AYER'S CHERRY PECTORAL,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma and Consumption.

The few compositions which have won the confidence of mankind and become household words, lasting not only one but many nations, must possess extraordinary virtues. Perhaps no one ever secured so wide a reputation, or maintained it so long as AYER'S CHERRY PECTORAL.

It has been known to the public about forty years, by a long continued series of unrivaled cures, that have won for it a confidence in its virtues, never equaled by any other medicine. It still makes the most effectual cures of Coughs, Colds, Consumption, that can be made by medical skill. Indeed, the CHERRY PECTORAL has really robbed these dangerous diseases of their terrors to a great extent, and given a feeling of immunity from their fatal effects, that is well founded, if the remedy should be at hand. Every family should have it in their chest, and be ready for the first symptom of the accursed disease, sufferings and even life is saved by this timely defence. The greatest should not neglect it, and the wise will not. Keep it by you for the protection it affords by its early use in sudden attacks.

EVENING NEWS.

Friday, - Dec. 1, 1882.

SANPETE STAKE CONFERENCE.

The Quarterly Conference of the Sanpete Stake of Zion convened at Manti City on the 18th day November.

Present: Presidents John Taylor and George Q. Cannon, Elders Geo. Reynolds, John Irvine, F. Spencer, President Peterson and Counselors.

Conference opened by singing and prayer.

Bishops Anderson, Reid and Allred gave a report of their respective wards, representing the Saints as generally endeavoring to do right.

Statistical report of the Stake and Sabbath school reports were read by Elder A. H. Lund.

Elder George Reynolds bore testimony of the great latter-day work; said that opinions of men were perhaps one as good as another, but it is the province of the Spirit of God to instruct and unite the Saints.

President Peterson refered to the many opportunities afforded to meet with the Apostles, gave a good report of the Saints throughout the Stake. Said the tithing would no doubt be less this year than in preceeding years, owing to a frost in the month of July destroying a part of the wheat crop, and in some places the potato crop too. Asked the Saints to make themselves ready to help forward the work on the Temple the present winter. Singing and benediction.

2 p. m.

After the usual opening exercises President Geo. Q. Cannon said that much depended upon the faithfulness of the Saints in bringing about the redemption of Zion. Said that the blessings promised were not confined to the First Presidency, the Twelve Apostles and a few of the leading Elders, but were given to all the Latter-day Saints who were faithful. Spoke upon the increase of the Saints as being very gratifying; contrasted the principles that God has revealed with the confusion that exists in the world it is necessary in order to reap the blessings of the Gospel to be pure and upright before God; it is the duty of parents to instruct their children as they arrive at manhood and womanhood how to maintain the purity of their bodies, and that the putting off of marriage till late in life is not good. Reviewed the political situation in the Territory.

Prest. Taylor said it would be well to ask ourselves what we are doing here, and what relation we hold to other people, what we are, where we came from and whither we are bound. Read 2rd chapter of Luke, showing that Adam was the son of God, showed that we are the children of God and that God being our Father it is His right to direct His children, and He is endeavoring to do so. He has revealed the Gospel in which there is a power that impels those who receive it to do the will of God. It is the same power that brought Israel out of Egypt and Pharaoh could not help himself. God had revealed himself to Joseph Smith and introduced to him the leading men of other dispensations that have been on the earth. The Gospel brought us here; if it had not been for it, no doubt we would have been among the people where we came from. The Elders have gone forth to preach the Gospel because there is power in this work that impels them. The organization that we have received came from God. There will be no trouble if we keep the commandments of God. Exhorted the Saints to set themselves right before God, and keep his commandments. Let us do our work faithfully and no power on earth will harm the Saints.

Singing. Benediction.

Sunday, 10 a. m.

Apostles Woodruff, Lyman and Teasdale met with the Saints. Opened by singing and prayer.

Apostle Woodruff said the brethren of the Twelve had visited and held good meetings in the settlements in other parts of the Stake, they had enjoyed much of the Spirit of the Lord. Said many of the sayings of the Prophets were being fulfilled, and that God our Father, and the Lord Jesus, and the ancients who have held the Holy Priesthood, were with the First Presidency, the Twelve Apostles and the Quorums of the Holy Priesthood, and the thousands of the lesser Priesthood. These with the thousands of young men and children that are growing up to take the places of those that are now operating in the Church and Kingdom of God, are a power in the earth. There is no trembling of the knees among those who are faithful; there is a power behind them that nerves them up to their duty. Referred to some of the ancient prophecies; said that in none of them had it been stated that the Kingdom of God should be overthrown in this dispensation. The Lord has set his hand to fulfil his promises to Israel. The word of the Lord to us is, turn to the house of Israel. I feel it my right to call on the Seventies to rise up as men and purify themselves and magnify that Priesthood that has been placed upon you." Exhorted the Saints to prepare for the great work before them and slacken not their hands in helping forward the Temple.

Apostle Lyman spoke upon the necessity of enjoying the Holy Spirit in all the labors and walks of life; those who enjoy the Spirt are not deceived; those who are called to labor in the Holy Priesthood should keep all the laws of God, and acquire an influence in the midst of the Latter-day Saints by living correct lives. Studious habits should be formed under the guidance of parents that the children be not over come by the evils that may surround them.

Councilor Maiben read the financial report of Manti Temple.

The General Authorities of the Church and also the Stake Authorities were presented by Councillor Maiben. All of whom were unanimously sustained.

Singing and benediction.

2 p. m.

After singing and prayer, sacrament was administered.

Apostle George Teasdale address the conference. Read from Doctrine and Covenants, page 310. Exhorted each one to look well to his own ways; each set his own house in order; by so doing we will have Zion. Said if any were in ignorance in regard to the principle of plural marriage the fault must certainly rest with themselves. Referred to men having women who were dead sealed to them as wives, and believing they were fulfilling the law, but had never lived in that relationship.

President Geo. Q. Cannon, said there are none of us who can plead ignorance as an excuse for not obeying any law of God; if any of us should learn that we could not obtain celestial glory, there is no doubt we should feel sorrowful and much troubled. It is true we cannot conceive a telestial or terrestial glory, much less a celestial glory, without it is revealed to us; but there are certain principles that have been revealed, of them we cannot plead ignorance. The offer of celestial glory is for the whole people if they will accept of it on the terms on which it is offered, that is, by keeping every law that God gives to them.

President Taylor, said he believed the Saints were trying to keep the commandments of God. All we have and enjoy we receive from God. He has been very kind to the Latter-day Saints, no people who had the Gospel before our days had the pleasant times we have. True, some have laid down their lives, but after taking their lives that was all that their enemies could do. It is the power of God that surrounds this people, that power is operating for us, let the Saints cease their quarreling and be one. Men set their affection on things of this world, they can only enjoy them for a time. Quoted the parable of the rich man and Lazarus; also of the unjust judge. Said if the Priesthood and the Saints will do right there is no power that will hurt a hair of their heads.

President Peterson announced that Conference would adjourn to meet at Ephraim on the 17th and 18th of February, 1883. Singing. Benediction by Apostle Woodruff.

We truly had a time of refreshing during our two days' conference. The Apostles and Elders were full of good counsel, which was accompanied by the Holy Spirit to a remarkable degree, and especially was this the case on Sunday afternoon, for the Saints felt truly that they were in the presence of a Prophet of God.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial. I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbone, sallows, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
