RATOR'S CONTINGENT PURD.

HART LAKE City, Utah, April 1, 180

April 1, 1997.
To the Editor: As there is considerable should be placed if the Mayor is report with resolution of the Mayor is report with resolution of the control of the

eth. Was Ryopposed to be used to some purpose? Firth—in your opinion has the city re-spot the came results from the same count of money expended by each an-

money exponency of soil universal control of the co

contingent fund, \$7,000.55-all there was in it.

S. The contingent fund is no more the mayor's fund then it. Is the entitlet's find. It is a city sensity representant. It was foreastly under the control of use ofly marked, but in May, 1800, we put under the leint manner of use ofly marked, but in May, 1800, we put under the leint manner of the mayor and another. It was created as a first it which the City Council could appropriate same to meet and pay a expense, the paymental which we not otherwise prevailed for the ordinance. For leakable, if a telegram were to be received by the Mayor on third housing, at it has house it advisable hereine, at it has been a supported and the second of the council of t Shaled so that the mayor and souther your accessed stands requirements without the takeny of getting special Spongathous through the Council, and Ossaidoning much inconvictioner, and these small incidental exponent was present to the Council, and these small incidental exponent matters of public record. This, in these the council of t

The heat that has City Unn on heavilland an Hemiral report is evi-ience that the vouchers for laws did not star five partioniar purpose for which the unner was need, as did the emphasis for 1800, and the record here routher for 1800, and the recent here given are discover that fasture. In 1800, and, the shad was not under in jurist control of mayor and audi-tor, not the latter merely recognized the orders of the former. When, for making, the last image was drawn, the Jerusid was for a larger sum, but in waither copied there was mily good in the found, and that amount was 1800.

ine matter repided there was mity and in a part of the grand of the first and the same was the part of the grand's controlling expans, it may be calculated by the first and the finance committee easer that the cost as should be a purpose of the first and the first and the first and the same and the first and the first
