Had the abuse and animadversions of this bolaterous attorney been confined to the witnesses the matter would not have been so glaringly reprehensible, but he also turned upon the city Marshal, accusing him of entering into a conspiracy with the witnesses to commit an offense. which he characterizes the bringing to justice of lawbreakers such as were so adjudged by the Court. It is the Marshal's sworn duty to do this, and if he did not, he would be open to censure. The liquor men accepted of the existing ordinance and agreed as a body to abide by it and yet many of them break it. Such men ought to be vigorously prosecuted, and the officers who enforce such proceedings have law, good order, common decency and consistency on A full and well assorted stock of WINTER GOODS, which we will erable position, these who break the in town. law and attorneys who defend them in that course, or those who aid in bringing the law-breakers to justice?

The question is easily answered. Let the officers of the law be protected from insult and sustained in enforcing it.
