**Weber County Court.**

The county commissioners met yesterday in their regular session. All were present. On recommendation of the County Attorney, Walter the former license schedule was repealed and this resolution, which pretty well covers the subject.

Resolved, That on and after the 15th day of August, 1893, the price of license required by section 203, page 231, vol. 1 of the Compiled Laws of Utah, be as follows:

Motor vehicles, passenger, per year.	\$10.00
Bicycles.	1.00
Pawn Broker.	1.00
Stationary Engineers.	1.00
Theatrical Persons.	1.00
Circus Managers.	1.00
Peddlers.	1.00

The much laid over question of fixing the compensation of Collector of Taxes will be brought up again at the next session.

The monthly report of the superintendent of the poor farm was read and ordered filed.

A remonstrance against granting the petition of George H. Branson, and others, for the establishment of a town organization for Plain City, was signed by J. L. Stoen and seventy-four others. The matter was referred to Bishop and Wangen.

Sheriff Balch's claim for \$172.00 was again referred back for further particulars.

Several petitions were read and referred to appropriate committees. A number of bills were ordered paid and countenanced for one week.

**Brown Will Rejected.**

The petition of the executors, John B. Spargo and John S. Cottrell, for the late John Brown, was denied by the Probate Court. The decision sets aside the will on the grounds of not being legally executed. An appeal will be taken by the executors of the estate to the Supreme Court.

Mrs. Brown, the widow, filed a petition for the appointment of several administrators or, setting forth that the interest of the estate requires it, and asked that she be appointed both as special and general administrator of the estate.

The position was granted and letters of administration will be issued when a bond of \$12,000 is filed.

**Cough and Horse Thief.**

Sheriff Hawley of Millard county was in town yesterday. He had a change of heart name Miles, who had stolen some horses from the Church farm at Deseret during the latter part of July. Miles was captured near Eureka, Nevada, and the horses recovered. The recovery papers were necessary as the other, geographically speaking, got up to the mouth and came without any delay. The journey was continued last night.

**Police Items.**

The police court machinery was in motion a short time yesterday.

The two Dago vagrants, Solito and Roca, will receive the streets by the labor (and prison) for ten days each.

Richard Allen left for his appearance yesterday on the charge of a plain drunk, but money was not offered him and the city just did not much notice. D. D. Wright was last night arrested and for the same offence got five days on the streets.

Jefferson Kirby was found last night trying to get into the jailhouse a window he had broken. Kirby is a white boy and he is very tall.

Officers Harvey and Madsen found a "nest" of the Indian gent in the woods, last night, near the electric light plant they got four out of the seven. They had been working here last night and a sack of roofing wire from a neighbouring cornfield.

D. A. Brown—a man—was arrested by Officer W. A. Brown about 8 last evening on the charge of disturbing the peace of the Howard, another unusual place.

Judge H. W. Smith and wife returned to Ogden from the East on the 12th train this morning. While gone they visited the large old homes in Kentucky and Tennessee, and the way they travel is quite interesting.
