WHAT IS A GUARANTEE?

Many merchants and salesmen are in the habit of indifferently
"guaranteeing" their wares with no thought of being called upon to
make the "guarantee" good. It is a pernicious and foolish custom more
prevalent in the West than in the East.

A guarantee, to have any value, should be made with knowledge of
the meaning of the word and a set purpose to carry out the terms of the
guarantee. On five rods the makers instruct us to warrant, and we re-
place any bad found imperfect in use.
