Special Correspondence.

Special Correspondence. Leigh, Fremont Co., Idaho, April 21.— Two-thirds of the Teton Valley is un-der snow yet from four to twenty inches, Haden is bare, it being the low-est place in the valley. The snow is going off very rapidly at present. Very few cattle have died on account of shortage of feed. Hay has been hauled from the lower valley. From 90 to 140 miles have to be traversed to bring in a load. There have been over 70 tons hauled in already and the end is not yet. We are not discouraged, We have good country and want more settlers that are not afraid of snow and long winters. The large influx of settlers last year is the reason feed is scarce; \$7 is the highest price hay has reached here. DEATH OF JAY C. ROUNDY.

low price of wool this year: To any person who doubts that a wool trust is in vogue and affects the market today, it might be well to state a few facts, which are absolutely undeniable. During thet fore part of last year the wool trust was in active work, but finding that about 150 concerns, which were not in the deal, were bid-

ding a higher price, even to 16 and 18 cents, and were getting the finally on the 22nd of last June, effected a thorough organization, and as a result everyone of the thirty-two wool buyers. ommission men and eastern freigh line representatives in Central Wyoming were notified, some by the 25th of the month by wire, and others later by mail, to leave Casper. Some were called directly east, and others to make estimates, etc., of the amount of wool to be shipped from Wyoming, Utah and Montana

If a Woman

wants to put out a fire she doesn't heap on oil and wood. She throws heap on oil and wood. She throws on water knowing that water quenches When a woman wan's to get well from diseases peculiar to her sex. she should not add fuel to the fire already burning her life away. She should not take worthless drugs and potions composed of harmful narcotics and opiates. They do not check the disease-they do not cure it-they simply add fuel to the fire. Bradfield's Female

at the roots of the disease and corres the cause. It does not drug the pain, it eradicates it It stops failing of the womb, leutornes, infammation and periodical suffering, irregular, scanty or painfu menstruation; and by doing menstruction; and by doing all this drives away the bundred and one aches and pains which drain health and beauty, happiness and good temper from many a woman's life. It is the one remedy above all others which every woman should know about and use.
