is now rapidly nearing completion. The being operated as far as Powder river. It miles below the Huntington bridges and the grade is so far advanced as to warrant its completion to the Ox Pow railway numed. 24 miles further down, within 50 days, and the construc-tion force of the railway is confidently raiticipating the celebration of the Fourth of July with a locometrive whistic at the south end of the big-tunnel, a mile tims and of the bigocl, a mile this side of Copper

#### TWIN FALLS BRANCH.

TWIN PALLS BRANCH. The Gregon Shart Line will extend its road from Twin Falls 20 miles down the Shake river to within a short dis-times of the great Salmon River dam, lefore Sopt. 1 of this year. This report scenit to bear the stamp of authority. The negotiations were recently closed between the Kuhn brathers, who are building the dam, and the Oregon Short Line commany. The contract for then and rable has already been let and it is believed that work will begin by the first of Jone. The extension of the road to the dam is to be built not only to factling exting materials to the dam site, but with the idea in view of a further extension into Nevada. WILL MOYE BODIES.

WILL MOVE BODIES.

As members of the state Alasha-Yukon expection continuation. Got-Drady has appointed the following gen-tlemen: John F. Shelley at Sheller, Ringham county, bushness man and farmar' J. H. Forney of Moncow, La-tah county, atternay at has, and F. E. Fisk of Parsia, Canyon county, mer-chant and member of Republican state central committee. Mr. Shelley is abo-a Republican, while Mr. Persony is a Democrat. At a meetian of the com-mission a few days ago, Representativo McKinley of Twin Fails was named as fair countination. WHEL MOVE BODIES. The commonding officer of the Boiss Earraries, Col. Gresham, has given or-ders for the removal of the remaining 22 bodies in the old cornetery adjoining the fort. The graves still remaining thure, which with the bigh waters of each ageing are floaded and which are mark in the way, anyhow, contains the bodies of many of Boise's first efficiency ordered the removal of the bodies to the new constery, and in the following the new cometery, and in the following year 186 graves were opened and their occupants removed as directed.

# INDICTMENT DISMISSED.

(i) operations on their any blue is conce. Josoph S. Mulliner, Jr. who has just returned from a two and a half years' mission to Great Britian, occupied the time at the services last Sunday. El-der Carl A. Edwards, who has been laboring in the Southern States mission, the past two years, is home. Mrs. Johanna Lindholm has been called by death. A few months ago she was stricken with paralysis and has been very feeble ever since. The remains were taken to Tooche City, Utab. Ber old home, for buriat. Sha had the love and confidence of all who knew her and died in full faith of the gospel. Charles Mason, on idealoan by blob, has been by the state board of health appointed state chemist. He has been connected with a local pharmony com-pany for a miniber of sears. He will resume his new duries host as soon as the new quarters for this department are fitted out in the capitor building an-nex, which will be within a week or two. The end of the Barber Lumber company prosecution by the federal gov-ernment was practically attained a few days ago, and the long string of the ro-called "Rulck indictments" unwound, Atty, Gen. Wickerstein, in accordance with his views that the indictment tain signers to put in force in Bingham county the local option haw passed by the last legislature. There are only three towns in the county which have subons and an eventhelining months saloons, and an overwhelming majori-ty in favor of prohibition is fully as-sured. A petition containing 40 per cent of the votes cast at the last clec-tion is required before a vote can be taken on this matter, and a majority against Barber and Moon and almost a score of ather Idahoans were un-founded, wired from Washington the founded, wired from Washington the dismissal of the celebrated Kinkaid Indictment.
