Must Relp.

late today. The subject under steration was, "Should the Break-Home Be Permitted for Reason of Poverty or Only for Reasons of Institutency or Immorality?"

It was the unanimous opinion of an array of notable charity workers that enlidren can best be moved from the family circle only when proper supervision at home has become impossible. was the consensus of opinion that where poverty exists in the home, state aid should be given.

the vital equation in dealing with all these institutions." The apeakers who made strong pleas for the preservation of family ties included M. J. Scanlar, president of the New York Catholle homs bureau; Earnest F. Bickneil, president of the conference of charities and cor-rections, 1999; James F. Jackson, superintendent of the associated charities, Cleveland, O., Judge Wil-ham H. DeLacey of Washington, D. C. Juvenile court and Dr. Edward T. Devine of New York, An emphatic affirmative was given to the question, "Should the State In-spect the Work of All Child-Caring Agencies, Including Bodi Instructions and Home-Finding Societies?" An affirmative answer was given to the question, "Should the Purpose of Diminishing or Removing Altoget-hor the Cause of Orphanage, or Child Destination and Child Delinqueney?" Among these who discussed this were Prof, Charlies K. Henderson, president of the National Children's Home scolety. state and should be given. President Roosevelt, previous to call-ing the gathering to order, received the delegates in the cast room. After out-lining the scope of the work before the conforence, the president called Homer Feiks, president of the state probation commission of New York, to the chair and spoke in part as follows: "There can be no more important under from the standpoint of the na-tion than that which you are to deal

abert from the standpoint of the na-or than that which you are to deal the because when you take care of a children you are taking care of the tion of temerrow, and it is incumbent on every one of us to do all in his wer to provide for the interests of see children whom cruel misfortune s handicapped at the very outset of eir lives. I carnestly hope that the embers of this conference will take a arressive stand, so as to establish a toward which the whole country a work. In other words, I carnestly work. In other words, I carnestly e each of you will consider not only interests of his own immediate loality, but the interests of the nation whole

keep Chamberlain's Cough Remedy at hand. Mr. M. Davenport, of Pauls Val-ley, Ind. Ter., writes: "I have used Chamberlain's Cough Remedy in my family for several years and have found it especially effective for croup and whooping cough." For sale by all drug-gists. carry, but the interests of the fashion in a whole. "There are, of course, several dif-ferent types of conditions which you are trying to meet. I believe we, all of us, have come to the conclusion that, where possible, the thing 40 be done for the child is to provide a home for it, and that where that is not pos-sible, we should make the conditions as nearly as possible like those which the child would have in a home. "There are half a dozen different types of children for whom we need to care. There is, first of all, the complete orphan, the child who has lost both tather and mother. For this child we wish to make permanent provisien. My own hellef is that the best kind of

own bellef is thist the best kind of permanent provision, if feasible, is to place the child in a home.

place the child in a home, "We then have to meet the case—one of the most distressing of cases—where the father has died, where the bread-winner has gone, where the mother would like to keep the children, but simply lacks the earning capacity. Surely in such a case the goal toward which we should strive is to help that nother so that she can keep her own home and keep the child in it; that is the best thing possible to be done for hat child.

Then we come to the case of the hild who must temporarily be taken tway from the parent or parents, but where it is not desirable that the mop-

Of Administrator Kuykendall. San Francisco, Jan 26.-An effort to ro-open legal proceedings against the Southern Paulite Kaliroad company in-volving approximately £0,000,000 was ren-dered fruities today by the dismissi-to the United States cfrouit court of the suit filed by John A. Kuykondall, administrator of the estate of Charles Darkes, to compel the railroad company to redeem £9,000,000 worth of Unitor Pa-cific construction bonds purchased by the dismission of the parties to the ground that fonce of the parties to it were residents of this district. Keykondall's action mamed the Central Pacific Company of New York and the Farmers' Trust company of New York and the ferendants. Previous action of a similar miture was brooking in Unah thority after Durkco's death to 1870 and undarment was rendered against Kuyken-hal. Recently he attempted to re-open the matter here. With accruing inter-est the total of the claim is \$50,000,000. WANT TO SIEE LIBERTY BELL. Resolutions were introduced by Mr. Fernatrom asking the council to in-forcede with the eily authorities of Philadelphia to premit the Liberty bell to be exhibited at the coming Rosa festival in Portland, Oregon, The reso-lutions were eloquently worded and made an impression on the council. Mr. Ferry, in an attempt at jocularity, made motion to "emboss." "engross," "engrave," etc., but quickly withdrow the motion. If Portland successeds in getting the bell, endeavors will be made to have it on exhibition in this eity for a short thee. dall. Recently he attempted to re-open the matter here. With accruing inter-est the total of the claim is \$50,000,000,
