Dad Clark administered the prescription yesterday afternoon at Walker's baseball park. The ginger was forthcoming in great shape and Mr. Hogg of Spokane, the star pitcher of the league, was touched up for it after having previously pitched for 17 consecutive victories for the Indians. During the process two three-baggers and four double sacks were laid out. Mr. Hogg took his medicine like a little Trojan.

Tozer did not escape, but he won the game with splendid support behind him. He was just as even as a doorman in the batter's box, but the manner in which he pitched was the feature of the game. He was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder.

Butte, who on Wednesday, allowed some errors, covered himself with glory. Some of the low ones he gobbled up during the game, but he transferred them to the pitcher, to first base, that he barely touched. The umpire said, "out," and the spectators arose and paid homage with applause.

Mr. Weed, too, took considerable ginger into his game. He was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder.

At one time it was thought that it was necessary to call an ambulance. Tozer hit three balls with pitched balls. Then Big Chief Kelly came in. He was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder.

Spokane also was heard from. Poor old "Big" Carney, however, did not fatten his batting average to any extent, but he was not only a good pitcher, but a good fielder. He was not only a good pitcher, but a good fielder.

Today is ladies' day and the hostilities were confined to the part of Salt Lake. It was a decidedly good game. The story of yesterday's lawn party is as follows:

Fans Conclude to Boycott Game on Account of Ward's Decisions.

The Boise fans continue to be deeply aggrieved at the weird decisions of Umpire Ward, so much so that reports from the Gam of the Mainland today indicate that a boycott against Riverside Park has been started and will continue as long as Mr. Ward holds the umpire's stick. Yesterday's game with Butte there were not left before the end, owing to the fact that the referee ruled that they would not attend another game in which the referee ruled. From reports received, however, it is believed that the referee ruled in his decisions and called balls and strikes fairly, but the fans in his old reversed a decision after Butte had made a vigorous protest. Among other happenings Swindell was fined and ordered out.
