theory of divine silence and devoted to the dead letter of bygone revelations.

To this repudiation of modern revelation and inspiration, has been due the refusal of most religious people, aud particularly of their ministers, to investigate the claims and principles of "Mermonism." It was founded on alleged modern revelation, therefore its falsity was a foregone conclusion. It could not possibly be true, because

orthodoxy remained committed to the

communications from heaven closed on Patmos, and prophets, apostles, miracles, gifts, direct inspiration and all the manifestatioas of divine power, common in olden times were "done away." They have therefore remained in ignorance of that which they have

been ever ready to denonnce. But the leaven of truth has been at work. Of late years bold preachers aud independent thinkers have advanced ideas in harmony with many

"Mormon" dectrines, and among them the doctrine of a revealing Deity as approachable today as of old, and as ready to manifest divine truth now as in the times of Moses and of Jesus; and that inspiration flows outside of

the one channel of theology and into other vessels than those called "Christian."

Joseph Smith and Brigham Young, and the Apostles and Elders of the Church of Jesus Christ of Latter-day people in all the sects and among all two Saints have testified to the world that the nations will be led to inquire of Jehovah is "the same yesterday, today and for ever;" and that He is as ready to reveal Himself to mortals now as at any previous period; that the lack of faith is what causes the lack of revelation; that God has for ever. inspired other men and women than

the Hebrew seers and prophets and prophetesses; that He is the revealer of all the developments of science and

It is a dull week which brings no of all things which men claim to "innotice from the press of the country vent" which are for the beaefit of on the "Mormon" question. Then comes the battle

AN OLD STORY REVIVED.

Louisville makes a little noise because she had 91 arrests for DISORDERLY CONDUCT

one Sunday recently. Why, if all the disorderlies of our city were arrested, we should utilize the churches and schools for jails. Chicago would not waste time with drunks and disorderlies. Socialists, anarchists, dynabut must be continually ringing the the game that a Chicago policeman yearns for. A policeman in this city would consider himself humiliated if Canada and Mexico. This is getting he had to prosecute a common drunk-

to be monotonous. Can't they give us ard. THE C. B. Q. CASE Australia, or Chili, or Brazil by way is now affording a good opportunity

for advertising purposes. That engineer strike has assumed a rather nihilistic aspect. The leaders of the brotherhood seem to be in a tight place, yet the belief is firm among the when they write about Utah. Manifest absurdities go the rounds in editorial columns, and the worst kind of rub-bish is given to the public with the utmost gravity, as though it was the

very profundity of wisdom and the es- antagonism between capital and labor sence of truth. Just when the proofs than has ever heretofore existed. Already the

"Gentiles" are working together to promote the material interests of the

criminal. Railroad property is handled without any regard to its utility or value. Cars are smashed, engines placently as if they were en-gaged in singing church hymns. And, in fact, the sense of duty and responsibility seems to be entirely de-parting from the average wage worker. Investigation among workingmen dev elopes the fact that the most unpopular worker among a crowd of men,

was treated to one of the lashioned ANTI-"MORMON" DOSES,

in the shape of a newspaper article about a Mrs. Elizabeth Turnbull Rut-ter. The name itself has something show no one hurt. jumped before the collision occurred. sensational about it; it smacks of a Dickens christening. The article went on to say in the old lurid style of the missionary hypocrite what the "Mor-

mons" did to Mrs. Rutter. Her husband was murdered, his body utilized herself excommunicated; all because she would not become a "Mormon." Well it was the most "cock and bull' up an elopement scandal. It is true, story that was ever published about she made the most of her little racket the "Mormons." The fabricator of the story must think that the American people are prepared to swallow any yers and detectives hired, the telegraph thing. Bill Nye would not publish the was kept busy, but after all, in the story as one of his exaggerated jokes. eyes of Chicago, this St. Louis matter was only the foolish escapade of a one-The Herald published the article,

omitting all reference to the police part of it. The Times and Tribune and Mail mentioned an Officer Gibbons as connected with the case. But it was evident that all the published reports emanated from the same pen. The matter was identically the same, except as Chicago has got lady barbers, lady called at the Central Station in the no objections to the continuance and burglars, and ladies who can and do City Hall on Sunday last. I showed the court granted a postponement for one week. Gibbons family attached to the Central

Station. He then examined the police records, but no account of Mrs. Rutter could he find. Both the Gibbonses were off that day. I got their address-es, resolved to visit them at their res-idences. I took down John Gibidences. I took down John Gib bons, 234 North Branch Street, Goose Island, and Sergeant Gibbons

245 Mohawk Street. The officer in charge treated me very courteously, and told me there were two more of the Gibbons family connected with the police; one was attached to the Larrabee Street Station and and another to the East Chicago Street Station. He the wound, and finally the reconciliafurther intimated that the story looked tion. Saloon art in Chicago is won lisby, inasmuch as the police part of it derfully chaste and classic. was so indefinite. I started on my pligrimage to Goose

Island. I found North Branch Street away up in the north part of the city, and constituting itself the main thoroughfare of Goose Island. This district is to Chicago what Ratcliff Highway is to East London, or what Baxter Street is to New York. But there is immense industry in this district. Massive elevaground for "Mormon" colonization, miters, boycotters and strikers are tors for grain towering to the skies, great piles of lumber, vast yards of

coal, docks, ships, tanneries, saloons, freight cars and so on. I walked the whole length of the branch, and in my tour met freland, Poland, Bohemia, and in fact every country in Europe. I found 334. I knocked, but no response

A matronly Hibernian living next door. kindly volunteered the information that Officer Gibbons and his family were gone to a picnic and would not be back until night.

I plodded my way by another route to Mohawk Sireet. Just as I got back over the bridge into Halsted, I noticed a policeman hotly pursuing three staiwart, rowdy-looking fellows. He had his gun in his hand, and was calling on the others to halt.

I JOINED HIM IN THE CHASE.

Two of the men stopped, the third dodged in front of some cars on Hal-CARELESSNESS AND NEGLECT of the average employe is becoming sted street and got away. celebrate on nearly the same spot where Salt Lake was declared "one of CHICAGO, July 21 .- A peculiar state the wonders of the world." Instead of affairs developed today when the of driving out by team or horseback as your forefathers did, the Utah & Nevada will run eight trains and land you at case of conspiracy against Chairman Hoge and Murphy, of the Burlington the Rock in forty minutes. Instead of finding a lonesome, desolate spot, you strikers was called up in court. Neither of the accused was present, and Frank Collier, attorney for the Bur-lington Company, and representing the prosecution, surprised everybody will find one of the most complete bathin hearing by the request that the case be continued. Lawyer Collier explained his reason for this strange action by saying: "Hoge and Murphy are now out of the city on an extensiv tour doing virtually the company' work." Counsel for the detense mad

Oil Excitement. PITTSBURG, July 21 .- There is great

excitement in this city over the revival of the Pit Hole oil field. Pit Hole has for nearly a quarter of a century been considered a "sucked orange" and the oil runs of 100,000 acres around the old town would not have brought \$100. Now the excitement is greater there than in any other field in this region, not excepting Bakerstown. Black Brothers have

been pushing the drill around Pleas antville so successfully that they bave been encouraged to test the old Pit Hole region, and the result is one of the most surprising things

of the oil region. In this old and long since abandoned territory, they now have seven wells which are good for 800 barrels per month. There is some difference of opinion regard-ing the sand, but it is probably a lower horizon than the rich sand of 1865 tha made Pit Hole the most famous city in he world and gave it a population o 5,000 to 20,000 in a few months. Great activity is reported in the field among

the rate of duty had been placed at \$42.99 on the hundred. This moderate oill, which has been met by a storm of denunciation and characterized as a free trade measure, was \$42 99 on the hundred free trade. What state had a five per cent. rate of taxation. In the majority of the States it did not exceed one dollar on the hundred.

ook up the bill in detail.

The taxation causing the surplus was constantly lowering prices and piling an enermous lead on labor. and increasing the binefi sof the privilaged classes. How leng would it be bi-fore stagnation would occur and bank

ruptcy and ruin flood together the land? The majority had attempted to bring before the House a bill to reduce this taxation and lessen the inflow of money into the treasury. The Mills bill passed 162 to 149.
