CONCERNING THE MAIL TO IDAHO TERRITORY.

MESSRS. OLIVER & Co. Proprietors of the Banack City Express Wagon are making weekly trips from G. S. L. City to all the camps in the vicinity of the Beaver Head, Gros-bopper, Sitkinkwater and Portett Mines, carrying passengers, packages, letters, etc., with celerity and security. They also forward Express matter to Deer Lodge, Gallatin on three forks, Missoula river, Prickly Pear, San river, Fort Benton, American Fork, Hell Gate, Bitter Root Valley, Elk City, Lewiston and all the principal camps in the South-eastern part of Idaho Territory.
The U. S. mail from Great Salt Lake City to this place via Brigham City, Cache Valley, Soda Springs, U. T., Snake river Ferry, Banack City, Sitkinkwater mines to Fort Benton, Idaho Territory, will naturally come under the same contracts which is in fact the only practicable road that can be traveled during the winter months. Besides this it will be over 200 miles nearer from Denver to the new gold fields by Russell's wagon road, now nearly completed, than by any other route.
The prejudice for certain localities and the ambition for single handed gain are insignificant when compared with the interest of the Government and the wishes and interests of so many thousands of people who are becoming identified with the growth and prosperity of Idaho Territory.
All persons wishing to communicate with their friends in this country should direct their letters to G. S. L. City, in care of the Banack City Express.
