

MR. JAMES WIGGS BEAT THE INDIANS.

He Had a Hard Fight with Pitcher
Hogg but Captured the
Game.

WAS PRETTY GOOD CONTEST.

And Therefore Those Who Went to the
Ball Park Yesterday Afternoon
Were Probably Surprised.

It was Mr. James Wiggs to the rescue again yesterday afternoon at Walker's pasture when the local ball nine crossed bats with the Spokane Indians. The game was a pitchers' battle. Wiggs and Hogg being the principals, and while they both put up a hard fight, James delivered the goods and is entitled to the prize. The 600 or so ball fans who journeyed down to the park were not disappointed but were probably agreeably surprised to witness a real baseball game and a good one at that. It was a lively scrimmage from start to finish but the home guards managed to capture the goods, the score being 5 to 1. It is not certain that the home team would have won had the visitors given Hogg anything like decent support. In that respect they fell down and fell hard. Hogg was hit eight times while Wiggs escaped with only five against him. The latter struck out 10 hands and the Spokane twirler went home quite better.

The local crowd started to get runs in the first inning. A single, a base on fielder's choice and an error led in two runs. A pass and hit by Wiggs and Flannery scored Shea in the second. In the seventh Flannery hit safely and Davis sacrificed sending the first named to third from which point he scored on Davis's error. A bad throw in the ninth allowed Donahue to score.

Two singles netted the visitors one run—all they got—in the second. The same teams will fight it out again this afternoon. The summary follows:

LEAGUE STILL LIVES.

Result of Meeting at Butte Pleasing to
Local Fans.

Butte, Aug. 27.—The magnates of what is known as the Pacific National league held a conference this evening, which was continued long into the night. The gentlemen attending the meeting were President Lucas, Managers Williams of Spokane, Reynolds of Salt Lake, Dugdale of Seattle and Lane of Butte. Jack Grim is also in the city and presented to the magnates a proposition from Ogden for next season.

The question of finishing the season was decided unanimously in favor of going ahead with the league until the first part of October. The date of closing has, however, not yet been settled upon. The chief difficulty arose over a satisfactory revision of the schedule, but this matter will, it is expected, be adjusted without serious difficulty.

There were several matters of importance to come before the magnates, and one of these was the remission of the \$100 fine placed on Manager Wilmot at the time of the Tacoma trouble. It is likely that the season will end the second week in October, and with games divided as equally as possible between the four towns remaining.

The new schedule proposed, but which has not been adopted yet, gives the major portion of the games to Spokane and Seattle. Under the proposal Spokane would get 24 games and Seattle 18. Butte would get 12 and Salt Lake six. J. M. Reynolds, manager of the Salt Lake team objected strongly to this arrangement. By playing the present season out the Pacific National league retains all of its players and its territory. Next season more money for the game than ever. The league will be continued with six clubs. These will doubtless be Butte, Spokane, Seattle, Salt Lake, Vancouver and Wenatchee. This has not been decided as yet, however.

Vancouver and Whatcom are anxious to get franchises in the league, and the directors of the league are not averse to the proposition.

After much discussion on the part of the magnates the following schedule was finally adopted for the remainder of the season, ending Oct. 4:

Sept. 29, 30, Oct. 1, 2, 3, 4, Salt Lake at Butte; Spokane at Seattle.
 Sept. 10, 11, 12, 13, 14, Salt Lake at Spokane; Butte at Seattle.
 Sept. 15, 16, 17, 18, 19, 20, Butte at Spokane; Salt Lake at Seattle.
 Sept. 22, 23, 24, 25, 26, 27, Seattle at Spokane.
 Sept. 23, 24, 25, 26, 27 (two games), Butte at Salt Lake.
 Sept. 29, 30, Oct. 1, 2, 3, 4, Butte at Salt Lake; Spokane at Seattle.

The last game between Spokane and Seattle scheduled at Seattle may be played at Spokane.

Doherty Beat Larned.

Newport, R. I., Aug. 27.—In the tennis match for the championship of the United States between H. L. Doherty, the English champion, and W. A. Larned, American, Doherty won the first set, 6-0; points, 30-15.

Doherty won the third set, 10-8, and the United States championship.

Doherty was steady as usual, making few mistakes. Larned's strongest hopes was in net play and in that position he showed great cleverness.

Larned seemed to have a little better of the conditions at the beginning of the third set and tried to force matters. He broke through on service in the very first game, but lost it in the second. After this the set developed into a battle worth seeing.

Doherty had a lead of 5-3 and was within a point of making it set and match when Larned, by placing splendidly, held his opponent. In the twelfth game the Englishman was again three times within a point of the match only to be fought back each time. The intense game went to Doherty every time, but Larned evened it until the eighteenth, when he proved unequal to the task.

Baseball Agreement Does Not Suit Magnates of Minor Leagues.

Buffalo, N. Y., Aug. 27.—The meeting of minor league presidents, which will consider the new baseball agreement submitted by the major league magnates, has been called for Sunday, Aug. 10, in New York. While the minor league representatives who attended the "peace conference" are averse to discussing their probable action at the New York meeting, it is known that the new National agreement is not looked upon with favor. A careful study of the document by the baseball leaders today convinced many of them that the status of the minor leagues under the new agreement would be less desirable than under existing conditions.

The New York meeting will be attended by representatives of the principal minor leagues of the country.

EVENTS AT DAYTON.

Cresceus Broke World's Trotting Record on Half Mile Track.

Dayton, O., Aug. 27.—A new world's trotting record of 2:08 1/4 for a half-mile track was made by George H. Ketcham's Cresceus this afternoon. Ketcham drove. Cresceus was paced by Mike the Tramp a runner, and by a steam automobile. The previous record for a trotted mile on a half-mile track was 2:09 1/4, and was made by Cresceus at Kansas City two years ago. Owing to the short turns in the track Cresceus broke 18 spokes on one of the sulky wheels in making the turns, and it was feared he had injured himself a bit. Whether the fears are well founded or not will develop in his exhibition tomorrow.

After Lipton Cup.

Chicago, Aug. 27.—In a twenty-knot breeze, La Rita, sailing under the colors of the Chicago Yacht club, today took the first of a series of three races being sailed on Lake Michigan for possession of the Sir Thomas Lipton cup. The course was twice over a triangle, two miles to each leg. Sprite, also a representative of the Chicago Yacht club, came in second, two minutes, 45 seconds after the La Rita had crossed the finish line. Hoosier came in third, Little Shamrock fourth, Pilot fifth and Outlaw sixth. The second race will be sailed tomorrow.

BIG PROGRAM OF REPUBLICAN SPORTS

Thousands Through the Salt Palace
and Participate in Games
And Races.

NEARLY 6,000 WERE PRESENT.

The Bicycle Races Were Among the
Best of the Season—Fisher Runs
Against Some Hard Luck.

Bicycle races, foot races, tug-of-war and waiting contests were the chief sports at the Salt Palace last evening on the occasion of the outing of the Republican clubs. That the outing was a huge success from every viewpoint there can be no doubt. It is estimated that close to 6,000 persons crowded into the grounds to witness the athletic contests and the bike races, and every individual apparently enjoyed a rousing good time. The bike races were well attended and every event was run off smoothly.

There was a tug-of-war between the city and county and the latter carried off the honors and the beer. A great deal of fun was created by the chase after the greased pig. Reddy Robinson was determined to have the animal and after putting up a long and lively chase, during which the pig emitted piercing shrieks for help, Robinson got a strange hold on the slippery animal and held it. He at once disposed of it for a \$5 goldpiece.

There was a close contest in the prize waiting match and the judges had troubles in plenty in deciding who was entitled to the prizes. The contest finally narrowed down to a few couples out of which James Leatham and Miss May Dunbar were selected as winners of the first prize, while J. C. Buckbee and Miss Bertha Hillstead were given the second prize.

In the various races, the entries and winners of events were as follows:

100-yard dash—Henry Earles, first prize; N. C. Hopper, second.
 50-yard dash for fat men, J. G. Williams, first prize; E. C. Johnson, second.

Three-legged race—Benore Grant and Will Bird, first prize; Fred Slade and Ross Sorenson, second.
 Sack race—Wayne Crissman, first; Frank Meyer, second.
 Potato race—Albert Isom, first; George H. Robertson, second.

Girls' race—Myrtle Kealey, first; Edna Hill, second.
 The bike races attracted a large crowd and they witnessed one of the best meets of the season. The main event was the five-mile motor-paced race between Downing, Hopper and Fisher. The former won the event almost as he pleased. Hopper could not get the pace he demanded and after going two miles dropped out. Fisher got second money. Fisher met with considerable bad luck. He went for three miles all right, and was leading Downing when his tire punctured and he had to stop.

The Australian pursuit race, amateur—Blum, Limberg, C. Redman, Ellsworth. Distance, three miles, four laps. Time—1:57.25.
 Five mile motor-paced match race between Downing, Fisher and Hopper—Won by Downing. Time—3:23 1/4.

The \$15,000 Massachusetts stake. Swift won the opening heat handsily by a length from the favorite and looked likely to take the second heat till near the three-quarter pole, when he fell back. Scott Hudson made a stiff bid for the heat with Hawthorne, but Billy Buck managed to land at the wire first by a narrow margin. In the stretch in the third heat the race mare looked very dangerous, but at the distance she went to a bad break, Buck winning by a length over Casaban. Andrews tried Swift once more in the fourth heat. Billy Buck raced past him. Swift being a half length back when the wire was reached.

Dan Patch paced each of the first three-quarters of his mile in exactly 294 seconds and the final one in 294 seconds, making the mile in 2:00 1/4.
