Missionary Report. - President States mission, now in this city, favors us with some items of interest from a letter to him written by Elder J. H. Parry, formerly a respected employee of this office. The letter is written from Brasstown, Oberokee County, North Caroline, where the writer and Elder Lloyd, the latter having only recently arrived, were laboring, with good prospects of adding members to the Church. Elders Hulse, (he also had lately reached there,) Higham and Edlessen were at present engaged in preaching near the Georgia line with encouraging results. Though the arrival of Elders Hulse and The Attorney-General said that he been treateearn that he had Lloyd is a great help to the missionaries in the south, for which ticularly desired by those who are Horne and counselors presiding. says there is still room for more, as for the expenses of publication of ous branches in the county, showopenings are continually being Professor Orson Pratt's work, the ing these societies to be in a progmade and invitations being re- "Key to the Universe," that sub- perous and healthful condition. ceived for the elders to come and scriptions be forwarded at once so | Sisters M. > Funeral Services. - The funeral services over the remains of Brother James Smithers, lately deceased, were held to-day in the school house of Farmer's Ward. A spirited and instructive discourse was delivered by Apostle Jos. F. Smith. Remarks were made also by Elders A. M. Cannon and D. O. Calder, of the presidency of the Stake, Bishops Sheets and Mousley, and Elders Lorenzo Young and William all of whom Cahoon, spoke highly of the integrity and worth of the deceased. Bro. Smithers was an active member in the Nauvoo brass band, and later acted as leader of the tabernacle choir. He was about seventy-two years old, and was universally respected. His remains were brought to the city and interred in the cemetery.

> "Enquirer" Items.—A gentleman he says there is no water at all, and cattle throughout the section are dying off by hundreds from want of water. The grass has not rain or snow to speak of for over a year.
