The city in the franchise granted to the Utah Light & Power company re-served the right to string wires on the company's poles free of charge and in the event that the contract is entered into with Garff & Son it may tak ad-vantage of that privilege. After visit-ing the site of the proposed plant the committee will make some definite report to the council.

MISS FLANDERS' RECITAL.

Musical Treat Given at the Congregational Church Last Night.

The First Congregational church was packed with people last night on the occasion of the plano recital given by Miss Gratia Flanders with her advanced pupils. In fact, the auditorium was so full that the Sunday school room had to be utilized. The platform was profusely decorated with choice plants and flowers, and there were two planos. Miss Flanders effec-tively superintended the events of the evening, and certainly did her duty in one thing, viz., in quieting people in the audience who were disposed to caron conversations during the performance

Miss Flanders and her pupils are to be congratulated on the accomplish-ments of the recital. It was a bril-liant function all through; and all did so well that it would seem unfair to mention two or three and leave out the rest. Those who participated were Miss Geneva Ellerbeck. Mrs. J. W. Christy, Mrs. Harry Ganz, Miss Pearl Rothschild, Miss Judith Evans, Miss Mariam Brooks, Misses Stella and Elste Cohn, Miss Irma Watson, Miss Ethel
