BAPTISM FOR THE DEAD.

ÁN auquirer asks the Christian Union

"Can you give me any light on the reference in 1 Corrinthians xv., 29, to being "baptized for the dead?" To which the answer is given

How much "light" is there in this reply? Just about as much as is usually shed by modern "divines" ern division.

received the reply? He is treated to a sophistical rendering or the true meaning, and give him a chance. if he desires, like many arthodox preachers to wiggle out of the plain and simple conclusion to which that scripture leads, but which is contrary to the tedchings of all the sects. There is one valuable admission in

the response, that is the acknowledgement of the fact that in the early Christian Church a "custom" cer-

tainly existed "of baptizing the living for the dead." This is qualified though by an after expression to the

effect that "Paul's reference does not involve any commendation of this custom." This usage of the Church "at ; much importance to be dismissed with such a title. The Apostles of

Jesus Christ were not commissioned to go to all the world and establish "enstoms" but to preach the Gospel

baptize believers in the way appointed and shown forth in the pattern wind guage in the competition at set by the Savior Himself and to Wimbledon, except in the Interna-tional match of the volunteer ser-vice. The Gazette reports this deci-
