The beautiful home of President L. W. Shurtliff was the scene of splendor and delight last evening, when a grand reception was given the Ogden tabernacle choir by President Shurtliff, who is also president of the choir. One of the most important purposes of the gathering was that the presidency of the Stake might meet all the members of the new organization, and that all might become better acquainted and more united. The choir met at the tabernacle for practice, and after a short rehearsal, they adjourned, in a body, to their worthy president's residence, where they were most heartily welcomed by President Shurtliff and

his wife. The home was prettily decorated for the occasion. The walls and hallway were draped with the stars and stripes and potted plants and flowers lent their charm to the scene. The spacious dou-ble parlors were well filled with the invited guests who numbered about 150. After the entire party had gathered, a few graphophone selections were ren-dered and the guests were ushered into the reception hall where an address of welcome was given by President Shurt-Short addresses were also delly ered by Vice-President Charles J.
