Mr. Botterill has been to all the eastern factories where machines he represents here are made, and it was planned to return to Sait Laike by automobile. BUICK TEAM REWARD.

The act of President Charles W. Murphy of the champion Cubs in dividing ameng the 16 members of the Chicago team \$10,000 as a bonus for landing the pensant and championship, has been considered the high-water mark of generosity among the followers of the sporting world.

ity among the followers of the sporting world.

But President Murphy has been outdone by the announcement made a few days ago by William J. Meade, the official of the Bulck Motor company, to the effect that \$10,000 has been given the members of the Bulck learn as a reward for winning the big Cobe trophy race on June 19, at a distance of 400 miles over the Indiana road course.

The money was split only three ways; going in equal parts to Louis Chevrolet, the winner; Lewis Strang and Bob Burman, his team mates. Thus the three greatest American pilots get as much money as a bonus for winning one road race, as 16 of the greatest ball players in the world get for playing over 150 games and winning the world's championship.

games and winning the world's championship.

The rich bonus is but a part of what the drivers get for one of their number winning the Cobe race. Each of them receives a big salary for his yearly services and when the bonuses of the carburetor, spark coil, magneto tire and other accessory makers are added, the total amount received by the Buick stars for the Cobe victory will exceed \$\frac{1}{2}\$.000.

In addition, the citizens of Film. Mich., the home factory of the Buick, have arranged a monster demonstration and banquet in honor of the boys, who although they are adopted sons of the Michigan city, are none the less honored and apperciated. SOME AUTO SALES.

LOSS OF 21 POUNDS IN 150 MINUTES

New York, July 7 .- When Martin Sheridan started in the 190-yard dash, the first of 10 events for the

dash, the first of 10 events for the national, all-round championship, which he won at Celtic park, he weighed 205 pounds; After stargering over the line in the mile run, the last event in the orderl of strength and endurance, he weighed 184 pounds, a loss of 21 pounds in 150 minutes.

Within five hours Sheridan had regained 10 pounds of the weight lost although he had eaten only one light meal in that time. Doctors who are authorities on the condition of athletes say Sheridan's loss of weight in such short time is extreordinary and attribute it to nervous exhaustion and the intense excitement of the competition. Perspiration, too, was responsible for, considerable of the weight lost.

FATE OF LEAGUE KNOWN THIS EVENING

The fate of the Intermountain Baseball league will be known tonight when President Lucas and managers of the four teams will meet at Butte and settle the question. Local fans hope there will be some way out of the financial difficulties the league is in and that we will have bell the balance of the season, but the outlook is not at all encouraging.

The following dispatches have been received from Butte and Helena, indicating the situation:
Butte, Mont. July 6.—It was decided this evening to hold a meeting here tomorrow ovening to decide as to the fate of the Intermountain Baseball league, Joe Marshall, manager of the Bolse team; F. G. Farnsworth, manager of the Salt Lake team, and Joe Barnes, manager of the Butte club, are here.

Tomorrow Jack Houston and Ray Church of Helena will come to Butte, when the meeting will be called. While nothing will be given out by the magnetes now here, the belief prevails that an attempt will be made to reorganize the league on state lines.

Helena, Mont., July 5.—A private dispatch received here this afternoon from W. H. Lucas, president of the Intermountain league, states that a meeting of the directors will be held at the Grandon hotel, in this city, tomorrow, July 7. The message is dated Portland, Or., and states that important business will be considered. The Helena directors did not leave for Butte today, where it had been supposed the meeting was to be held tonight.

Helena, Mont., July 6.—Manager Farns-worth of the Salt Lake Intermountain league team, tonight telephoned to the Helena directors that a meeting will be held in Butte tomorrow night. The local directors will leave in the morning to

O'DAY PICKS PIRATES TO LAND PENNANT

"Hank" O'Day, the veteran National league umpire, picks the Pirates to fly the 1909 flag. There are few better judges of ball players than O'Day, and the all-right official declares that Fred Clarke is now commanding the greatest team Pittsburg eyer owned.

"I have officiated in a good many of the Pirates' games," declared O'Day, "and not in, years have I seen a team playing better ball.

"Clarke has the pitchers, the infield, the outfield, and his regular catcher, Gibson, is a great one.

"Pittsburg is greatly strengthened this year, while the Cubs and Giants, who caused all the scrapping with the Pirates last year, have already shown that they are not as formidable.

"Johnny Miller is the greatest bid who has entered fast company in many years. Clarke has a habit of picking out young ball players from the bush leagues, instead of taking a chance with a fairly seasoned player in a class A body.

"Few even heard of Miller as a minor

OWEN BUSH, DETROIT SHORTSTOP, SENSATION OF AMERICAN

Great praise is being handed to Owen Bush, the diminutive shortstop of the Detroit Tigers, for his splendid work both in the field and at the bat. The little short fielder has justified every prediction made for him early in the year. He is a whirlwind on the bases, hits the ball hard and opportunely and is today the most valuable shortstop in the American league. Wallace of St. Louis and Wagner of Boston are the only men in that position who can be com-Pared with him. This is Bush's first year of major league service, and he is sure to improve in every respect and if no untimely accident befalls him will certainly make an imperishable name as a great shortstop. Manager Jennings obtained Eush from the Indianapolis club of the American association last fall. After his team won the pennant he joined the Tigers and covered short until Detroit played the Cubs for the world's championship, he being ineligible to take part in the series.

MISS MAY SUTTON TO MARRY A BANKER.

San Francisco, July 7 .- Miss May Sutton of Pasadena, the champion woman tennis player of the world, will marry Harry B. Ham, a banker and capitalist of Mexico City, according to an announcement made here yesterday. The date of the wedding has not been set and the formal announcement of the engagement was not to have been made until October, but after her victory over Miss Hazel Hotchkiss in the state championship at San Russell. faci on Monday, Miss Sutton whispered the secret to some of her girl friends and the news soon spread. Miss Sutton's easy win over Miss Hotchkiss, the national champion, at San Rafael, last Monday showed that she has lost none of the skill which has made her the premier woman tennis player of the world.

Cleveland.

"I saw Lajole in the spring, before the season started, and he told me Miller would prove a wonder. I doubt if I have ever seen as good a youngster in my cver seen as good a youngster in in-cutire qureer,

"'Bill' Abstein has filled in the big gap on the first corner. Although he has had a bad 'whip' he is more than holding up his end.
"Being mixed up with smart fellows like Leach. Wagner and Clarke has taught Abstein a lot, and in quick time,

too.

"Clarke took a chance when he stuck Barbeau on third and sent Leach to the outheld. Leach has always wanted to play in the gardens and asked Clarke to try out Barbeau.

"Tommy said he would be willing to return to third if the little fellow failed to make good.

return to third if the little fellow failed to make good.

"It now looks as if Barbeau has won out. These three 'kids' have practically made the Pirates, You just cannot overlook old 'Hans' Wagner. The Teuton was never playing a better game.

"The Cubs may win the flag. So may the Giants. But the way Pittsburg was playing the last time I saw it makes me nominate the Clarke machine to finish first."

LOGAN BOOSTERS WIN.

The ball game at Logan between the Logan Boosters and the Goddard team of Ogden was won by the Boosters, 8 to 0. Morgan, in the box for Logan, was invincible and the Ogdenites were unable to hit him, securing but two singles during the game, while the Ogden pitcher was hit 13 times.

There were some interesting contests on the diamond. Coach Teetzel won the 100-yard dash, the base running contest, the longest hit and the best batting average. Morgan won the distance throw, hurling the ball 112 yards.

Weston has not decided whether he will leave Reno at 10 a. m. or late in the afternoon. He says he is not weary, but counts on a reaction. MT. PLEASANT TEAM FINALLY ORGANIZED

The Mt. Pleasant baseball team met in the club rooms on Sunday evening and formed a permanent organization, with P. M. Nielsen, manager; M. A. Boyden, captain; L. P. Nelson, umpire. P. M. A meeting of the county league directors was held in the club rooms, in executive session, the Ephraim team being the only one not represented.

A protest came from the Mt. Ploasant team objecting to an Illinois man playing on the Moroni team as the by-laws provide that none but bona fide residents are allowed to play on the various teams. A new schedule was made out due to the Ephraim team just joining the league. This also necessitates that each team lay off every fifth Friday. It was further provided that the team not playing each Friday furnish two umpires, one for each of the games, so that no umpire will referee for his own town.

It was decided that 12 men would be the number of visiting teams to receive expenses while in the city, where any game is played. The schedule for part of the season from July 2 until Aug. 20 is as follows:

Nelson at 108 Angeles, is now in trails. In a letter to a Salt Lake friend he says:

"Just a few lines to let you know I am still alive and kicking. I left America on my honeymoon trip around the world and landed here in Sydney, Australia, where I was matched right away, but owing to not being "climatized" I lost my first fight on points, but have made good since. Of course having my first start in Utah I would like to let you know where I am and what I am doing as I have a warm spot in my heart for Utah and still like Salt Lake and Ogden. I am making plenty of money here and am thinking of staying here another six or eight months. I was in Johnson's corner in the big fight where he won easy. Burns is making a lot of money around here showing in, the provinces. My wife and also my brother are enjoying the trip greatly, as everything is new to them. I wish you would give your readers all my regards. From a boy who always tried hard.

TRUE FISH STORY.

Here is a fish story that is claimed to be true in every detail. It comes from Logan.

George T. Alvord, a resident of the Seventh ward, turned the water on his lawn from the Little Logan river Monday, letting the water run all might. In the morning he picked up from the grass 104 mountain herring. Another story comes from the mouth of Blacksmith Fork canyon, where it is claimed a man entered the incern patch of a farmer and picked up 46 trout.

This condition of affairs is the result of the fallure to place screens in the ditches.

There is also a belief that Papke has improved wonderfully since his last previous fight with Ketchel, and that if he is not the master of the cowboy pugilist, he is a most serious contender for the championship.

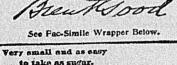

The result of Monday's battle has already had a perceptible effect on the betting for the Ketchel-Johnson fight. Ketchel's fine showing with "Philadelphia Jack" O'Brien and the fact that O'Brien had fought Johnson to a draw, induced his supporters in the east to offer even money on Ketchel. But around Forty-second street and Broadway now, the odds have changed with Johnson carrying the long end.
