OGDEN NEWS.

OGDEN, UTAH, - JUNE 8, 1901.

HIGH SCHOOL FIELD DAY.

Fashionably Dressed Young Stranger Arrested for Forgery Identity Unknown.

Arrest of Joseph Thompson of North Ogden on Peculiar Charge—Central School Exercises.

The high school students had their field day at Glenwood Park yesterday. From morning until late at night the Park grounds were thronged with the happy students. Many of them were accompanied by their parents and friends, making an immense crowd of pleasure seekers.

The most interesting feature of the day was the game of ball played between the teachers and students. The game resulted in a score of 8 to 7 in favor of the students.

Another very pleasure feature of the day's exercises was the basketball game played between seniors and juniors. Some pretty playing was done by both sides. The score stood 15 to 14 in favor of the seniors.

A number of races and other sports contributed to the day's enjoyment. The day's festivities closed with a grand ball in the Glenwood hall in the evening.

ARRESTED FOR FORGERY.

A fashionably dressed and apparently middle-aged young man is in serious trouble here. He was arrested last night by the Ogden police officers on the charge of forging two checks on the First National Bank of Ogden and the First National Bank of Salt Lake City. One check was for \$40.50 and the other for \$40.00.

The officers have endeavored in vain to persuade the young man to disclose the name of the bank he made a check on. He claims to be a resident of Ogden and that he has been in the city for some time. He has been in the city for some time and has been in the city for some time.

TOOK HIS TICKET.

A carpenter by the name of J. P. Peterson complained to the police last evening that he had been robbed of his watch. It seems that while he was in the act of taking a train for Ogden, he was robbed of his watch. The officers are looking for the stranger, while Peterson looks at the clock whenever he wants to know the time of day.

HOUSE BURGLARIZED.

The occupants of the Chamberlain residence at 125 Twenty-fifth street this morning discovered an empty trunk in the rear of the premises. It was the property of Martin A. Lind, who left Ogden some weeks ago for a trip to southern Utah. What was taken from the trunk is not known except that a gray overcoat is missing.

PETTY OFFENDERS.

Frank Marshall and Albert Gray were assigned in the police court today for feeding a noxious and a piece of horse manure to a dog. The police justice gave them five and eight days in the city jail.

WARRANT ISSUED FOR THE ARREST OF BYRON HARDING.

A warrant was issued for the arrest of Byron Harding, who is charged with a violation of the bicycle ordinance. Pico Picchetto, an Italian, is under arrest on the charge of assault and battery. It is claimed that he made a vicious attack on a fellow citizen named Tony Fienomen near the Union depot last night. Picchetto will have a hearing in the police court on Monday.

COMMENCEMENT EXERCISES.

Commencement exercises of the county schools were being held at Lester Hall today. An elaborate program was carried out and much interest was taken therein.

ARREST OF JOSEPH THOMPSON.

Joseph Thompson, of North Ogden, was placed under arrest yesterday afternoon on the charge of selling property that did not belong to him. The complaint alleges that Thompson leased a certain amount of land to a certain individual, and after using the water all he wished, he sold the shares of stock to another individual, giving him a title to the same, which was not legally do, not being owner of the stock. He was taken before the justice of the Peace Parker J. Hall and assigned on the charge to which he was released. He was therefore placed under \$500 bonds which he obtained and was released until Monday morning at 10 o'clock when the case will come to trial.

CENTRAL SCHOOL EXERCISES.

The Central school held their commencement exercises last evening in the high school building. A very pleasing program was rendered, consisting of musical and literary numbers. A large number of students graduated from the high grade.

PARK CITY.

A MUCH STRICKEN FAMILY.

Mr. and Mrs. Ed. Evans Lose Two Children—Mother Now Ill.

Special Correspondence.

Park City, Summit Co., June 7.—Mr. Ed. Evans, manager of the Hopkins Coal Co., and wife have met with very sad losses. It seems they have more than their share of sorrow at this time. Two weeks ago their oldest daughter, Edith, 8 years of age, was taken down with typhoid fever, and was for a time very ill, but by good nursing and doctoring the little one was brought through all right.

Three days ago their two months old baby started with spasms and in a short time was relieved of its suffering by death. But it did not seem that this was to be the end of their sorrow, for on Sunday their little 5-year old daughter, Olive, was taken down with pneumonia and grew gradually worse until the end came last night at twelve o'clock. The mother is now very ill and there is little hope for her recovery.

There was a heavy frost here night before last.

SCHOOL EXERCISES.

The public schools close here today. Entertainments are to be held in each room and tonight closing exercises will be held in the Dewey theater, where the graduating class will be in prominence.

LEHI.

CREDIT SYSTEM ABOLISHED.

By Merchants in North End of County—Happy Weddings.

Special Correspondence.

Lehi, Utah Co., June 7.—Wednesday last the following couples were married in the Salt Lake Temple, all of whom held their wedding reception last evening and in each case only the near relatives were invited:

Mr. J. U. Alfred, of this city, and Miss Amelia Hammond, of Moab, Utah.

Mr. Clarence Lott, and Miss Olive Eral, both of Lehi.

Mr. Add Ross and Miss Perry, of Vernal, who were also married Wednesday last in the Salt Lake Temple, held their wedding reception at the residence of Mr. John E. Ross, an uncle of the groom.

Mr. Ephraim Goff and Miss Linda Day, of this place, also married at the home of the bride, and were married by President Abel J. Evans performing the ceremony.

WILL ABOLISH CREDIT SYSTEM.

The mercantile establishments of this end of the county have had under consideration the abolishing of the credit system and at a meeting called a few days ago to consider this question it was agreed to send out a circular to all patrons of the various firms setting forth what agreement had been entered into by the various mercantile establishment and it reads about as follows:

In view of the fact that merchandise is slowly growing nearer to a spot cash basis, and that the mercantile establishments are more exacting as to dating accounts, the retailer now finds that he must either sell for pay down, or very short dating of accounts. All the retailers of the north end of Utah county, like those of other parts have decided to adopt a uniform plan of regulating credits. This is in justice to the man who pays as he goes.

All accounts that run over thirty days will be subject to interest at the rate of 10 per cent, per annum, beginning June 10, 1901. If you use the bank's money you pay him interest. Why not pay the merchant for using his goods? Goods today are practically cash. This system will prevent long accounts, keep many people out of debt and reduce the price of goods, and revert to the general good of merchant and customer. Many of the undersigned merchants will adopt the cash system at once.

This change has been adopted not to oppress anyone but to benefit all; and we trust that the public will unite with us.

GUNNISON.

Death of Mrs. Maria Lundberg, a Veteran of 87.

Special Correspondence.

Gunnison, Sanpete Co., June 7.—Maria Lundberg died June 6, 1901. She had only been bedfast a week. She was born June 14, 1814, at Linkoping, Ostergotland, Sweden. Her husband, A. N. Lundberg, died February 29, 1884, at Dover, Sanpete county, Utah. She was a native of Sweden, and had been in this country for many years.

She was a member of the "Mormon" Elders. The family came to Utah in 1855, and since her husband's death she has lived mostly with her son Charles Lundberg. Her husband, who was a native of Sweden, had been in this country for many years, and had been in this country for many years.

ABRAHAM.

Evidences of Prosperity—Plenty of Water—Crops Doing Well.

Special Correspondence.

Abraham, Millard Co., June 5.—The people here feel encouraged that the present season will be a successful one for them. Last year there was a general failure of crops, but there is plenty of water this season. The reservoir is full and water is running into it. Last June it was dry and no water was to be had for irrigation after this date.

The hay crop shows up well. Cutting will commence in earnest next week. The second crop will be saved for seed. The grasshoppers destroyed the Lucerne seed last year.

Scott A. Seamon has built a fine brick mansion on the townsite. An effort is being made to enlarge the capacity of the school house, showing that Utah's best crop is not neglected.

A number of orchards have been planted this spring and the young trees are doing well. Something like \$500 was expended for fruit and shade trees this season.

Chas. Wilken, Esq., intends building on the site of the town plat, where already quite a number of houses appear. Robert Parker, the "News" agent, has built a nice little store, in which the postoffice business is looked after, where also the "News" business is transacted. Quite a good list of subscribers for the "News" has been obtained here, which no doubt will be enlarged this fall.

Smallpox has annoyed the dwellers in the land of Abraham for a few months past, brought here by a transient. Some cases now exist, but all have it in such a light form, that it is only an annoyance.

SALT LAKES WIN FROM LAAGOONS.

They Played an Up Hill Game But Were Victorious.

SOME VERY FUNNY WORK.

It Was an Off Day for the Batters—A Hint and Williams' Lucky Hit Saved the Day.

OOD work by Webster, Morrow and Margetts, and a lucky hit made by Williams in the ninth inning was all that saved the game for the Maroon stockings from the Yellow Kid down at the League park yesterday afternoon. They played an up-hill game all the way through and finally won it in spite of some of the raw decisions of Umpire Clarkson. The boys did well and deserved all they got—and much more. They were not at their best; and it is a wonder that they put up any kind of a game considering the treatment received from those who should encourage them.

It looked very black for the home lads right from the start. Hawley was placed in the box, but his support was so miserable that he wanted to retire in the second inning but Pace, who is now captain of the team, refused to allow it. The Lagoons made two hits and one run in the first, but nothing was made in the second by either side. In the next, a couple of runs had been batted out when Stony singled and Taylor securing the ball threw it to Williams in left, which that day digreed for it the thing batted many feet over his head and everybody came home including Stony. The score was then six to nothing.

In the Salt Lake's half of the third inning the Yellow Kid batted two more in the fourth. In the meantime Webster came in from the left garden and Hawley went out to right. The two runs in the fourth were off Web but after that he held the enemy down in the style and before he got through with them they had most profound respect for him. Hit pitching was of a masterly order and he was given better support. He brought order out of chaos and plucked the game from the yawning abyss.

Hawley cut in right cut off two runs by his fine throwing and home and Margetts cut off another by his presence of mind and quick work. Four times high batters were sent out in the vicinity of Morrow and he got every one of them.

At the beginning of the last chance the score was eight to six in favor of Bamberger's pet when Pace and Webster singled and Morrow was given free transportation to first, which filled the bases. Arr came up and sent one out to Bradley in left, which that day digreed individual failed to freeze out and Ducky the captain came in. Taylor went out and the fond hopes of the fans began to fail them. Williams came up and the first chance he got he smashed out a good safe single, bringing in Webster and Morrow.

In the last half of the ninth inning Taylor was taken from second and for no reason at all, McCausland was substituted. Taylor had his off day with the stick yesterday afternoon and was struck out by little Joe Kostol three times. A good deal of "knocking" was going on against Risley by members of the "anti" chorus, and his patience was worn out by the remarks of the event. Nearly everybody seemed to forget the good work Dad had done this year, of the many brilliant spots he has made and of the single double and triple he made off the bat.

But that is the way with some folks, they are ever ready and anxious to condemn a mistake, but never willing to give praise where deserved. Risley is all right and so are the rest of them. They need encouragement from the fans, that be and the team will never be a winning one until it is given them.

With Pace as captain the team will improve if he is given a chance to work the ball boys properly. He is an old timer, has played baseball fourteen years and knows all the tricks of the game.

The work of the Lagoons was almost first class. Kostol pitched a great game that the writers against him during the game. He gave six homers, which he didn't mean to do, struck out four hands, which he did mean to do, and was hit eight times, which he couldn't help. His support was of the right kind and he was given plenty of help. The team has certainly made a big hit here and its presence will insure better games in the future. The first league game is scheduled for this afternoon with Park City here, and tomorrow they will play the Salt Lakes at Lagoons. The White Wings went to Ogden today to tear one from the Lobsters, and they fully expect to be successful in the undertaking.
