FRITZ FOX VICTIM OF FOUL PLAY

Impressive Obsequies Over Remains of Henry Karl Rolapp Sunday.

MRS. MELISSA SHURTLEFF DEAD

Funeral of Thomas Wiggins—W. W. Crossman Promoted in Telephone Service—Railroader Banqueted.

Ogden, Utah, May 22.—Fritz Fox, a butcher about 39 years of age, is lying in an unconscious condition at the Ogden General hospital from the effects of injuries sustained early Sunday morning.

Fox had been in the Little Queen saloon during Saturday night drinking heavily. He left the saloon after midnight, as the bartender, Mr. Folkman, supposed to go to his home in the rear of the saloon. About 3 o'clock in the morning, however, he was found at the bottom of the staircase leading into the rear of the saloon, lying on the floor in an unconscious condition. He was picked up and taken to his room, a physician was summoned, who, thinking that he was in a drunken stupor, gave him little attention. Those who were with him became alarmed as his unconsciousness continued and sent for Dr. H. B. Fox, who soon arrived, and after examining his head and found that he had a very severe fracture of the skull just over the right eye. He had Fox removed to the Ogden General hospital, where an operation was performed about 6 o'clock yesterday morning, and a large piece of the skull removed.

It is folly to suffer from that horrible plague of the night, the influenza, by taking Dr. Williams' Pink Pills for Pale People. At any drug store, 50 cents.

The doctor is of the opinion that the injuries were not received by Fox falling down the staircase, but that he was hit with some instrument and then thrown down the stairs. The matter was not reported to the police until last evening, and they are now making a thorough investigation of the case. Some are suspicious that Fox met with foul play. His son from Lake City came to Ogden last evening.

ANOTHER PIONEER GONE

Mrs. Melissa Shurtleff, wife of the late Luman A. Shurtleff, and one of the Pioneer women of Weber county, died at 2:30 yesterday afternoon at the family residence, of general debility, aged 72 years. She was born in Massachusetts in 1832. When ten years of age she became identified with the church of Jesus Christ of Latter-day Saints, to which she was faithful to the end. Her life was spent in usefulness, and in the raising of a family in the ways of righteousness. She was the mother of President L. W. Shurtleff, who, together with two more sons and three daughters, survive her. The funeral will be held Wednesday afternoon in the Third Ward meetinghouse, where will take place in the Ogden City cemetery.

FUNERAL OF HENRY KARL ROLAPP

Henry Karl Rolapp, eldest son of Judge and Mrs. H. H. Rolapp, was laid to his final rest in the family burial ground yesterday afternoon. During the preceding night, while in the family residence, and his life was looked upon for the last time in mortality by hundreds of his friends and associates. The room in which he lay was banked with beautiful floral tributes, as evidence of the love and esteem in which he was held. The Ogden High school, of which he was a student, attended the funeral in a body, as did also the members of the bar, and representatives of the Grand Lodge A. O. U. W. and Degree of Honor. The funeral services were held, was crowded to overflowing with sympathizing friends who gathered to pay a tribute of respect to one of Ogden's most noble young men.

The services were presided over by Bishop John Watson. The ward choir under the direction of Prof. Squire Cooper, sang, "Did You Think to Pray?" James H. Douglass offered the opening invocation. Miss Hensie Blair sang, "I Know That My Redeemer Lives."

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

FOURTH DISTRICT COURT.

John R. Gray pleaded guilty to burglary (entering a R. V. freight car at Tucker) and stealing some merchandise in the Fourth district court, and was sentenced to serve 15 months in the state prison.

Handed Prisoner of Payson, was before the court on a charge of incorrigibility. His case was submitted to County Probation Officer Woodruff, who recommended that the boy, who is but years of age and appears to be a bright boy, with a fair school record, be placed on probation, and stated that the child had been promised to take care of the property of the family, and was removed from temptations to wrong doing. Judge Booth disposed of the case according to the recommendation of the probation officer.

Suit of foreclosure has been commenced by Caroline R. Fry against P. R. Engelhard, administrator of the estate of W. S. Pierce, deceased, and Lillie Pierce to collect \$1,000 with interest at 10 per cent from Aug. 15, 1899, on a promissory note secured by mortgage.

CITY JUVENILE COURT.

Judge M. M. Kellogg of the city juvenile court is now conveniently located in the direction of the Gates-street building opposite the courthouse. Atty. James H. Douglass offered the opening invocation. Miss Hensie Blair sang, "I Know That My Redeemer Lives."

CAR OF LEMONS BURNED.

Early Sunday morning a car of lemons in an eastbound freight train on the Rio Grande railroad was discovered to be on fire on the track just as it neared here. The fire department was notified and the car detached from the train and turned over to the firemen who put out the fire, but not before the car was badly damaged and contents ruined. The fire started in the roof, presumably from sparks from the engine.

WEDDING BELLS.

Marriage licenses have been issued to the following couples: George A. Hanks, 37, of Heber, and Mrs. Bessie Johnson, 43, of Park City; George W. Jones, 24, and Alice Gedhill, 21, both of Lehi.

GARDEN CITY NOTES.

The speakers at the Smartest Sunday were Elders E. H. Smart and J. H. Friary.

Mrs. B. H. Thurman and children left today for Maryland for the summer, to visit Mrs. Thurman's parents. Mr. Thurman accompanied the family to Chicago.

The special city council committee appointed to investigate the methods of keeping the accounts of the various departments of the city has decided to recommend that the recorder be made clerk of the various departments. This will necessitate the appointment of a deputy and the employment of other additional help, at least occasionally. The recorder will be given the office now used by the recorder, and Justice Noon will take the office now occupied by the recorder. The recommendations will, without doubt be adopted by the council.

W. W. Crossman Promoted. The great increase in the work and business of the Rocky Mountain Bell Telephone company in Utah has necessitated the creating of a new position, that of district manager, and W. W. Crossman, who for nearly 25 years has been manager of the Ogden office of the company, has been promoted to the new position. He will be under the direction of the superintendent, but will have the responsibility of looking after the company's business in the district, and will be able to fill with honor and credit as he has done the management of the Ogden office for so many years.

E. E. CLARK BANQUETED. A banquet was given last evening at the Hotel Utah by the local order of the United Conductors of the Grand Order of United Conductors of the United States E. E. Clark of Grand Rapids, Michigan, who, with his two daughters, is returning home from the convention at Portland. After the sumptuous banquet, the guests adjourned to the Grand Opera house, where they attended the Lilliputian opera company. Mr. Clark was visiting in Ogden with his sister, Mrs. Reynolds. He left for his home today.

DESTRUCTIVE STORM.

"News" Placed in False Light—New Bank—Death's Record—Weddings. Special Correspondence.

Logan, Cache Co., May 21.—The storm that passed over this valley on Thursday evening was very severe in the south end, especially along a belt extending from Stirling eastward to the north of Payson. Along this strip of about four miles in width a great deal of damage was done by hail and rain, growing grain and alfalfa were beaten down and washed out of the ground, windows were broken and a number of animals killed. Rice Jones at Stirling had four horses and 12 hogs killed by lightning. "Tucker" and other men, and their heads over a wire fence and the force of the shock was so great that it threw one of the horses over the fence. The damage grain and crops will amount to several thousands dollars.

"NEWS" ATTACKED UNJUSTLY.

A local paper, prompted by a wish to injure the Deseret News in this county, associates it with the knackers' organ in its supposed efforts to remove the Agricultural College from Logan. At the same time intimates that the Herald is the loyal friend of the college. The object of the article is too transparent to deceive the people. The "News" has always stood for the best interests of the people of the state and county. At no time has the "News" advocated the removal of the college from Logan, but has always manifested the kindest feeling towards that institution and has rejoiced with other citizens in the wonderful growth of the college. The people of Logan and Cache county understand this and are not to be deceived by the sophistry of the local sheet.

The descendants of father George T. Baugh treated him to a genuine surprise party yesterday, the occasion being his 94th birthday. The family gathered at the residence of Joseph Knowles where a sumptuous feast was prepared and where the day was spent in music, games and general sociability.

NEW BANKS PROJECTED.

A movement is on foot to open a bank at Smithfield. It is understood that Moses Thatcher, H. R. Hatch and other Logan and Smithfield parties are back of the scheme. Richmond parties are also taking of a bank for that thrifty town. It is claimed that the condensed milk factory pays out about \$500,000 annually for milk in that vicinity and a bank is almost a necessity.

President W. H. Lewis, B. A. Hendricks, the Pond brothers and other Lewiston parties have about perfected plans for a bank at Lewiston. The Cache Valley Bank and the Logan are also interested in the move.

ADDITION TO LIGHT PLANT.

The city council has decided to install a second unit at the city power plant, thus doubling the capacity of the plant. The electric light committee will proceed with the work at once and it is expected that the plant will be completed by Sept. 1.

Joseph Mauritzen of the Seventh

ward broke his left arm on Friday night, while at play.

John Nicholson, the janitor at the courthouse, is very ill of Bright's disease.

A child of Arthur Bateson is down with pneumonia.

Mrs. Jane Widman of Smithfield was examined as to her sanity by Judge Maughan Friday. The judge decided that she was sane and ordered her discharged.

Work on the Utah park resort is being pushed and Manager Poyer says that it will be ready to open by the 1st of June.

Alma Harris and family left Logan Thursday for California. They expect to make their home near Los Angeles. The program rendered by the graduating class of the city schools attracted nearly 2,000 people to the Tabernacle on Friday evening. All of the exercises were exceptionally well rendered.

On the 10th inst. Mrs. Margaret Adams, wife of John Adams, of Cedar City, died of valvular heart disease. Deceased was a native of Scotland, born Oct. 1, 1840, and came to Utah in early days, crossing the plains with ox teams. She married Elder George Condit some four years after her arrival, and lived for a short time at Hamilton's from which place they moved to Knott, Millard county, returning to Hamilton's, Iron county, where they resided until her death. Condit was the mother of nine children, six of which have preceded her to the other side. She was an earnest and devoted mother and a kind and generous friend. Her funeral services were held in the Cedar City tabernacle on the 17th inst.

The weather for several days has been very unsettled and heavy indications are very promising for more rain.

Considerable sickness prevailing, a species of bronchitis with wheezing cough being quite prevalent.

The warm weather has swollen city creek to such an extent that it is unsafe to ford in the afternoon. Crops are growing nicely the past few days and lucern bids fair for a good yield. Shearing is now completed and a very fair clip has been realized and reasonably prices for wool have been received.

District school closed last week for the summer months. The Branch Normal will continue a few weeks longer. During the absence of the school, labor outside of agricultural pursuits is scarce, and but little is doing in and around Cedar City.

SUIT OVER WATER.

Christian Garf has commenced suit in the district court against the Thatcher Mill and Elevator company restraining them from using certain water rights in the canal which furnishes power to their mill. The complaint sets forth that plaintiff expended large sums of money in widening the canal and increasing its carrying capacity and is justly entitled to the use of the additional water turned into the canal.

students and teachers attended the funeral in a body. The speakers, Prof. Howard R. Briggs, Dr. Middleton, President Henry Logan and Elder Joseph Armstrong, all paid high tribute to the memory of the young man. Their words were full of consolation for those bereft. In addition to the good music furnished by the ward choir, Mrs. Burgess sang a solo "Cavary."

The deceased was born in Cedar City Feb. 16, 1879. He performed a faithful mission in California between June, 1902, and June, 1904, when he was forced to return home by the illness which has finally resulted in his death.

HARVEST OF GRIM REAPER.

The grim reaper has been unusually active in our city during the past week, four deaths having occurred. On the 17th inst. Mrs. John W. Jones, 64 years of age, died of Bright's disease.

Mrs. Jones was born in Hueland, England, Oct. 25, 1841, and came to Utah in 1869, and some time after both joined the Church and came to Utah. They settled in Parowan, Iron county, Utah, where they resided until Mrs. Jones' death.

On the 10th inst. the infant son of George and Parney Jones died of acute Bright's disease.

On the 10th inst. Mrs. Margaret Adams, wife of John Adams, of Cedar City, died of valvular heart disease.
