## SPECIAL BUSINESS NOTICES.

**THE TRUTHFUL TEST.**—It re-  
quires no learned experts or sci-  
entific experiments to establish the  
fact that Dr. Price's Cream Baking  
Powder is not only the purest but  
positively the strongest. If any  
housewife will make a cake, light-  
er and more digestible bread, bis-  
cuits, cakes, etc., with two tea-  
spoonfuls of Dr. Price's Powder to  
one quart of flour than can be made  
with three teaspoonfuls of other  
kinds, is it not an incontrovertible  
proof of its purity and greater  
strength? Give them a fair trial,  
and also Dr. Price's Flavoring Ex-  
tracts. If they please you, recom-  
mend them to your neighbor. If  
not, return them and have your  
money refunded, and denounce the  
articles as vile impositions. We  
have no fear of your doing this if  
you try Dr. Price's and to be cer-  
tain of this, buy them only from  
crack cans, as Dr. Price's Powder  
is sold by the manufacturers in no  
other way.

**The Best Starch.**—Chicago, March  
15, 1914.—I am using Duryea's  
Starch in my laundry, and I find it  
superior to all others that have  
come within my notice. It is the  
whitest, gives a clearer finish, and  
takes less starch for the same quan-  
tity of work than any I have ever  
used. I cheerfully recommend  
Messrs. Duryea's Starch to all starch  
consumers.

**General Ord.**—General O. C. Ord,  
Commander of the Department of  
the Plate, is in this city, sojourning  
a few days.

**More of it.**—Last night the heav-  
ens were again illuminated with  
the vivid lightning, the thunder  
rumbled, and there was a nice  
shower of rain.

**Tracked.**—The fellow who be-  
haved in such a disgraceful manner  
in the 2nd Ward, this morning, was  
tracked as far as the Warm Springs,  
by Officer Alexander Burt, who  
then gave up the pursuit, under the  
impression that he had left town for  
good.

**Lewd and Lascivious Conduct.**  
On the complaint of a Mrs. Olson,  
Abram Razin, alias "Abram the  
Jew," was arrested for attempted  
seduction. The examination of  
the case was set for this afternoon  
at 2 o'clock.

**Personal.**—We were called upon  
to-day by Messrs. D. R. Wagner  
and E. Eardley, merchants, of  
Water Valley, Miss. They are  
staying at the Townsend House,  
being on a short visit to the west.

**Change of Venue.**—On appearing  
before Justice Clinton this after-  
noon, Mr. Razin asked for a change  
of venue, on the ground that he  
believed that the Court was prej-  
udiced against him. The request  
was immediately granted, and pro-  
ceedings on the charge preferred  
against him were commenced be-  
fore Justice Richards.

**Emigrants on the Wy.**—By  
courtesy of President Brigham  
Young we are enabled to publish  
the following dispatch—  
"New York, July 6.

"Brigham Young:  
"P. C. Christensen, Shade, Nel-  
son, Hansen, Christensen, John  
Clark, George E. Gibbs and John  
Mendenhall arrived to-day with  
company of Saints, they leave to-  
morrow. I shall leave on Saturday.  
All well.  
"W. C. STAINES."

**New Pleasure Grounds.**—Brother  
William Howard, of Mill Creek,  
has opened what he has named the  
Green Lake Pleasure Grounds.  
The lake is about one and a half  
miles in circumference, and has  
five boats on it for the use of  
pleasure-seekers. There is a bower  
on the grounds and Brother How-  
ard is courteous and attentive to  
visitors. A party from the 11th  
Ward spent Saturday there very  
pleasantly.

**Crickets.**—A gentleman from  
Randolph, Bear River Valley, in-  
forms us that at a place about two  
miles north of the settlement there  
are myriads of black and yellow  
crickets, and the meadow land,  
five miles still farther northward,  
is literally swarming with those  
pests. The settlers there about are,  
in consequence of the near prox-  
imity of those destructive pests to  
their farms, somewhat afraid for  
their crops. One thing is cer-  
tain, and that is, the crickets  
are the cause of the latter travel slowly.  
Efforts should be made to destroy  
them, by burning or otherwise. A  
cordon of fire they could not easily  
pass.

**Dead Cow.**—When Mr. Nicholas  
Grosbeck and family arose from  
their slumbers this morning they  
discovered that somebody had de-  
posited the carcass of a dead cow  
in front of their residence, 17th  
Ward. Mr. Grosbeck had a very  
excusable and natural curiosity to  
know who had served him such a  
nauseous trick, so he followed up  
the track on the road over which the  
carcass had been snaked, which  
terminated at the residence of Dr.  
William Smith, in the 11th Ward.  
That gentleman stated that a man  
from Weber, who was staying next  
door, had agreed to remove the  
carcass of the cow clean out of town  
for him, and that is the way the  
Weber man fulfilled his part of the  
agreement. He should be fined  
for committing a nuisance.

**Undisputed Rumors.**—In con-  
sequence of certain alleged rumors  
regarding young William Blackhawk,  
who, it will be remembered, died sud-  
denly at Hill's farm, our press-room,  
where he was employed, has been  
beset by anxious inquirers, quite a  
number of whom have called to-  
day. The rumors are, in effect,  
that the lad was not dead, but that  
it was merely a case of suspended  
animation. The rumors started be-  
fore the burial, and in consequence  
of them, Dr. Anderson, at the soli-  
citation of Brother David Black-  
hawk, applied the best tests, al-  
though personally satisfied without,  
and pronounced life extinct. Our  
reporter saw the body afterwards  
and there was not the slightest ap-  
pearance of life. After the burial it  
was rumored that deceased had sur-  
vived, and in this office. To refute  
this last report his friends had the  
body disinterred; it was in the same  
position as it was laid there. Now if  
the heartless sensation-monger  
who set this rumor afloat, and kept  
it rolling, has a human kindness left  
in him, they will, out of considera-  
tion for the feelings of the friends  
of the deceased, keep their mouths  
closed forever on the subject.

**A Roman Ruse.**—This morning  
a man acted in a brutal and dis-  
graceful manner in exposing his

person to a number of girls in the  
2nd Ward. A number of men and  
boys in that locality were seen  
chasing him, quite a distance, to-  
wards town, but he proved to be  
too fleet of foot for his pursuers.  
While running he was seen to  
pick up a couple of letters, the scraps  
of which were afterwards picked  
up, and when put together it was  
learned from them that his name  
is C. Bouhmonville, and that he  
is from San Francisco.

**Alteration.**—The board fence  
around the wood and hay market  
lot, adjoining the City Hall, is  
being taken down. A nice picket  
fence is about to be put up, to ex-  
tend from the north-west corner of  
the City Hall building to the west  
end of its enclosure.

**The Tabernacle Choir Party.**—The  
annual select excursion party of  
the Tabernacle choir will take  
place on the 15th inst., on which  
occasion the members of the choir  
will be glad to have their friends,  
musical and otherwise, join them  
in an excursion to Lake Side, where  
dancing and other amusements  
will be in order. Tickets for the  
trip, including the use of the grove  
for dancing, one dollar each, can be  
obtained at the music store of Cal-  
der & Careless, East Temple St.,  
and of Mr. Thomas Griggs, at Z. C.  
M. F. retail dry goods department.  
Tickets now ready, apply early.

**Struck.**—On Sunday night the  
residence of Gen. C. C. Stewart,  
corner of East Temple and Sixth  
South streets, was struck by light-  
ning. The building is surrounded  
by a lightning conductor, which  
served to save it. The electric fluid  
passed down between the weather-  
boarding and the plaster of the out-  
er wall and made exit at a cor-  
ner of the house. The explosion was  
terrific, and caused the inmates  
to experience sensations other than  
delightful. The damage to the  
building was only slight.

**Struck by Lightning.**—About  
ten o'clock yesterday morning the  
house of Brother Edward Simons,  
Bountiful, was struck by light-  
ning, which demolished a chimney  
and cut out a gap from top to bot-  
tom of the north gable about nine  
feet wide. Sister Simons and her  
daughter, who were in the house  
at the time, were thrown violently  
upon the floor, but luckily were not  
seriously injured, although, as  
might be expected, frightened  
nearly out of their senses.

The report was so terrifically loud  
as to frighten the neighbors for a  
considerable distance around, caus-  
ing many of the women to scream  
with terror, thinking that their  
houses were falling.

Since the occurrence the balance  
of the gable has fallen in. The  
house is pretty large and a story  
and a half high. It is situated on  
the main road, a few blocks south  
of Bountiful Tabernacle.

**The British Mission.**—In the  
company of emigrant Saints which  
arrived in this City last week, were  
91 from the Swiss and German mis-  
sion, 10 from the Holland mission,  
11 from Iceland and the remainder  
from the British Isles.

Says the *Millennial Star* of June  
16—

The next company will leave  
Liverpool on the 24th of this month,  
the fare to Ogden being the same  
as that of the present company—  
namely, adults, £12 10s—children,  
under twelve years, at half fare,  
and infants, under 1 year, 10 shil-  
lings each, with the benefit of any  
reduction that there might be at  
the time of booking the passage.  
Children, under five years, will go  
free of charge on the railroad from  
New York.

It is impossible to say how long  
these low prices across the sea will  
continue; but, undoubtedly, the  
breach—which has caused the re-  
sulting loss of revenue to the mis-  
sion, from Liverpool to New York—  
if not restored, will, as far as  
possible, be repaired by the ship-  
ping companies involved, as soon  
as they can effect that object.

The fourth, and probably the  
last company for this season will  
leave Liverpool, all being well,  
on the 24th of September, allowing  
ample time for the Saints to reach  
their destination before the October  
Conference and to prepare for the  
winter, or, at least, to avoid the  
necessity of passing through the  
States during any part of the  
two hottest months of the year.

**ARRIVALS.**—The following Utah  
Elders arrived at Liverpool, on  
Sunday, the 14th inst., per steam-  
ship *Itaboo*:—Ernest Young, Brigh-  
am T. Young, Baldwin H. Watts,  
Benson Eardley, Mike Williams  
and Peter Eardley. There were  
several others, in company with  
these brethren, who have come to  
Europe for the purpose of visit-  
ing their relatives and attending to  
personal business—namely, John  
B. Barnes, Wm. Stewart, Samuel  
Dennison and daughter, Geo. Wood,  
Wm. Howard, Samuel Eardley, El-  
der Bertie M. Runyon, Elders  
E. Young and B. T. Young, left  
Salt Lake City, for New York, on  
the 20th ult., and the balance  
of the party left on the 27th ult. All  
the party embarked for Liverpool  
on the *Itaboo* on the 2nd inst., and  
arrived here in apparently good  
health, having had a pleasant pas-  
sage.

**RELEASES, CHANGES AND AP-  
POINTMENTS.**—Elder Ernest Young  
is appointed to labor in the 1st  
Ward, and Elder B. T. Young is re-  
leased from the Presidency of the Bristol  
Conference, and appointed to labor  
in the Newcombe and Dunham Con-  
ferences, under the direction of El-  
der A. McFarland.

Elder Baldwin H. Watts is ap-  
pointed to succeed Elder Freeman  
in the Presidency of the Bristol  
Conference.

Elder Volney King is released  
from labor in the Newcombe and  
Dunham Conferences, and appointed  
to labor in the Leeds Conference,  
under the direction of Elder James  
Rywater.

Elder Bedson Eardley is ap-  
pointed to succeed Elder Henry  
Lugin in the Presidency of the Liv-  
erpool Conference.

Elder John McFarland is re-  
leased from labor in the Brigh-  
amham Conference, to return  
home with the June 5th company.

Elder Brigham T. Young is ap-  
pointed to labor in the 1st  
Conference, under the direction of  
Elder W. N. Pitt.

Elder Mike Williams is ap-  
pointed to labor in the Newcombe  
and Dunham Conferences, under  
the direction of Elder Henry  
Hughes.

Elder A. B. Taylor is released  
from labor in the Leeds Confer-  
ence, and appointed to labor in the  
Bristol Conference, under the  
direction of Elder C. G.

The above-named emigrants ar-  
rived at New York, July 6.

**Another Strike.**—On Monday  
night the driver of a horse draw-  
ing to Brother John Page, Jr., 5th  
Ward, was struck by lightning. It  
plunged up the ground and scatter-  
ed the horse and driver, but did not  
do any damage, other than  
badly scaring the inmates of the  
building.

**A Small Thief.**—Matthew Mor-  
rison is "small potatoes," even for a  
thief. He was fined \$10 this morn-  
ing, and the reason for it was that  
he saw two little girls and a boy  
crowding up to the box office last  
evening, to get tickets for the cir-  
cus. He got \$1.50 from the bigger  
of the two girls, under pretense  
that he would get the tickets for  
them, and then tried to get away  
with the money. The girl stuck to  
him, however, and he finally re-  
turned her one dollar, retaining the  
balance. The fellow who will take  
the circus money from a child is  
certainly a small scoundrel.

**ATTENTION** is called to the ad-  
vertisement of Faust & Miller's  
Real Estate Agency. They buy  
and sell real estate, bonds and  
stocks, mines, etc., rent property,  
negotiate loans and make col-  
lections in all parts of the world.  
The gentlemen are well known citi-  
zens, whom it is needless for us to  
eulogize.
