

DESERET NEWS.

PROSPECTUS.

TRUTH AND LIBERTY.

We propose to publish a small weekly sheet, as large as our local circumstances will permit, to be called "*Deseret News*," designed originally to record the passing events of our State, and in connexion, refer to the arts and sciences, embracing general education, medicine, law, divinity, domestic and political economy, and every thing that may fall under our observation, which may tend to promote the best interest, welfare, pleasure and amusement of our fellow citizens.

We hold ourselves responsible to the highest Court of truth for our intentions, and the highest Court of equity for our execution. When we speak, we shall speak freely, without regard to men or party, and when, like other men, we err, let him who has his eyes open, correct us in meekness, and he shall receive a disciple's reward.

We shall ever take pleasure in communicating foreign news as we have opportunity; in receiving communications from our friends, at home and abroad; and solicit ornaments for the "*News*" from our poets and poetesses.

EMIGRANTS'

BLACKSMITH SHOP.

The *Feed* is becoming very short around the GREAT SALT LAKE CITY, and for the accommodation of *Emigrants*, who wish to recruit their horses and get them shod, I have established a *blacksmith shop*, at the crossing of NORTH COTTON WOOD CREEK, 16 miles north of the City, in the midst of an abundance of choice feed; and while teams are recruiting and re-

posing, *Emigrants* can work, near by, on a new road now making in the Kanyon, and receive an *honorable compensation*, for all their labor.

Said shop is in a farming neighborhood, abounding in butter, cheese, milk, garden vegetables, &c., &c. No endeavors will be wanting by the subscriber to accommodate his travelling friends, who may give him a call,—charges reasonable.

N. B. Blacksmithing in exchange for labor if wished.
