HALL'S REDUCTION SCHEME.

County Commissioners Vote Down a Resolution Lowering County Officials' Salaries.

Resolved at Deseret, August 2nd, 1898. Any amount of money to be raised for the purpose of lowering the salaries of county officials.

Yesterday afternoon's meeting of the county commissioners, which was held at the county office, was one of the most interesting of the year. The subject of the day was the proposed reduction of the salaries of county officials.

The proposition was introduced by Mr. J. H. Hall, and was supported by a number of the commissioners. The proposition was to reduce the salaries of county officials by 10 per cent.

The proposition was opposed by a number of the commissioners, who argued that the salaries of county officials were already low, and that a further reduction would be detrimental to the county.

The proposition was finally voted down by a majority of the commissioners. The vote was 10 to 5 in favor of the proposition, and 5 to 10 in opposition.
