SAVE YOUR HAIR | TO LEARN HOW TO DO IT READ AND HEED WHAT FOLLOWS.

SAVE YOUR HAIR.—The laws of Health and Longevity demand it, the customs of social life require it. The matter is of great importance in every way.

BEAUTIFY YOUR HAIR.—It is the surpassing crown of glory, and for the loss of it there is no compensation.

CULTIVATE YOUR HAIR.—For by no other means can it be saved and beautified.

LYON'S

KATHAIRON,

Discovered thirty-five years ago by Prof. Lyon, of York, is the most perfect preparation in the world for preserving and beautifying the hair.

Besides being the best hair dressing ever produced, Lyon's Kathairon will positively prevent grayness, and will restore new hair to bald heads, if the roots and follicles are not destroyed.

It actually performs these seeming miracles, of which the following is

A FAIR SPECIMEN

I had been entirely bald for several years, constitutional, I suppose. I used a few bottles of Kathairon, and, to my great surprise, I have a thick growth of young hair.

COL. JOHN L. DORRANCE, U. S. A.

In every important respect the Kathairon is absolutely incomparable. It is unequaled:

1. To Cure Baldness.
2. To Restore Gray Hair.
3. To Remove Dandruff.
4. To Dress and Beautify the Hair.

BEAR IN MIND.—The Kathairon is no sticky paste of sulphur and sugar-of-lead, to paint and daub the hair and paralyze the brain. It is a pure and limpid vegetable lotion, intended to restore the hair by natural growth and reinvigoration. It is splendidly perfumed, and the most delightful toilet dressing known. No lady's or gentleman's toilet outfit is complete without Lyon's Kathairon.

Correspondence.

FRANKLIN, Idaho,
July 7th, 1879.

Editors Evening News:

I cannot but indulge in expressions of great joy at the improvement among our young men.

At this place a district Sunday school jubilee was held yesterday, preparatory to the county jubilee in September. Elder Ormsby, of Logan, was here, watching the able training Brother Knowles was giving to the assembled choirs.

Great care and due regard to the administration of the Sacrament to the schools by young men was noteworthy; the words were fully pronounced, and the two who administered it knelt, as required in the Book of Doctrine and Covenants.

After a long time, much patience and cost, the large and commodious meeting house is finished and made comfortable and clean. Soon seats will be added, then Bishop Hatch will feel glad that God and his people in Franklin have a place of worship. The element of society here is Mormonic; for as the railroad runs to the north the transients go thither.

I enjoyed myself greatly yesterday. I have great joy in the labor of love, in the defence and propagation of the gospel of peace.

Next place, Eagle Rock, Limhi for a while, then, if possible, Challis, or wherever God opens my way.

Good Report from North Carolina—Obituary, Etc.

TOMS CREEK, Surry Co.,
N. C., June 27th, 1879.

Editors Deseret News:

Since my last communication, Bro. A. Spence and myself have been by no means idle, the consequence of which is, that some good is being done among the people. Our labors have, thus far, resulted in the baptism of five honest souls, all adults, and the prospect is good for a further increase in the near future. Much interest is being taken, as is shown by the way the people turn out to our meetings. The Lord enables us to simplify and explain the principles of the gospel in such a comprehensive manner that we are surprised at ourselves. And the people often express themselves as thoroughly convinced of their truth, but, as I said in a former letter, are slow to obey. That portion, however which do not altogether reject us, will, some day we believe, receive our principles with joy.

Last Thursday the 25th we were called upon to attend the funeral of Sister Mary P. Tayler, beloved wife of Mr. Magor Tayler, who departed this life on Tuesday, June 24, 1879, aged 62 years and 2 months less six days. She was baptized about 33½ years since by Jedediah M. Grant and remained faithful up to death. She leaves a husband and five children to mourn her departure as also many friends, and was very much respected. The funeral was attended by a large concourse of people. Being called upon to conduct the services, we had the privilege of bearing a faithful testimony to the restoration of the gospel in these the last days. The people were kind and attentive, and showed a commendable sympathetic spirit, everything possible being done to lighten the grief that this sad event involved the family in.

Our labors have resulted in allaying much prejudice that formerly existed against us as a people. Notwithstanding this there is still a great deal of oppposition, though not openly manifested, which poisons the minds of a great many, more especially among what is called the better class. We thank God that we have been able to do some good, and desire to continue faithful to the end.

The weather is very warm, but rains are frequent. Wheat is mostly harvested.

JONAS N. BECK,
ALEXANDER SPENCE.

INDEPENDENCE DAY IN THE COUNTRY.

SPRINGVILLE.

The celebration of the glorious Fourth yesterday in this city was one long to be remembered. At early dawn the citizens were aroused by the sweet strains of music of the brass band, and the firing of cannon together with a national salute, and the display of a flag on the liberty pole at sunrise. The people assembled at the meeting house on the ringing of the bell and the firing of cannon. The meeting was called to order by the marshal of the day. Prayer by the chaplain, singing by the choir, music by the brass band, reading of Declaration of Independence, music by the string band, oration by orator of the day, C. D. Evans, Esq., music by the brass band, address, music by string band, song, Star Spangled Banner, music by the brass band, recitation of an original poem by Wm. Clegg, music by string band, song, music by brass band, reading of toasts, sentiments, &c., by marshal of the day. By invitation some pertinent remarks were offered by Dr. Wm. G. Young, who incidentally was present. Concluding remarks by Bp. Wm. Bringhurst, and the meeting closed with singing and prayer by the chaplain. The good order and strict attention of the audience gave evidence of the interest felt by all on the occasion, and that the glorious sentiment, "We, of right are, and ought to be free," was appreciated by all present.

In the afternoon, as per programme, the festivities of the day were concluded by base ball playing and foot racing on the public square.

J. M. PRICE,
Reporter.

NEPHI.

At daybreak a salute of 13 guns was fired by the artillery, in honor of the 13 colonies, also as a signal for the assembling of the brass band. At sunrise there was a salute of three guns as a signal for the hoisting of the national colors on the liberty pole and public buildings. At 8.30 a.m., a salute of three guns called the officers and citizens together at the Social Hall, where a procession was formed by the marshal of the day. At 10 o'clock a.m., meeting was called to order by the marshal of the day. Singing by the Tabernacle choir. Prayer by the chaplain. The "Star Spangled Banner" was sung by Mrs. B. A. Andrews; reading of the Declaration of Independence; an oration by Charles Sperry, Esq.; "Hail Columbia" by the brass band; after which there was also singing by several ladies and the Sunday School choir. A speech was made by President Geo. Teasdale, after which toasts and sentiments were read. Then there was singing by the choir and the assembly was dismissed by the chaplain.

At 2.30 p.m. the Sunday-school children were called to the Tabernacle to receive tickets for the party, which took place at 2.30 p.m. in the Social and Union Halls.

In the evening there was a dance for the adults, which passed off with a good feeling, and all enjoyed themselves.

SILAS L. JACKSON,
Reporter.

MALAD CITY.

The following exercises were the order of the day: Hoisting the Stars and Stripes at daybreak; firing cannons, music by the brass band, etc. At 10 o'clock the people met under a large and splendid bowery built by the young men, when the usual exercises were in order, such as singing by the choir, prayer by the chaplain, singing, reading the declaration of Independence, song—"Star-spangled Banner," oration by R. G. Evans, a variety of songs and short speeches, closing with prayer by the chaplain. At 2 p.m. the little ones had a party, and at 8 p.m. there was a dance for the adults. There were no rows or drunken persons.

The health of the people at present is good. Considerable damage has been done to our crops by the grasshoppers. Our Sunday School is in a prosperous condition, under the management of Brothers Edward Roberts and James P. Harrison. Our Sunday meetings are well attended considering the time of the year—irrigating, etc. Our irrigating waters are well managed this summer by Henry R. Evans, our county surveyor, who has been appointed general watermaster for the Marsh Creek waters, running to Malad Valley, and to the credit of Mr. Evans, I must say, that under his wise management, we have had, so far this summer, in the water department, peace, harmony and good feeling.

The co-op store is doing well, the president, Mr. Jenkin Jones, and the board of directors are, in my judgment, "The right men in the right place." In fact everything in Malad City at present is "all right."

CYMRO.

One Week in Wall Street.

October 7th, 1878, Western Union Telegraph stock sold at the New York Stock Exchange for 96¼ per share; October 14th, 1878, it sold at 88¼, a fluctuation of 9¼ per cent. in seven days; 12,500 shares sold on a margin of 1 per cent. required an actual capital of $12,500. The same stock delivered at 88¼ gave a profit of 9¼ per cent. on the stock of $937.50 per 100 shares. On the whole 12,500 the actual profit was $117,187.50, or 9¼ times the capital used, in one week. This is a single case taken from the official record of the Stock Exchange, and shows how money is made so rapidly in stocks. Few people, however, have the necessary cash to put up in order to realize such immense profits as these, but capital in any amount from $10 to $50,000 can be used with equal success by the new combination system of operating in stocks which Messrs. Lawrence & Co., bankers, New York, have established. By this method of pooling thousands of orders in various sums and operating them as one immense capital, shareholders realize large profits, which are divided *pro rata* monthly. New circular contains two unerring rules for success, and full information, so that any one can operate profitably. Stocks and bonds wanted. Government bonds supplied.
