Birthday Surprise. - A happy sufprise party was given last evening to Sister Ann Brimley, the worthy partner of our esteemed friend and brother, Bishop Richard Brimley of the 5th Ward. The occasion was her 60th anniversary, and about 25 of her friends, mostly members of the Relief Society, met to do her honor. A very pleasant evening was passed in social conversation, varied by an excellent supper about 8,30 p.m., and the company dispersed about midnight.

How It Occurred .- According to in order to take in this latter line. the Park City Mining Record, the The route now chosen after leaving death of Nymphus H. Murdock, of Heber City, mentioned by the News everal evenings 'ago, took! place as

"On Tuesday last, while N. Murdock, in company with several others, was trying to break a jam in the logs that were being floated down the Provo, he missed his footing and fell into the jam. He at once struck out down the river to escape, and had just succeeded in catching hold of some willows and was drawing himself up out of the water, when a large log struck him in the back, nearly crushing him and causing instant death."
