going away from the hall to go home, Clarence was struck a vicious blow on the chin, which broke his jaw and it was found necessary to call Dr. Aird to reduce the fracture, which is a very severe one. The young men were unable to get accommodations at the hotel and returned for the rest of the night at the home of W. E. Rydick, a friend of their father's. Clarence states

that the man who struck him was Edward Johnson, and a complaint has been entered in Justice Noon's court, charging Johnson with assault. Young Mower is at the Provo general hospital.
