Ogden, Jan. 4.—Another of the pioneers passed away yesterday when death overcame Mrs. Elizabeth Shipley, wife of the late William Shipley. Mrs. Shipley complained of not feeling well. Before she could be put to bed she became unconscious, and Dr. H. B. Forbes was summoned. An examination proved that Mrs. Shipley had been stricken with paralysis, which resulted in a hemorrhage of the brain. She lingered until 8:15 o'clock yesterday morning, when she died. She was born in Spittle, England, Jan. 8, 1830. She came to Utah with her husband in 1853, and has lived in Ogden ever since.

Ogden, Jan. 4.—Death has claimed another of Ogden's aged mothers and highly esteemed ladies, Mrs. Mary Johnson, who passed away peacefully last evening at her home, 349 Washington avenue of pneumonia, after a brief illness of four days, aged 71 years, 7 months and 3 days.

Though advanced in years, Mrs. Johnson has enjoyed quite good health and was only taken ill last Sunday morning, and hope of her recovery was entertained by her children and friends up to the last. She was a faithful member of the Church of Jesus Christ of Latter-day Saints, of which she had been a member since 1861. She was born at Glensoken, Sweden, May 31, 1834, and came to Utah in 1853, and has lived in Ogden ever since. She is survived by the following children: Mrs. Ida Horrocks, Mrs. H. S. Moore, Mrs. Wm. Payne, Mrs. Emma Lamoreaux, C. A. Johnson, F. E. Johnson, all of Ogden; Mrs. Sophie Southwell of Rockland, Ida, and Mrs. Josephine Stone of Rigby, Ida. 33 grandchildren and five great grandchildren, also a host of friends.

The funeral will be held Sunday at 12 o'clock at the Lynn ward meetinghouse. Remains may be viewed at her late home on date of funeral from 9 to 11 a. m.

The remains will arrive in Ogden Sunday morning and the funeral services will be held that afternoon, at the residence of Mrs. Greenwell, 2422 Monroe avenue.

## DENSE FOG IN NEW YORK.

Scores of Tugs and Steamers Go Ashore During One.

New York, Jan. 4.—Scores of tugs and steamers went ashore in a dense fog which enveloped New York harbor, Hudson river and East river for over an hour today. One wreck, a collision, in which one man was fatally injured, and several smaller accidents were reported. Fully half the ferry lines stopped running for about an hour.

Thousands of persons living in New Jersey, Long Island and Staten Island were delayed from entering Manhattan to attend to business and many of these ferry boats which did venture to penetrate the white veil hiding Manhattan, arrived at their docks with stories of hair breadth escapes.

On Romer Shoal, a tug boat was sunk and the life savers went to the rescue of her crew who sought refuge on a string of scows which she had in tow.

The Erie passenger boat Passaic was run down in Hudson river by the ferryboat Binghamton of the Delaware, Lackawanna & Western railroad. The Passaic's side was crushed in so badly that the walls of the men's cabin fell. One bulkhead was also crushed in. Nicholas Carlo, a deck hand, was fatally injured, and Thomas F. Piper, a passenger, was slightly hurt. Fortunately, the Passaic was carrying very few passengers. The Binghamton backed away in the fog, leaving the Passaic helpless, and listing with one paddle wheel crushed. For a time the ferry seemed to be in such danger of sinking that the lifeboats were lowered ready for use. Tug boats answered the ferry's distress signals, and towed the damaged vessel ashore. Carlo was put on one of the tugs and sent ashore to a hospital. He was seated with his back to the outer wall in the men's cabin, being thrown completely across the room by the shock of the collision.

Albany, Jan. 4.—Gov. Higgins today announced that he would deny the application for a reprieve for Albert Patrick, the lawyer who is confined in Sing Sing prison under sentence to die Jan. 22 for the murder of aged New York millionaire William Marsh Rice. The application was made on Tuesday by ex-Senator William Lindsay of Kentucky, who is practicing law in New York, and A. C. Stenhouse, also of New York, who appeared in Patrick's behalf owing to the illness of David R. Hill. They asked Gov. Higgins to grant a reprieve in Patrick's case to enable them to examine the 6,000 pages of testimony taken on the trial in order to perfect an appeal to the United States supreme court.

## STRIKERS MEET RESISTANCE.

Chicago, Jan. 4.—Printers who struck for an increase in wages yesterday met resistance from the publishers of five Polish papers. Temporarily the continuing rooms of the Polish daily News, the Polish National Daily, the Zgodna, the Narod and the Catholic Polish Gazette, were closed. The publishers met last night and formed an alliance for the purpose of making a stand for the open shop.

The Rev. Francis Gordon, rector of St. Mary's of the Angels church, was selected to head a committee which attempted negotiations with the Typographical union. The printers were offered an eight-hour day, but the increase in pay was refused.

The publishers then decided to employ non-union men, and the priest was placed in charge of the contest against the union.
