ROBBERS HOLD SALOON UP

Three Masked Men Rob the Warm Springs Bar Last Evening.

Held the bartender off at the Point of Guns and Made Off With Twenty-Eight Dollars.

The Warm Springs bar was robbed last night about 11 o'clock and \$28 was stolen from the cash register. The job was performed by three men said to be heavily armed and masked.

The story told by the bartender, John C. Kayes, is that he was on the porch when he heard someone enter the saloon. Supposing it to be customers he went in at once to serve them, but to his astonishment found himself facing a couple of disagreeable looking revolvers. The men ordered him to hold up his hands but he did not comply with the demand. Presently another man entered the front door with a gun in each hand. Says Kayes he then made a bolt for the door (although he is not a locksmith) and once outside began yelling lustily for help. The robbers were undaunted and did not leave until they had emptied the cash till. Says Kayes a gun and fired at the hold ups but did no damage. The police were informed of the affair and Patrol Officer Cameron and Sergeant Brown and Officers Roberts and Palmer proceeded to the scene at once. No clues were discovered and the robbers are yet at large.

ELDER JENSON WAS NOT KILLED.

Missed the Train that Would Have Carried Him to Inevitable Death—His Baggage Found in the Wreck—Starts Home Today.

Most welcome news reached the family of Elder Nephi C. Jenson of Forest Dale last night. As told in a dispatch published in last evening's "News," a man named Jenson had been killed in the great Georgia Southern railway wreck. From personal effects found near his body the conclusion was arrived at that he was Elder Jenson. But it now transpires that it was simply Elder Jenson's baggage that was in the wreck and that he had missed his train and was thus saved from a violent death. The story is briefly told in the following dispatch received last night from President Rich of the Southern States mission:

"Nephi Jenson safe. Missed wreck by one train. Baggage in wreck. Starts for home tomorrow, well and happy."

The above telegram of course immediately negated the disquieting suspicions that has been aroused by the receipt of the following Associated Press dispatch from Atlanta an hour or two earlier: "A dispatch from McDonough tonight says one of the unidentified bodies is believed to be that of N. C. Jenson of Sugar postoffice, Salt Lake county, Utah."

Altogether the developments are most pleasing to the family and friends of Elder Jenson, though they regret that the joy that has come to them probably means sorrow to others in that the body that was taken for that of the young man from Utah was doubtless that of some one who also had relatives

CASE OF YOUNG ABEMAJORS

Motion for Rehearing Has Not Been Filed in Supreme Court.

Twenty Days Expired Today—Prisoner Will Shortly be Remanded by Judge Hart.

The twenty days which counsel for young Abe Majors had to file a petition for rehearing in the Supreme court expired today. Now the remittitur will be sent to the first district court, instructing Judge Hart to carry out the death sentence passed upon the youthful prisoner over a year ago. It will then devolve upon the court to fix a day upon which the slayer of Captain Brown will be shot.

Numerous parties, actuated by sympathetic motives, are at work circulating a petition, for presentation to the State board of pardons, praying for a commutation of the death sentence to life imprisonment. It is not believed, however, that the petition will be of any avail, for the reason that the three members of the Supreme court, who passed upon the case, are also members of the board of pardons.

The San Francisco Examiner for June 24th, devotes considerable space to the case of mother, depicting the condemned man's mother as the "most miserable mother in California." The article tells of the story of Mrs. Major's life, which, if true, show it to have been a hard and trying one. The father of the boy was hanged for murder in California, and Mrs. Major's second husband, as at her death to be divided equally among Mrs. Ungricht's three children. The instrument names Christian Bengel and James Zalzer as executor, and the hearing has been set for July 7.

William F. Ungricht, son of Anna Ungricht, filed a petition at the same time, stating that he is eighteen years old, and wishes to dispose of his one-third interest in the estate of his grandmother, and to enable him to do so, he asks that Frederick Ungricht, his father, be appointed his guardian. July 7 was set for the hearing.

TO RECOVER ON A BOND.

Singer Machine Company Sues Agent and the Sureties.

The Singer Sewing Machine company has entered suit in the Third district court against William Kisebeth, Steve C. Cochran and J. W. Smith to recover the sum of \$500. The complaint alleges that the first named defendant was appointed agent for the plaintiff company to sell its sewing machines and collect the money therefor, and that the two defendants became Kisebeth's sureties for \$500. It is further alleged that the defendant collected \$500 belonging to the plaintiff, and applied it to his own use. The company prays for judgment against all the defendants for the amount of the bond, \$500.

TO RECOVER A DEED.

Fred J. Leonard is suing Lucius L. Woodruff et al for the specific performance of a certain contract. The complaint alleges that the plaintiff traded a piece of property in Mercur for another parcel of real estate in this city, situated at the southwest corner of Second South and Twelfth East streets. The deed to this property, plaintiff says, never materialized, and a decree of the court requiring the defendants to perform their part of the agreement and for \$1,000 damages is prayed for.

TEMPLE NOTICES.

Manti, Utah, June 11.—The Manti Temple will close Friday evening, 20th July, 1900, and re-open Tuesday morning, September 18th.

AN ARTICLE OF VALUE

For the Busy Housewife. It is economy for a lady to use this Calculating Pencil. Not a week passes during which she would not save money by avoiding mistakes. It is true the amounts lost through wrong change are not large. But they amount to a goodly sum during the year. They are much more frequent than you would think. Here is what happened to a lady in a department store. She bought seven yards of goods at 15 cents, and nine yards at 19 cents. The clerk charged her \$1.15 and \$1.71. The lady checked over her bill with her Calculating Pencil and found that seven yards at 15 cents is \$1.05 instead of \$1.15, thereby saving 10 cents. The clerk, who did not intend to cheat, bought a pencil so as to avoid the mistake. Any lady can buy this instructive educational device at the "News" office, or any of its agencies, for 2 cents.

A severe sprain will usually disable the injured person for three or four weeks. Many cases have occurred, however, in which a cure has been effected in less than one week by applying Chamberlain's Pain-Balm.

Howarth Gets a Delay. Hearing on Motion for New Trial Set for August 1.

Fifty-six Grounds Given in Support of the Motion—Juror King's Legal Reasoning. The motion for a new trial in the case of Nick Hamorth, convict of the murder of Thomas Sandall, resulted in a stay of proceedings until August 1st, at 9 a. m.

The defendant appeared in court at Farmington yesterday for sentence, when, Attorney A. J. Weber put in a motion for a new trial, as stated in last evening's "News." A stay was granted until August 1st, when arguments will be heard by Judge Rolapp.

The motion for a new trial is based upon affidavits, alleging errors during the trial; that one of the jurors, John L. King, is actually a resident of Salt Lake City; that on June 10th, the jury as a whole passed beyond the jurisdiction of the court by visiting Salt Lake county; that the county attorney improperly criticized the defense for not putting Howarth on the stand; that all of the evidence relating to the alleged confession was improper; that on June 10th, while the jurors were in Salt Lake City, notes passed between Juror King and his wife.

Altogether fifty-six grounds are given in support of the motion, most of them being purely formal. The State will put in counter affidavits when the motion for a new trial comes up.

POLITICAL POINTERS.

The Democrats have completed arrangements for their convention to nominate three candidates for district judges and it will be held on Saturday next. The leading candidates at the time are Judge Norrell, Judge J. T. Richards, Judge Burton, W. C. Hall, Judge Cherry and Judge Shields.

The primaries will be held this evening at 7:30. Tomorrow evening the Republican city committee and the Republican councilmen will confer with regard to the appointment of Democrats recommended by Chief Devine to positions on the fire department.

The Republican judicial convention will probably be held on July 15, although the date has not yet been positively fixed. The committee will meet early next week.

The executive committee of the Democratic State committee will meet at the office of the Hon. Charles M. Boyle tomorrow evening to arrange for entertaining the California delegates to the national convention on their arrival here next Saturday. The Californians will leave in at 3:05 and remain over until 8:05 in the evening. The executive committee will also take up the matter of a ratification meeting on July 6th, and will make arrangements for the observance of Democratic day on July 17.
