DROPS DEAD IN DEPOT.
OGDEN, Oct. 8.—Andrew P. Lion of Mason City, Iowa, died at the Union depot yesterday morning of heart failure in company with his wife. He was on his way to visit a brother, A. T. Lion, at Long Beach, California. He complained of being ill as soon as he reached Ogden and before the train pulled out for the west his sudden death occurred. He was 60 years old and it is thought that the high altitude encountered in Wyoming and other points enroute affected his heart seriously. The body was taken in charge by local Elks, the deceased having been a prominent member of that order, and turned over to Richard Taylor, a Wyoming physician and other points enroute affected his heart seriously. The committee recommended that the proposition be accepted, and that in the event of the failure of the legislature to make such appropriation, then the rights of the hospital to use the sewer should cease, and that work on the sewer be proceeded with. The report was adopted and a resolution authorizing the recorder to advertise for bids to be opened Monday, Nov. 1, was adopted.

FUNERAL OF MRS. SPENDLOVE.
PROVO, Oct. 8.—The speakers at the funeral services over the remains of Mrs. Eleanor J. Spendlove, held yesterday in the Fourth ward meetinghouse, were Elders M. M. Stooie, Andrew Watson, James Clowe and E. Booth, and Mrs. Andrew Watson. Vocal selections were rendered by the ward choir. There was a good attendance of relatives and friends.

MAY PARK GROUNDS.
PROVO, Oct. 8.—President Joseph B. Keeler is authority for the statement that President Joseph F. Smith has suggested that the property on the south half of the lumberyard block, which is owned by the wards of Provo, should be parked. This suggestion, if carried into effect, will greatly add to the attractiveness of the lumberyard and be a great improvement. Real estate men are anxious to buy the ground for business purposes, but it is not thought this will be favorably considered by the Church authorities.

STAKE CONFERENCE.
PROVO, Oct. 8.—The quarterly conference of the Utah stake will be held Sunday, the 10th. Members of the first presidency are expected to be present. The monthly priesthood meeting will be postponed for one week.

PROVO BRIEFS.
It is estimated that the residences erected in Provo this summer will cost about \$200,000.

The janitorial work of the Brigham Young university is now being done entirely by students, who take advantage of this means of helping to pay their tuition.

The work of the Provo-Olmsted boulevard is progressing in a very satisfactory manner. The D. and R. G. Railway company will move its track about 12 feet in the mouth of the canyon in order to make room for the driveway.

With the increase in wheat production caused by dry farming there will be a demand for elevators to store the wheat. This matter is now being mooted here.

Do the right thing if you have Nasal Catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, for they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passages and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Brothers, 56 Warren Street, New York.

BURGLARS MAKE RICH HAUL.

OGDEN, Oct. 8.—An expert piece of "cracksmanship" was found at the Success meat market on Washington avenue, yesterday morning when the proprietor opened his place of business. Safe blowers had entered by the rear door, having forced a lock, and broke into the safe where they secured about \$300 in cash and checks. The burglars left no clue and the police are in a quandary regarding their capture.

OGDEN BRIEFS.
E. J. Dwyer and H. T. Van Horn, charged with stealing \$15 from a Jay, were found over to the district court yesterday morning and each placed under \$500 bond.

The Oregon Short Line Railroad company has announced a number of changes in its time card at Ogden, effective 12:01 a. m. October 10.

The Sunday school workers of the Ogden stake will hold their regular monthly union meeting tonight at 7:30 o'clock.

A party of Harriman engineers started surveying the grounds at the site of the new freight depot on Wall avenue yesterday. The work on the foundations will begin at once.

DEMOCRATS MEET IN CONVENTION AT PROVO.

Prohibition Leading Issue in Platform Unanimously Adopted This Morning.

(Special Correspondence.)
PROVO, Oct. 8.—The city convention of the Democratic party met in the opera house at 10 o'clock this morning and listened to rousing speeches in favor of prohibition. It also unanimously adopted a strong prohibition plank in the platform commending the action of the city council on the passing of the prohibition ordinance and pledging its nominees, if elected, to strictly enforce the same. Before adjournment was taken until this afternoon to make nominations, the following permanent organization was effected: Chairman, James L. Brown; vice chairman, Messrs. William Gibby, T. N. Taylor, Amanda Pierpont and W. Lester Mangan; and Miss Josephine Kellogg; secretary, A. O. Smith, Jr.; assistant secretary, Miss Vilate Elliott.

FATAL GUN ACCIDENT AND DEATH OF RAYMOND YOUTH

(Special Correspondence.)
RAYMOND, Alberta, Canada, Oct. 12.—A sad accident occurred to the little 12-year-old son of Mr. and Mrs. J. M. Brown, a day or two ago. It seems the little fellow was following his elder brother, who had a loaded gun on his shoulder which in some inexplicable way was discharged, the shot lodging in the smaller boy's head. Death was not instantaneous owing to the shot scattering and the child's head being just a little too low to receive the full force of the discharge. The funeral, which was largely attended, was held in the Raymond meetinghouse.

DEATH OF PROMISING YOUTH.

RAYMOND, Oct. 2.—The community sustained another severe loss by the death this week of Alma T. Christensen, son of P. J. Christensen of this place. The young man, who was a splendid specimen of manhood, had just passed his twentieth birthday and was one of the most popular boys of the town. He had been ailing but a few days and the physician when called in diagnosed the trouble as appendicitis. He was operated upon at once but the disease had obtained so firm a hold that while he survived the operation a couple of days it may be said he never rallied from it. He was making preparation to leave for a mission upon which he had been called but a few days prior to being stricken with death. The community is deeply stirred over the loss and the family has the sympathy of every one who knew "Alfie," as he was familiarly called. Some eloquent tributes were paid him at the services over his remains both orally and in verse. He was a modest, manly boy, and his friends will always remember him as a fine type of young manhood.

PROSPEROUS SEASON IN CANADA

RAYMOND, Alberta, Canada, Oct. 2.—Except for what is incident to all communities the people of Raymond are enjoying to a marked degree the bounties and blessings of earth. The harvest is a full one and farmers are rejoicing in the ability to meet all demands and obligations of a financial character.

The sugar factory will start within a few days, the beet harvest being already begun. The crop is up to average, according to present indications and the factory body with its tentacles of teams will soon be converting field vegetables into commercial sugar.
