EASTERN.

NEW ORLEANS, 18.—Before the
House investigating committee
John Young testified that he was a
lawyer and a conservative demo-
crat, over one hundred negroes
were taken to the electoral ticket
at last election at Vidalia, and 156
the state ticket. The negroes feared
to vote the democratic ticket unless
the democratic whites guaranteed
them protection. This was the case
in Vidalia. It was the general talk
among the negroes that every negro
democrat ought to be killed, be de-
serted and abused by his wife, etc.
The republicans have a large major-
ity in Concordia. He knew of no
violence to negro democrats only
threats. Dave Young and a num-
ber of other republicans are under
arrest. The state militia is in
public school money, obtained as
trustees. All means were used to
make democrats vote the republi-
can ticket except violence. The
supervisor of the election, having a
two returns, one including all the
polls, and the second excluding
polls two, three and four, where
protests were made. Witness made
some of these protests. Those polls
were largely republican.
I. Floyd King, of Concordia par-
ish, testified that he saw no vio-
lence at Vidalia, but threats, and
one colored democrat having a re-
publican ticket thrust on him. There
was general fear among the colo-
red men that if they voted the de-
mocratic ticket they must suffer.
Thomas Dwyer, colored, of Con-
cordia, had heard many threats
against the negro democrats. He
would not have voted the demo-
cratic ticket but for the protection
of the whites.
E. C. Whitney, New Orleans
correspondent of the New York
Herald, testified to an interview
with James Anderson, supervisor
of East Feliciana, in which the lat-
ter said if the democrats would
guarantee him a situation he would
assist the democratic party.
Anderson produced a letter in a
velope, with a seal, endorsed, "To
be opened when the returning
board promulgates the vote." An-
derson and Kellogg treated him
badly, for they said, having
gone back on the party.
Other witnesses testified to
threats, but no intimidation against
the democratic negroes.
The House investigating committee
left to-day. The Shreveport and
Monroe committees leave to-mor-
row.
Gov. Wells, said to-night, that
he would refuse to give his reasons
for throwing out the votes of any
poll or parish.
Ex-Governor Wickliffe, of West
Feliciana, testified that over 1,000
negroes in the parish voted the
democratic ticket enthusiastically
and voluntarily. The relations of
whites and blacks were becoming
more friendly. He promised the
negroes that the democrats car-
ried the election and refused to
carry out their promises, he would
become a republican at the next
campaign. He thought there was
intimidation of colored democrats
by republicans. He addressed large
audiences of colored men and had
been attentively heard, and sold
cited them to speak again.
Cross-examined—There were
regulators in the parishes organ-
ized to punish those thieves and stop
petty pilfering. Week, the demo-
cratic candidate for governor, was
assassinated by an unknown man.
South Carolina—The Investigation
Committee at Work.
COLUMBIA, 18.—Another un-
successful ballot for United States
Senator was taken in the demo-
cratic House to-day. Everything
quiet in the House. The House
investigating committee are working
actively but quietly. Rumor of a
compromise between the republicans
and democrats, favorable to the
latter, is circulated.

Washington Gossip.
WASHINGTON, 18.—At the ses-
sion of the House judiciary com-
mittee to-day, Hear submitted a
proposition to the following effect:
First, that the House shall compel
the production of private papers
and telegrams in the case where a
person is required to produce them,
not himself charged with offence,
or if so charged, secured by a
most ample protection against pe-
nal consequences; and second, that
satisfactory proof, in all cases,
should be required in advance, that
private papers or telegrams would
throw light on the subject under
investigation and in all cases there
should be a description of particu-
lar paper or telegram required.
The proposition submitted by
Scott Lord was that the House
should authorize its committee
to procure telegraphic correspon-
dence in any case where the
character of the correspondence is
proper and material for the in-
quiry before the House, and that
in case the correspondence does
not pertain to the subject matter,
great care should be taken in its
publication, and in case of refusal
by any person to produce corre-
spondence he shall, on due
process therefor, be brought to the
bar of the House to be dealt with
according to law.
The Indian War Justified.
The report of the Sioux commis-
sion has been received here. It de-
tails the investigation into the late
Sioux war, and finds that the In-
dians were greatly wronged, that
they were justified in their out-
rages, and that the government
of all the treaties. It is an interesting
commentary on the government's
treatment of the Indian question.

Arrival of Artillery.
Battery G, Second Artillery, re-
cently on duty at Fort Reno and
Sill, Indian Territory, arrived here
to-day, from Canada, in custody,
was surrendered by the Canadian
authorities under the extradition
treaty.
New York, 18.—Veltman, charged
with forgery, who arrived here
to-day, from Canada, in custody,
was surrendered by the Canadian
authorities under the extradition
treaty.

EASTERN.

CHICAGO, 18.—The Tribune's
Washington special says Senator
Morton said, in response to friends,
that his Indianapolis trip was on
private business requiring his per-
sonal attention. He seemed enough
to satisfy him that the democratic
gathering in Indianapolis on Janu-
ary 8th is intended as a menace of
the Indian democracy who wish
to declare that they will not submit
to any result not involving the in-
auguration of Tilden. Republicans
informed him that secret societies
had been organized in the State,
and the members pledged to resist
forcibly the authority of Hayes if
inaugurated. He criticized severely
Hendricks for apparently seeking
to inflame the feelings of the party
by the use of such a wise counselling
submission to the law.
From Florida.
TALLAHASSEE, 18.—The congres-
sional committee has been at work
to-day. The Senate committee
will not go to Jackson county but
will await instruction here. Senator
Leon county, as having
the public were denied admission,
the sergeant-at-arms saying that
he had orders to admit no one.
Cards to the chairman were re-
turned with the statement that the
session would be secret. The day
was consumed in examining the
republican members of the canvass-
ing board.
Judge Cooke is summoned to ap-
pear before the committee.
The House committee had before
it eighteen negroes whose names
were on the poll list at Richardson's
precinct, Leon county, as having
voted there, who swore that they
did not vote there, and were not
at the precinct all day. There were
votes in the ballot box to accord
with these names. The committee
will summon other witnesses to-
morrow. The introduction of colored
witnesses to-day, and their
testimony created quite a sensa-
tion.
The supreme court continued its
session to-day, for hearing the ar-
gument in the mandamus. The
argument will be concluded to-
morrow, and the decision announ-
ced probably on Wednesday.
Gen. Lew. Wallace arrives to-
night.

WESTERN.
Discharged.
SAN FRANCISCO, 18.—James W.
Bowman, a post office clerk, arrested
some months ago for robbing the
mails, was discharged to-day in the
circuit court, on motion of the
United States attorney, under in-
structions from the Attorney Gen-
eral, the grand jury having ignored
the presentment.
The indictment against Charles
K. Sanders, the defaulting paymas-
ter of the United States, was dis-
missed to-day.
A Portland dispatch says Gov.
Grover leaves for Washington to-
day, via Victoria. He has prepared
an elaborate argument sustaining
his action in the Cronin case, with
a statement of the reasons for his
re-entrance in pamphlet form for cir-
culation east, but the printers have
strict orders not to allow it to be
made public here, nor any copies
of the same to be sent to the
nation of this document Grover was
not able to leave on Saturday with
the other witnesses.

A Sure Cure for the Piles.
A sure cure for the Blind, Bleed-
ing, Itching and Ulcerated Piles
has been discovered by Dr. William
(an Indian remedy), called Dr.
(William's) Indian Ointment. A
single box cures the worst old
chronic cases of 25 and 30 years
standing. No one need suffer five
minutes after applying this won-
derful soothing medicine. Lotions,
instruments and electrolysis do no
harm than good. Williams' ointment
supports the tumors, gives
instant and painless relief, and is
prepared exclusively for Piles, and
not for the cure of hemorrhoids.
Cures and full directions for use, see
large circular around each box.
Sold by all the leading druggists
and country storekeepers every-
where. Do not be deceived by cheap
imitations. Ointment and take no substi-
tute.

Consumption can be Cured.

DR. FRAZIER. Dear Sir: I feel
it a duty I owe to suffering human-
ity to write you, stating the won-
derful benefit I have derived from
your Life Syrup. For certifying
Strengthening Root Bitters. For
some time I was sorely afflicted
with a cough, raising bad stuff,
with every symptom of being a
consumptive. For certifying
different medicines and cures, with-
out finding relief; I also consulted
three of our most prominent Cleve-
land physicians, the last one of
whom pronounced my case serious,
and informed me I could not live
more than a few months. About
this time, hearing of your wonder-
ful success, I commenced taking
your Life Syrup for the lungs, in
connection with your Root Bitters,
and at once was benefited, and
after using the medicine some two
months, I find myself entirely cured.
If this statement of my case
can be of any service to you in
bringing your medicines to the no-
tice of the suffering, my object in
writing this note will be attained,
for I firmly believe my life has
been saved by your treatment.
Signed, TORRENCE DUNN.
