FLOATING FRAGMENTS.

The High Council will meet at 7 o'clock p. m. to morrow, at the Social Hall.

Two hundred Knights Templar will visit 7 20-8 this evening at the Opera House.

Hon. John W. Young has returned from the East. He is in his usual excellent health.

Brother E. Stevens' First Class will meet on Sunday afternoon at the 18th Ward Assembly Room, at 4 o'clock, to practice for the ensuing S. S. Union meeting.

To-day a rough-looking tramp stood by the gate of the Temple Block begging for money from the visiting strangers. The boys on the Block drove him away. He ought to have been arrested.

Tuesday Apostle Erastus Snow returned from a trip to Bear Lake Valley and other points. We are pleased to be able to note that he is in very fair health, which has greatly improved of late.

This afternoon Mr. N. Haight, traveling agent of the U. P. R. R., looked into our office, he was accompanied by his wife; also Mr. J. C. Child, of Knoxville, Tenn., and others.

Emigrants now travel over the Union Pacific Railway, on the same time as first class passengers. The emigrant cars are attached to the usual express trains. They do not carry any passengers whatever on the freight trains.

This morning we received a call from Mr. William Lindsey, carpenter and builder of Middletown, Orange County, New York, who has come out west principally to visit Brother Mark Lindsey, his brother, whom he has only seen once in nearly forty years.

The committee having in hand the Tenth Ward Brass Band excursion to Nephi have completed all arrangements. The excursion will leave on Wednesday Sept. 5th, and return on the 7th. The fare will be $3 00 to Nephi and return, and the tickets good for ten days by paying half regular fare extra. Go and see your Southern friends, and give the band boys a good send off. See advt.

LOCAL AND OTHER MATTERS.

Called.—This morning we received a call from H. W. Snyder, Esq., of the Chicago *Inter-Ocean*. Mr. Snyder is a nephew of the late Governor Schaffer. At the same time Mr. N. J. Powers, Mr. C. L. Sackett, and Mr. John Costello, all of Illinois, and of the Knights Templar party, favored us with a visit.

Engagement Extended. — Mr. Daly and his company have been induced by Mr. McKenzie to extend their engagement over Saturday, when Mr. Daly will present his military comedy "The Passing Regiment" at the Matinee, and the funniest of all comedies "Needles and Pins" for the final performance on Saturday evening.

Business Failure.—B. F. Grant & Co., of Milford, Beaver County, have assigned to W. G. Taylor, for the benefit of their creditors. Preferred creditors about $16,000; total liabilities about $30,000; assets about $35,000. The cause of the assignment is depression in business and failure to collect outstanding accounts.

A Small Fire.—We learn from C. B. H., that on Tuesday the corral, haystacks, and part of a stack of wheat, the property of Hyrum Wright, of Pleasant Grove, were totally destroyed by fire; loss about $200; cause, matches, in the hands of small children. The neighbors, with a commendable feeling of good fellowship, will help Brother Wright replace his loss.

Weber and Morgan. — A trip through Weber and Morgan Counties shows a very satisfactory condition of affairs among the farmer residents of those vicinities. The small grain crops have mostly been cut and garnered, the yield being generally prolific. The second crop of lucern is ready for cutting. Corn, potatoes and other field vegetables are thriving. Everything betokens peace, plenty and contentment.

More Reckless Shooting. — Yesterday some criminally reckless fellow who was hunting at River Side, a short distance south of the city, fired his fowling piece in the direction of two small boys. Some of the shot entered the hat of one of the boys, coming within very little of perforating his head and ending his life. The careless handling of fire arms by heedless and inexperienced persons is much too common, and the making of a few examples by the punishment of the guilty parties would probably have a salutary effect.

A Former Acquaintance.—With the Augustus Daly Company, now performing at the Walker Opera House, is a former and highly esteemed favorite with the Salt Lake public—Mrs. Selden Irwin. This accomplished lady, accompanied by her husband, performed a highly successful engagement at the Salt Lake Theatre seventeen years ago and made a very favorable impression. During her stay in the city Mrs. Irwin will be the guest of Manager Clawson, of the Salt Lake Theatre, at whose residence she will probably be visited by many of her old-time acquaintances.

Pocket Picking.—Yesterday Mr W. M. Walker, ons of the Knights Templar from Missouri, had his pocket picked on the bathing train. It was supposed to have been taken at the time of the departure for this city, when the people were crowding into the cars, as the gentleman remembered that one man in front pressed close against him and another behind. It contained $185 cash, a check for $200 and other valuable papers. The pocket book was subsequently found on one of the seats of a car, by a resident of the Sixteenth Ward, with contents complete with the exception of the cash. It was handed over to the owner.

A Large Gathering.—Eight commanderies of the Knights Templar have arrived in this city since last evening. They consist of the Mary of Pennsylvania, Askelon of St. Louis, St. Bernard of Chicago, Raper of Indianapolis, and deputations from Missouri, Texas, Louisiana and Tennessee. On the Union Pacific they traveled in six sections, or trains, comprising twenty-five Pullman sleepers, beside baggage cars, etc.

During their brief stay until Friday and Saturday mornings, they will visit points of interest, besides going to the lake. The cars they occupy are taken right through to the Bay. The grand conclave meeting there on the 20th inst. will be a fine spectacle, and San Franciscans are making every effort to render it a success. The hotel accommodations of that city, will be taxed to the utmost in providing for so large a gathering of men from all parts of the United States, besides some from the Sandwich Islands and elsewhere.

Suspected Tramp. — Yesterday while Mr. David Emery and family of the Nineteenth Ward were enjoying themselves with the Black Rock excursion party, burglars had a good time getting into their house, rummaging for valuables and carrying off what they could get. The booty consisted of something over $21 cash, a gold ring, silver chain and other articles. This morning the police made a raid on an encampment of tramps near the White Bridge, on the western border of the city. They were making themselves comfortable, cooking victuals and disposing of them, when the officers broke in, and marched them, eight in number, to the city jail. Some of Mr. Emery's neighbors identify two of them as parties who were prowling in the vicinity of his premises a bout the probable time when the burglary was perpetrated.

Under False Colors.—This morning Brother A. W. Winberg showed us a pamphlet or rather periodical, published at Chicago, in the Danish language. It is headed "Scandinavian Star; organ for the Latter-day Saints." It is understood to be published by parties belonging to the Lutheran Church, and, whoever they be, are sailing under false colors. There is no such authorized organ of the Latter-day Saints except that published under the same title in Scandinavia, by the Elders of the Church. We do not know why such a subterfuge should be resorted to, except it is to injure the cause in which the Latter-day Saints are engaged in an underhanded and disreputable manner, of which religious professors and all honorable men should be ashamed.

A Bear Adventure.—On Saturday last, Messrs. David Evans and B. F. Riter, with their wives, were in Logan Canyon having an "out." The gentlemen had just left the carriage, and thrown their hooks in the stream, with a view to beguiling some trout, when the ladies at the carriage began to scream, "A bear! a bear!" At this note of alarm, "Dave" dropped his fishing rod, and ran with all speed to the carriage in which reposed a rifle. Coming down the opposite side of the canyon, in plain sight, was a large black bear. "Dave" took deliberate aim, and for the first time in eight years, fired a rifle. The bear's head was towards him, and the shot broke bruin's shoulder. "Dave" fired again, and thinks the second shot took effect in bruin's bread basket. With one foreleg entirely useless, the bear make its way into a patch of dense brush immediately after the second shot.—*Utah Journal.*

The Black Rock Excursion. — The 16th Ward Sunday School Excursion yesterday to Black Rock was a pleasant affair. It took fourteen cars to convey the party to the lake. The time was spent in bathing, steamboating, playing base ball, dancing and listening to the excellent music of the 16th Ward Brass Band. Everything passed off pleasantly, with one exception, the fresh water gave out about the middle of the day. We do not know who is to blame, but steps should be taken to prevent such an incident occurring again. To have several hundred little folks running around on a hot day, like yesterday was, thirsting for water is hardly the right thing.

7 20 8.—Daly's Comedy Company drew an immense audience last night at the Opera House. "7-20 8" is an amusing eccentricity, without much plot, but full of incidents which give opportunity for the exhibition of the talents of this admirable company. Every character is a portrait and is executed with a fidelity to nature that is very pleasing, while the fun is kept up from beginning to end. The dialogue is smart and witty, and practice has led to perfection in the presentation of the play. It will be repeated to-night. To-morrow night "The Passing Regiment" will be placed on the boards.

Alleged Large Copper Deposit.—A Marysville correspondent sends the following:

"Considerable excitement has been created in this vicinity by the discovery of an immense body of copper ore situated in Sevier County and a short distance only from the river. It is over 100 feet in width, so far as uncovered, but its limits have not yet been reached. It gives assays from 15 to 45 per cent. and is known as the Giles Copper mine. A new district has been formed and is known as the Henry District. A fine opportunity is now open to men of means to get hold of this property, as it will in all probability prove a boss bonanza."

Failing.—We learn that Gen. C. C. Rich has failed considerably of late. Within the last week or two his speech has been lost entirely, being unable to articulate a word. His appetite, which had been remarkably good almost during the whole time of his protracted illness, has also greatly diminished of late. He retains consciousness of his surroundings, however, and comprehends conversation that is going on in his presence.

CANVASSING BOARD APPOINTED.

RELATING TO THE RETURNS OF THE LATE ELECTION.

Order of the Commission, adopted Tuesday, August 14, 1883:

In pursuance of the provisions of Section 9 of An Act entitled "An Act to Amend Section 5,352 of the Revised Statutes of the United States in reference to bigamy and for other purposes," the following named persons, viz: Arthur L. Thomas, chairman; O. J. Hollister, H. V. O. Margary, W. W. Riter and James Dunn, are hereby appointed a Board to canvass the returns of the general election held in the Territory of Utah on the 6th day of August, 1883. Said Board will convene at the rooms of the Utah Commission at the Walker Opera House in Salt Lake City, Utah, on Tuesday, August 21st, at ten a. m., when the election returns will be opened in the presence of this Commission and said Board will proceed to ascertain the number of votes cast for each person, and they, or a majority of them, will determine all questions coming before them, including the awarding of certificates of election, and shall certify the result of the canvass to this Commission, and the same shall be entered of record, and Arthur L. Thomas the Secretary of the Territory and ex-officio Secretary of this Commission, is hereby appointed and authorized to issue certificates of election to each of said persons so ascertained to have been elected

2. The Commission will fill by appointment all vacancies in said Board of canvassers that may occur by failure to accept, or from other cause.

3. The canvass of the returns for members of the Legislative Assembly will be made by this Commission, which will issue certificates of election to those persons who, being eligible for such offices, shall appear to have been lawfully elected.

Re-elected.—The annual meeting of the stockholders of the Twentieth Ward Co operative Store was held last night. The report showed the concern to be in a prosperous condition. The old board of directors were re-elected for the ensuing year.

Yesterday's Issue.— We have received yesterday's number of the *Woman's Exponent*, which is filled with the usual amount of entertaining and instructive reading. Among the freshest features of this issue is another communication from Miss Louie Wells, written after a visit to Kilttand and its surroundings. Get the *Exponent* and read it.

The Raper Commandery.—This morning we received a call from Mr. J. H. Martin, of Indianapolis, who is in charge of the Raper Commandery Knights Templar excursion party. This Commandery carried off the prize at the drill competition three years ago, and expect to bring back the banner for the same accomplishment from San Francisco.

A Household Convenience.—This morning Mr. J. A. Griswold called and exhibited his patent lamp filler, one of the most ingenious mechanical contrivances we have ever seen. It is in one, two and five gallon cans, and ensures perfect safety in the handling of coal oil, together with facilities for filling or emptying lamps without the necessity of spilling a drop in the operation. Mr. Griswold purposes disposing of the right to handle the article in this and neighboring Territories. It has sold immensely in other places where it has been introduced. An advertisement appears in another column.

Lyon and Healy's Band.—Our citizens in the central part of town were delighted, we might say charmed, to-day, by the harmonious strains of music from the band of Lyon & Healey, the noted musical instrument dealers of Chicago, well known to the music merchants of this city, having done considerable business with them. The band is composed almost entirely of employees of the establishment.

We had a pleasant call to-day from Mr. Charles R. Post, the business manager, and we acknowledge a serenade from the band, who skillfully performed several pieces in front of our office. The musical director, Mr. Frederick Austin, in rendering the solo part, took the surrounding crowd of listeners by storm to such an extent that when he concluded, there was an involuntary outburst of applause. Mr. Putnam is the drum major of the organization. The band accompany the Knights Templar from Chicago, they being with the party who travel in an express train of five Pullman and one dining car. They have, in addition to the brass band, a fair orchestral one and a choral organization, these facilities contributing largely to the pleasure of the trip.

Something of Interest.—Brother James H. Hart, who came down from Bear Lake yesterday, left for New York this morning, to resume active operations at that port as emigration agent for the Church. He will stop a few days on the way for the purpose of obtaining a likeness of the late Oliver Cowdery, one of the three witnesses of the Book of Mormon who saw the angel of the Lord, handled the plates and heard the voice of God bearing witness to the authenticity of the record. The object of obtaining the portrait is to have a likeness of Oliver Cowdery engraved from it for the *Contributor*. The likenesses of the other two witnesses, David Whitmer and Martin Harris, are now in the hands of the engraver. It is the intention of the editor of the *Contributor* to insert all three portraits in that magazine, in connection with a highly interesting biographical and historical sketch, which all the Saints will want to read, as well as possess the portraits of the three men who were so conspicuously connected with the most prominent phase of the inauguration and establishment of the genuine Church of Christ, revealed anew in this age.

Brother Hart will reach New York by the 20th inst., on which date the next company of emigrants will sail from Liverpool.

If you want good, durable, plain, twilled and dress flannels, call at the Provo mills agency, Old Constitution Building; also for white, gray, and mottled blankets, shawls, linsey sheeting, woolen yarns, socks and stockings, undershirts and overshirts, cheap tweeds, etc., etc., trunks, and other home-made goods.

The success of the John W. Lowell Wagon Co. in making sales of the J. I. Case Agitator Thresher has been most remarkable. Their traveling agent, Mr. E. A. Kesler leaves for Nephi to day, for the purpose of making a delivery of *Eleven of these famous Machines*, destined for Sanpete and Sevier Counties.

From all parts of Utah, Nevada, Idaho and Montana, orders are being daily received for the Agitator. Although the sales for 1883 were unprecedentedly large, the sales for 1884 *thus far* show an increase of over thirty per cent, and from present indications an increased sale of fifty per cent. can be looked for ere the season closes. No other thresher ever introduced in the Territories has attained such a wonderful popularity as the J. I. Case Agitator.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. F. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:

"76 E. 86th St., New York, May 16, 1883.

MESSRS. J. C. AYER & CO.—Gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SARSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping their publication may do good.

Yours respectfully, Z. F. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla

cleanses, purifies, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

Read What the Farmers of Utah Say of the

Osborne No. 11 Twine Binder

SANDY, Utah, July 31st, 1883.

Messrs. D. M. Osborne & Co.,

Gentlemen:—Last year I bought a Marsh-Whitney Low Down Binder and fooled away the entire season trying to harvest my crop. This year the agent gave me their Improved Binder, but like the first, it was a failure and I, together with all my neighboring farmers have become disgusted with the kind of work it does.

Knowing that the Osborne No. 11 Twine Binder was running all around me and doing good work, I went to town yesterday and purchased one. To-day it was set in motion and after thoroughly testing it in short and tall grain alike, I feel like recommending the Osborne to the farmers of Utah, as a machine that will give entire satisfaction.

J. HARDCASTLE.

Mr. Hardcastle is my neighbor, and after witnessing the working of both Binders above referred to, I heartily endorse all he has said.

JAMES C. BROWN.

WALES, Utah, August 1st, 1883.

We, the undersigned, farmers of Sanpete County, this day witnessed the cutting and binding of an Osborne No. 11 Twine Binder, and hereby certify that it did excellent work—the best we ever saw.

We would confidently recommend it to any farmer wishing a Binder and say, buy no other.

D. M. Osborne & Co., Salt Lake City,

Gentlemen:—My No. 11 Osborne Twine Binder was started to-day, and it gives me pleasure to state that it works to my entire satisfaction. Consider it the best Binder in market. Yours truly

WM. C. CLARK.

KAY'S CREEK, Utah, July 7th, 1883.

We, the undersigned, farmers of Kaysville, Davis County, Utah, present at an exhibition of the Osborne No. 11 Twine Binder, on the farm of Thomas Sandall, jr., Esq., of this place, do hereby certify that the machine exceeded our expectations in every respect, binding a good sized bundle, trim and tight; we consider it a grain and labor-saving machine, in short it works to perfection and we recommend it to our farmer friends. D. M. Osborne & Co., Salt Lake City,

Gentlemen:—My Osborne No. 11 was started to-day, and I wish to say that I can heartily recommend it to my farmer friends. It is light draft, easily managed, and its binding is perfectly tight and uniform

Yours truly, O. H. WARNER.

NEPHI, Utah, July 18th, 1883.

D. M. Osborne & Co., Salt Lake City,

Gents:—To-day my Binder was started, and its perfect work pleases us very much. We consider the Osborne the only machine that is a perfect success in all conditions of grain. We can recommend it as the "Boss" Binder. Yours truly,

JOHN HIENKE, HIRUM HIENKE
