SANFORD'S
RADICAL CURE
For CATARRH
INSTANTLY RELIEVES.

6,000 FEET ABOVE THE SEA.
The following testimonials are from Messrs. J. O. Bosworth & Co., Denver, Col., large and influential druggists. They report unprecedentedly large sales and universal satisfaction. No other disease is so alarmingly prevalent in that region. They speak of the following gentlemen as among their best citizens:

SORELY AFFLICTED.
J. O. Bosworth & Co., Denver, Col.: Gentlemen.—Prompted by a fellow-feeling for those afflicted with Catarrh, I wish to add my testimony in behalf of SANFORD'S RADICAL CURE FOR CATARRH. I have been sorely afflicted with this fearful disease for four years, and have tried every known remedy without avail, until I bought a bottle of the above CURE from you, which gave me almost instant relief. It being a constitutional as well as a local remedy, I believe it to be all that is claimed for it, a Radical Cure for Catarrh.
Very truly yours, WM. AMETIVE,
Denver, Sept. 23, 1875. with Jensen, Bliss & Co.

GREATLY AFFLICTED.
Messrs. J. O. Bosworth & Co., Denver, Col.: Gentlemen.—I take pleasure in recommending SANFORD'S RADICAL CURE FOR CATARRH to all who are afflicted with this disease. I was greatly afflicted with it for a long time, and cured it with two bottles of the above CURE. About a year afterwards I was again taken with Catarrh quite severely, and immediately sent for another bottle, which fixed me all right, giving me relief from the first dose. I am confident that this remedy will do all that is claimed for it, and more too. Wishing you success in its introduction, I am very truly yours,
A. W. SMITH,
of Smith & Doll.
Denver, Oct. 4, 1875.

TRIED EVERYTHING.
Messrs. J. O. Bosworth & Co., Denver, Col.: Gentlemen.—I have used SANFORD'S RADICAL CURE FOR CATARRH, and it has given perfect satisfaction. I have tried almost everything, and it is the only thing that has given me relief. I therefore take pleasure in recommending its use to all afflicted with Catarrh of any kind, and offer this as my testimony to its benefits.
Very truly, W. S. DECKER
Denver, Oct. 1, 1875.

REV. J. H. WIGGIN SAYS:
One of the best remedies for Catarrh, nay, the best remedy we have found in a lifetime of suffering, is SANFORD'S RADICAL CURE. It is not unpleasant to take through the entire day, but an unpunctuated clearness of voice and respiratory organs.
—Rev. J. H. Wiggin, in *Dorchester (Mass.) Beacon*.

GANG & SULKY PLOWS.

IMPROVEMENTS are constantly being made in all kinds of labor saving machines, and more especially in farm implements, and farmers are learning that the saving of time and labor can best be accomplished by using the best implements manufactured. In this connection we wish to speak more particularly of the

GANG & SULKY PLOW made by Avery & Sons of Louisville, Ky., which we have recently examined at the sales-rooms of

J. W. LOWELL & CO., of this city. About 60 of these plows have been sold by them in the last few weeks, probably a larger number than has ever before been sold in this Territory since its first settlement. Farmers are getting tired of being jerked and twitched around all day by following the old style of plows, and find that by using the

AVERY GANG OR SULKY PLOW, which is a beauty to look at, as neatly built as a carriage and about as comfortable to ride on, they can do their plowing with comfort, and even a child can handle it and do a man's work. We do not wonder that scarcely any other style of GANG OR SULKY PLOWS are sold in this market, for the Avery is unquestionably the BEST manufactured, as hundred of the leading farmers of Utah will testify.

We give below a letter from Mr. John Rouse, of Goshen, known as one of the oldest settlers and leading farmers of this Territory, who has tested the AVERY PLOW and knows its merits.
GOSHEN, Utah,
Feb. 19, 1878.

J. W. Lowell & Co.,
Gentlemen.—A twelve year old son of mine plowed 60 acres last fall with the Avery Gang and Sulky Plow, eight acres of which were plowed 12 inches deep and laid level and better than any other plowing I have seen since I left England; and I consider myself a judge of such work. My boy can handle the plow with ease. As for the draft, three horses can handle it readily in breaking with the sulky plow, and the same team is sufficient for the 12 inch gang plow in old land. I am well pleased with the plow, and do not know where it can be improved.
Yours respectfully,
JOHN ROUSE.
