Piles Cured Quickly at Home

Why Suffer Any Longer When You Can Get a Quick, Sure Cure For Your Piles by Simply Sending Your Name and Address?

Trial Package Is Sent Absolutely Free, in Plain Wrapper to Everyone Who Writes.

Surgeons themselves consider a permanent cure of piles by a surgical operation as very doubtful, and resort to it only when the patient has become desperate from long continued pain and agony. But the operation itself is every bit as excruciating and nerve-racking as the disease. Besides, it is humiliating and expensive, and rarely a successful one.

The wonderful Pyramid Pile Cure makes an operation unnecessary. You cure yourself with perfect ease, in your own home, and for little expense.

Pyramid Pile Cure gives you instant relief. It immediately heals all sores and ulcers, reduces congestion and inflammation, and takes away all pain, itching and irritation. Just a little of the remedy is usually sufficient to give a permanent cure.

Pyramid Pile Cure is prepared in the form of suppositories so that they can be applied directly to the parts without inconvenience, or interrupting your work in any way.

We are sending a trial treatment free of charge, to every one who sends name and address. We do this to prove to you just about this wonderful remedy is true.

After you have tried the sample treatment, and you are satisfied, you can get a full regular-sized treatment of Pyramid Pile Cure at your druggist's for 50 cents. If he hasn't it, send us the money and we will send you the treatment at once, by mail, in plain sealed package.

With the new service in operation the house can be greatly improved and beautified.
