Last Night's Dispatches.

EASTERN.
DAYTON, O., 29.—The Shortline
freight depot is burning. Loss
likely to be heavy.
Negro Outrages.
MONROE, La., 29.—This city and
vicinity are greatly excited because
of the firing into last night of the
residence of David Falk, Isaacs
Garrett and Lamay Falk, planters,
living on the river below here.
Mrs. David Falk has been danger-
ously ill for weeks. Her bedroom
was the target of the assassins. Mr.
Garrett's house received about
seventy bullets. Mr. Lamay Falk
was two miles, both colored and
white, fired upon. The explosion two
cops, aiming at him, and went on. Several
white families in the vicinity
have come to this place for safety,
and appeals have been made to the
volunteer companies here for as-
sistance. No cause can be imagined for
this outrage, which has thrown
the whole party into a state of
excitement, and spread terror
among the whites of this section,
where the greatest quiet has hith-
erto prevailed. It is thought this
trouble is caused by a disturbance
which occurred last Saturday at a
republican barbecue, when eight or
ten of the whites, present by invita-
tion, were rudely treated by ne-
groes, their lives threatened, and
they were forced to leave the
grounds to pacify the infuriated
throng, who drew repeaters and
otherwise exhibited the ferocity of
desperation. Fortunately the firing
at the houses did not do serious
damage, and the second day
case entered a bedroom. Steps
have been taken to preserve peace,
and prevent recurrences of similar
outrages.

The Greco-Roman Wrestlers.
CHICAGO, 29.—In the Greco-
Roman wrestling match, today, be-
tween Wm. Miller and Theodor
Bauer, for a purse of \$1,000,
the first bout was won by Bauer in
five minutes, and the second by
Miller in seven minutes, and the
third and fourth by Bauer in
twenty-eight minutes.

Another Failure.
MEMPHIS, Tenn., 29.—White,
Longstaff & Co., wholesale hard-
ware dealers, have suspended. The
firm has been embarrassed for some
time, but failing to effect a com-
promise with their creditors, closed
their doors to-day; liabilities not
reported.

Bristow's Order Revoked.
WASHINGTON, 29.—Secretary
Bristow has revoked Secretary
Bristow's order of July 13, 1875, placing
special agents under the direction
of the Solicitor of the Treasury.
They will act under the direction
of Slinger, supervising agent, sub-
ject to the order of the Secretary.

**The Examination by the Indian
office of the question pending be-
tween the North Carolina and
Western Cherokees, has led to the
understanding of a denouncing
order, extending through three ad-
ministrations, and amounting to
over \$3,000,000 stolen, which was
appropriated by Congress at the
close of the last administration, for
the removal of the Cherokees from
North Georgia and vicinity to the
Indian Territory. A good portion
of the money appropriated under
the treaty of removal went into the
hands of those of the democratic
party, which, administering the
affairs, managed the affair, and
which, finally, the administration
of Polk, Pierce and Buchanan,
continued to press their claims,
insert bills and secure appropri-
ations for the expenses incurred in
their removal. Where the actual
cost of removal in many cases was
only \$20 per head, from \$150 to \$500
was charged, and added for the re-
moval of the families of numbers of
Indians were submitted and allowed.
The investigation thus far involves
a number of democratic politicians
of the administration named, and
has shown that the money stolen
outright was not less than \$3,
000,000.**

**Removal to be Urged—Habeas
corpus for the safe burglar.**
CHICAGO, 29.—The Inter-Ocean
Washington special says a delega-
tion called on Attorney General
Farr, to-day, to urge the removal
of the safe burglar, chief of the
secret service, Samuel Walker, who
is understood to be behind the move-
ment.

**It is given out, by Babcock's
friends, that he will press for an
immediate trial of the safe bur-
glar case, when it comes up on the
19th of September, as he is entirely
satisfied with the acquittal of the
charge of complicity.**
The last page of the Congressional
Record for last session was stereo-
typed so that it will press for an
immediate trial of the safe bur-
glar case, when it comes up on the
19th of September, as he is entirely
satisfied with the acquittal of the
charge of complicity.

THE INTERNATIONAL RACES.
PHILADELPHIA, 29.—The second
heat was contested by Liebert, of
the Vesper, Ed. Mills, Jr., of the
Atlantic, Holmann of Philadelphia
University, Curtis, of the North-
western withdrawing. Mills won
in 10:59. Holmann was very weak
at the finish, and Curtis, of the
Northwestern, Gormley, of the
Quebec City, and J. E. Fisher, of the
Crescent Club, Gormley won
in 10:34.
The next race was for four-oared
shells, between the Eureka and
Brooklyners. The latter won in
9:07.
The first Trinity, of Cambridge,
England, and Watkins, of New
York, started on the next race,
Coulson having a large and heavy
account of sickness. In the course
of the race, the Cambridge stopped,
the captain being sick. Watkins
won in 10:11.
The London Rowing and Yale
University rowed the next race,
which was close and exciting
throughout, London winning by
one second, time 9:51.15.

Bristow's Order Revoked.
WASHINGTON, 29.—Secretary
Bristow has revoked Secretary
Bristow's order of July 13, 1875, placing
special agents under the direction
of the Solicitor of the Treasury.
They will act under the direction
of Slinger, supervising agent, sub-
ject to the order of the Secretary.

**The Examination by the Indian
office of the question pending be-
tween the North Carolina and
Western Cherokees, has led to the
understanding of a denouncing
order, extending through three ad-
ministrations, and amounting to
over \$3,000,000 stolen, which was
appropriated by Congress at the
close of the last administration, for
the removal of the Cherokees from
North Georgia and vicinity to the
Indian Territory. A good portion
of the money appropriated under
the treaty of removal went into the
hands of those of the democratic
party, which, administering the
affairs, managed the affair, and
which, finally, the administration
of Polk, Pierce and Buchanan,
continued to press their claims,
insert bills and secure appropri-
ations for the expenses incurred in
their removal. Where the actual
cost of removal in many cases was
only \$20 per head, from \$150 to \$500
was charged, and added for the re-
moval of the families of numbers of
Indians were submitted and allowed.
The investigation thus far involves
a number of democratic politicians
of the administration named, and
has shown that the money stolen
outright was not less than \$3,
000,000.**

**Removal to be Urged—Habeas

Washington special says a delega-
tion called on Attorney General

ment.

**It is given out, by Babcock's
friends, that he will press for an
immediate trial of the safe bur-
glar case, when it comes**
