## WOMAN'S WEAKNESS AND MAN'S PERFDY

Startling Disclosures Brought Out  
In Preliminary Hearing of  
Lauritz Farse.

## DEFENSE MAKES GOOD CASE.

Intercepted Letter From Page to Mrs.  
Farse Explains Latter's Presence  
In Ogden June 24.

Ogden, July 4.—The preliminary hearing of Lauritz Farse on the charge of attempting to murder Ora Page on June 24, was not completed yesterday in the municipal court and the further hearing of the case was continued until Friday morning. The witnesses examined yesterday for the prosecution were Page, Sheriff Sebring, Deputy Sheriff Seymour Clark and Mrs. Fred De Hoff, whose testimony was principally to show that Farse took Page up Ogden Canyon, and that he there assaulted her.

Perhaps the most sensational testimony given was that by Elizabeth Farse, adopted daughter of the defendant, who testified to having frequently carried notes from Mrs. Farse to Page and of their very friendly associations. She also produced a letter she had received from Mrs. Farse since the arrest of Farse, wherein she admitted having done wrong, and said she was going to kill Page and then herself and had even bought the poison to carry out her threats, and that she (Mrs. Farse) loves Page and not her husband.

Farse himself testified that his wife had told him she did not love him and was going to get a divorce from him and wanted him to loan her \$400 with which to open up a rooming-house. He testified that after she left him in June he went to her room and there found a letter written by Page to his wife asking her to meet him on Sunday, June 24, in front of the Ogden postoffice; that he took the letter and came to Ogden with the intention of showing his wife and Page and of having them arrested if they met, but by accident he met Page and thinking it the best thing to do, asked him to go up the canyon so he could not meet Mrs. Farse; that when the two were on the mountain side together he asked Page what he meant by writing Mrs. Farse and asking her to meet him in Ogden, whereupon Page, witness said, became angry and cursed him and jumped on his back and in the scuffle both of them fell down the mountain side. He denied positively ever having hit Page or of having intended murdering him.

## EIGHT YEARS FOR ROBBERY.

Roy Campbell is Sentenced by Judge  
Howell for Reed Hotel Holdup.

Ogden, July 4.—Eight years in the state prison was the sentence meted out by District Judge Howell yesterday afternoon to Roy Campbell, who pleaded guilty to highway robbery. Campbell is the young man who about a month ago entered the Reed hotel at 2 a. m. and held up the night clerk, Harry Beckett, Walter Branta and three others, securing about \$70 from the crowd. He was recognized by his victims, having previously been employed at the hotel, and was the next day arrested by Capt. of Police Brown, a confession was gotten from him by Detective Pender and other officers, and he, realizing his position, pleaded guilty. Judge Howell, in passing sentence, stated that he had intended giving him the full extent of the law, as the robbery was so bold and premeditated, but the apparent repentant spirit shown by Campbell since his arrest and especially in the court room, and because of the request of Sheriff Sebring, the judge felt to be as lenient as he possibly could, so made the sentence eight years.

## DETERMINED ON DIVORCE.

Mrs. Nellie Brown Will Re-enter Suit  
For Separation.

Ogden, July 4.—Mrs. Nellie Brown has again decided to make a try to get a divorce from Wallace Brown, and has filed suit through her attorney, N. J. Harris, in the Second district court. The same plaintiff filed a similar suit a few weeks ago against defendant, but when the case was called for trial by Judge Howell the testimony given was not entirely satisfactory and he denied the petition. The complaint filed now makes the charges more specific. She alleges that they were married May 29, 1925, at Salt Lake City, and charges that ever since their marriage defendant has wilfully failed to provide plaintiff with the necessities of life and for more than six months past has refused to get work and plaintiff has been compelled to earn her own living and to support defendant, that he has taken the money earned by his wife and gambled it, remaining out all night at times. That he has now deserted plaintiff and has at times treated her cruelly and has told his wife that if she should ever have children he would refuse to live with her. Plaintiff prays for a decree of divorce and such other relief as the court may deem proper.

Mrs. Della B. Terry has commenced divorce proceedings against Columbus Terry. The complaint sets forth that the plaintiff and defendant were married at Ogden, Utah, January, 1925. That the defendant owns 20 acres of land and some live stock, that he has refused to provide plaintiff with the necessities of life, wherefore she prays for a decree of divorce, restoration of her maiden name, Della Hawkins, and such other relief as the court may deem proper.

A divorce suit has been prepared for filing by Jennie Libby against Dr. Forest Libby. The allegations of the complaint are that they were married at Ogden City, Feb. 18, 1926. That the defendant has been guilty of treating his wife in a cruel manner and of getting intoxicated. Plaintiff asks for a decree of divorce, and restoration of her maiden name, Jennie Weir.

## MRS. ANNA JENSEN'S DEATH.

Mrs. Anna Marie Jensen, a well known and highly respected resident of Ogden, passed peacefully to the great beyond last evening at the home of her son-in-law, Lars Jensen, vice president of the Ogden Packing company, 2550 Madison avenue. The rest she has entered into his being well earned after 12 years spent in usefulness in mortality. Since last November she had suffered greatly from a cancer which gradually sapped the life away. She is survived by four children, Simon Jensen, James Jensen, Mrs. Caroline Hansen and Rasmus Jensen, all of Weber county, also a

## WATERWORKS CONTROVERSY.

A special meeting of the committee of the city council and Improvement league appointed to confer on the waterworks controversy between the city and waterworks company, was held yesterday afternoon but the members only had this to say after their conference that favorable progress was made and they hope to be able in a week or so to have brought about an agreeable settlement.

## PRIZES FOR WELL-KEPT LAWNS.

The executive committee of the Improvement league has appointed Mrs. James G. Paine, Mrs. Joseph Scoveroff and Mrs. Charles A. Nelson a committee to inspect the lawns of the city and to award the five \$5 prizes to the owners of the best kept lawns, Aug. 1. All those who have the care of lawns and desire the committee to inspect the same are requested to notify the ladies. The league has also decided to offer prizes for those who have the cleanest and best kept back yards. A committee for that purpose will be appointed soon after the awards are made for the best lawns.

## FOR LARGER GOVERNMENT BUILDING.

There has been considerable speculation as to what disposition the government would make of the \$120,000 additional appropriation for the public building for Ogden. It has now been practically decided by those having the matter in charge to increase the size of the building 30 feet on the north, facing on Grant avenue and to add one story to the structure. With these additions to the already large building Ogden is assured of a government building sufficiently large to satisfy all requirements for many years to come, and when completed it will be perhaps the handsomest and most costly building in Ogden, as the appropriations now made amount to \$320,000.

## "CUNNING" BREAKS JAIL.

Noted Prestidigitator Gives Exhibition of His Skill.

Special Correspondence.  
Provo, July 4.—Cunning, the Jail-breaker, gave an exhibition of his ability in the county jail yesterday before a large crowd of Provo citizens. After being searched for keys and he signified a willingness to remove all his clothing and to take a trick in a state of nature—he was handcuffed with two pairs of handcuffs and locked in one of the steel cages by Sheriff Harmon. In the presence of a committee consisting of Judge Booth, Mayor Fishy and other prominent citizens. The committee and spectators then retired from the room, and in just six minutes Cunning was outside of the cage, which remained locked or had been released by him after making his exit, and both pairs of handcuffs had been removed from his wrists. The committee offered no explanation, except that he had been locked in the cage, and had come out. Cunning, whose real name is Robert M. Cunningham, is a Provo boy, the son of Mr. Cunningham, who was postmaster here in the early seventies; his mother, Mrs. Jesse B. McCauslin, is still living here. He adopted the profession of a sleight-of-hand performer some years ago, and has appeared in jailbreaking and lock trick, and stars with them on the vaudeville stage. He has just returned from a very successful trip to the east and Canada and has appeared in New York and all the large cities, where the newspapers have given him most flattering notices, all testifying to his ability to mystify the officers and the public. Mr. Cunningham's family lives here, and he is here for the vacation. While here he has been induced to give two public performances in the opera house, tonight and tomorrow night, and he may play in other parts of the state before he goes east to fill his fall engagements.

ing Ogden, being only a few miles distant with the grading work. At the intersection of Lincoln avenue and Thirty-third street, where the cars will turn into Lincoln avenue to run to the center of the city, it has been found that there is not room enough in the street for the large cars to make the turn, and Mr. Bamberger yesterday closed a deal with Mr. Charlotte E. O'Brien for a portion of her lot, situated on the corner so that he will have plenty of room to make a suitable turn. Very anxious to get the line completed so as to be able to run some excursions to Ogden and from here to the Lagoon.

## SHOOTING AFFRAY AT ALTANTA.

Charles Doran shot by William Thomas, an Ex-Convict.

Boise, Ida., July 3.—Charles Doran is in the hospital here, suffering from a shattered left arm caused by a pistol ball. William Thomas tried to kill him, but the ball struck Doran in the arm. The shooting occurred in "Shorty" Burnham's saloon, at Atlanta, Elmore county. A game of poker had been in progress. After it closed Thomas demanded \$50 from Doran. The latter refused to comply with the demand. Thomas then went out. When he returned he had his hands in his pockets as he walked up to Doran. The latter thought he had a beer bottle in his pocket and threw it up his arm to protect himself from the impending blow. Thomas pulled a gun and fired. The shot was aimed at Doran's heart, but struck his arm. Thomas is under arrest. He is a notorious bad man, and was recently released from the penitentiary, where he served a sentence for manslaughter in Owyhee county.

## CACHE COUNTY AFFAIRS.

Thrilling Runaway—Divorce and Other Court Cases.

Special Correspondence.  
Logan, Cache Co., July 3.—The first department was called out Monday afternoon to a blaze in the Fifth ward. A haystack belonging to Albert Stanser was set afire by some small children and was practically consumed. The loss will be about \$50.

While going to the first Monday J. W. Crawford and Will Howell overturned their buggy and were spilled out. They escaped with a few bruises.

## THRILLING RUNAWAY.

Henry Haslam of Wellsville had a rather exciting experience in a runaway on First North street yesterday afternoon. While driving down the street one of the buggy shafts came unfastened and rounded the horse, and caused it to run away. The old gentleman tried hard to check the animal, but without success. The horse dashed furiously along the street, with the buggy swaying from side to side, and for a time it looked like Mr. Haslam could not escape serious injury. A young man, at considerable risk to himself, succeeded in getting hold of the bits and stopping the horse without any particular damage being done.

## HOW TO FIND OUT.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. If it stains the linen it is evidence of kidney trouble; too frequent desire to pass it, or pain in the back is also convincing proof that the kidneys and bladder are out of order.

## WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and acidifying pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It states the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing be sure to mention that you read this generous offer in the Salt Lake City Daily Deseret News. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
