PRINTED AND PUBLISHED BY THE DESERET NEWS COMPANY. CHARLES W. PENROSE, EDITOR. Thursday . April 15, 1886 SETTLEMENT OF "MORMON"

TROUBLES.

"BRICK" POMEROY, in his lively and proof. And as a matter of fact he was not living with any one in defiant or vigorous paper, Pomeroy's Democrat, wilful violation of law. frequently takes a lunge at the fanatics

Kate tries to whitewash Murray's who foam out rage and fury against the attempted usarpation and violation of "Mormons." And he always has somehis oath of office, in giving the certifithing sensible to urge either in opposition to injustice or in favor of ration- | cate of election to a person who was al treatment of a people and a question not elected, and says that George Q. which everybody talks about but so Cannon was an alien. Unfortunately few understand. In a recent issue of for her veracity, Mr. Cannon's citizenthat interesting journal, the editor ship was conceded by the House comrecommends the removal of the mittee which investigated the matter, "Mormon" question from legisla- and Murray was just as much of a tion and the courts and its violator of the law and of his oath of reference to arbitration. He proposes office whether Mr. Cannon was an alien a committee of three, one named by or a citizen.

All this is awfully stale, and the the President of the United States, one by the "Mormons" and the third, a grounds she presents in Harper's competent jurist, to be chosen by the Weekly, as though they were new to other two. We do not expect, in the the country, have been gone over so present condition of the public mind many times, that they are to be numand the official disposition, that any such bered among the old and weatherproject will meet with extensive favor. beaten paths of ancient history But there may come a time when arbi- Whether in lecture or acreed, in writtration may be extended to something ten or spoken distribes against the besides labor disputes and the conflict "Mormons," Kate simply repeats a between corporations and their om- lot of stories that were told to her ployes. At any rate, Pomeroy's pro-Twhile in Utah, and that have become posal is made in good faith and with a so superannuated that the term "chestdesire for justice and equity. He offers nut? does not begin to describe their the following reasons for his proposi- antroughty. They are monify with age and ready to fall to pieces with in-

Under our Constitution, we believe the Mormon Church or form of relig-ion, to be as sacred as any other, and that punishment for a plural marriage herent weakness. But the ancient though frisky damsel manages to make a little money by them, and she is welcome to all the good she can get out of relationship entered into before the enactment of a law forbidding it, is Th their repetition. All the same, howand of itself, a far greater offense than would be the disregard of law by in-dividuals, as the law cannot with imever, she must despise herself as much as she does her dupes, when she repunity turn to attack, rend and weaken flects upon the falsehoods she is helpitself. The right to life, to liberty, to freedom of bellef, to happiness, are among the most sacred guaranties of the Constitution. The questions of marriage and divorcement are settled ing to circulate through the country. not by national or general, but by local laws, and it is a part of the declara-RHODE ISLAND has moved to the front tions of the Constitution, that the laws of one State or locality must be reas a prohibition State. . An amend-

spected in all other States and locali-ties within the United States. ment to its Constitution was adopted by a popular vote on the first Wednes-The assertion that the government day of the present month, forbidding

of this country is in danger at the hands of Mormons is as false and, absurd as would be one that it was in danger from Methodists, Baptists, or others, who enjoy their rights under the Con-The idea that any one has a right to interfere against the harmo-nious family and religious relations of outside of party lines, and a victory others, is of itself an insult to human Tights and manly intelligence. We would like to see all forms of re-

ligion and all known forms and conditions of marriage, and consequent conditions and results tried in this the result is a great surprise to the country, side by side, believing that the people would adopt, as they should liquor dealers and their supporters.

was not concocted till March, 1874, and yet the lively Kate tries to make out Published Daily, Sundays Excepted, ? that Razin disappeared as the collisequence of refusing to do as he was told in 1855. She ought to be a little more particular in examining dates before dishing up such an old and exploded story as Razin's.

To supplement that falsehood she presents, in a deceptive manner, the reply of Delegate Cannon, when Geo. R. Maxwell accused him, in a contest for the Delegateship, of "living with four wives in defiant and wilful violation of the laws of the United States." His answer was simply a legal response, similar to a plea of not guilty,

EDMUNDS LOSING HIS LEAD-ERSHIP.

the warrants for the election, and THERE seems to be a widespread feelfinally read by the town, ward ing of dissatisfaction over the general course of Senator Edmunds. His and district clerks to the electors on anti-"Mormon" mania is, of course. not noted in the animadversions that are so often passed upon his senatorial actions. But there are so many things about the dictatorial sage from the fifths of the votes were to be in favor Green Mountains that jar upon his of the amendment in order to make it a associates, and 'also upon the public mind, that his popularity is rapidly on the decline. He will, sometime, certainly meet the fate of all the prominent ultra opponents of the work of God which people commonly call "Mormonism." They never prosper for long. They may icating liquors to be used as a beverfourish for awhite like the "green bay age shall be prohibited. The general tree," but in a little while, behold "they are not" and their works perish rying this article into effect." with them. From a number of disparaging articles we have lately seen this measure was the lax execution of in the public prints, we select the tolthe liquor law throughout the lowing from the Omaha Herald which, State. It was notorious that inunder the above heading, tersely puts toxicants were sold in many inthe tobjections more diffusively exstances without any license. The

pressed in other papers: courts were lax in the inforcement of "It has leaked out that in executive penalties for infraction of the license session the partisan resolutions adopted as the outcome of Senator Edsystem. The police winked at the illegal business. While the revenue munds' warefare upon the president, collectors looked after the government are totally disregarded. Instead of rejecting, the inominations of every tax, the local officers failed in their man named in the place of a suspended duties. Liquor was sold on Sundays republican the democratic nomineer and after midnight in deflance of the are being confirmed right along. In fact the republican senators on the law, and the whole license business quiet are displacing Edmunds from his self-assumed leadership. Nor is the was recognized as a sham. When arrests were made the parties were alovertarow of the Vermonter an unde-served or regrettable occurrence. He lowed to go free on payment of costs, has proven himself to be pretty small potatoes as a leader. As a republican he has been selfish, domineering and and when bonds were given and forfeited no effort was made to collect the amounts or pursue the evaders of unworthy. As a senator he has done lipservice to good government and tried the law. This aroused the friends to drag it down when he thought the might rise individually thereby. As of order without regard to party, and the result is-prohibition. the hero of the self-styled retormers or independents, his action and atti-tude have been laughably incongruous. The question for Rhode Island now will be, shall prohibition be enforced He has been insincere, sophistical and indecently partisan. His talents have any better than the license regulations? Laws must be enacted by the been only a veneer to his personal interests, and there has been just enough General Assembly to give effect to the virtue in him to barb his personal anticonstitutional provision. Intoxicants pathies. He has been honest enough to keep out of jail, but the honesty are not to be made or sold, to be used which protects principle from policy he does not possess. There will be no tears in republican eyes over his huas a beverage. This will not prevent their manufacture and sale for other purposes. Unless the legislators who miliation

ANTIQUATED AND EXPLODED

STORIES. KATE FIELD is quite rampageous over the removal of her admired and admiring friend, Eli H. Murray, from the Governorship of Utah. In a contribution to Harper's Weekly of April 10th, she fairly boils over in a frothy attack on the Presidency of the "Mormon"

Church. The femate Bohemian proba-Ition in the United States has been bly attributes the downfall of her very much of a failure. The law is crony to the influence of those gentleevaded, the objectionable traffic goes men, and so they are made the special on under various pretexts and subterobjects of the venom of her tongue. The article, like her anti-"Mormon" fuges, and the States where license

ittle aid fighting such a plague, for not needed, and it has been sufficient to only were many of the mice so large meet all demands, so far, without that it would have been an unequal upon the reserve fund calling contest, but by their great number they time and deliberation to bring it about. of the order, or ordering an assess-ment, but Powderly's direction for a drove the cats actually from the The amendment was proposed a year houses, not to return until the plague call for contributions met with the apwas past. Nothing except what was proval of the board, because it will prove to the public that the strike has meetings, when it was adopted by the composed of iron, stone or glass was spared from their destructiveness; majority of the voters present.
