EVENING NEWS.

Tuesday, - February 1, 1876.

Local and Other Matters.

THERMOMETER 40 degrees F. in the shade at 1 p. m. to-day Cloudy.

Re-opened.—The office of the Deseret Telegraph Company at Hampton's Station, on the Utah Northern Railroad, has been re-opened.

Blockaded.—Both the Central Pacific and Union Pacific trains were reported to-day, by telegraph, as stuck fast in the snow, with a probability ahead of being able to extricate in time to reach Ogden to-night.

Michievous Boys.—Three boys were arrested last evening for throwing rocks at and damaging the gasometer and other property of the Salt Lake City Gas Company, near the railroad depot. Justice Pyper was to deal with them to-day.

Lecture.—On Thursday evening, commencing at 7 o'clock, Dr. J. M. Benedict will deliver a lecture at the Tenth Ward new school house, under the Improvement Association of that Ward, on "Digestion and Absorption." The lecture will be illustrated with charts, and the various stages of the process of digestion will be shown; also the effects of various kinds of food and drink and their absorption in the human system. Admission free.

Phrenological Lectures.—It will be seen, by published advertisement in another column, that Prof. O. Cedarstrom, the well known phrenologist, who has visited various parts of the Territory heretofore, as a lecturer, will deliver a lecture at the 14th Ward Assembly Rooms to-morrow evening, and another at the same place on Friday evening, in which he will explain his views regarding the subject of correctly reading character. He is an attractive lecturer, generally spicing his subject with a vein of sly humor, a necessary ingredient to maintain the good nature of the audience.

A Row.—Yesterday a couple of young men, hailing from Rhodes' Valley, were invited to the house of an acquaintance, at Butcherville. At the same house there was a party last night, and the presence of too much whiskey caused a row and general fight, in the process of which one of the persons participating got to feeling after the bumps of one of the Rhodes' Valley men with a stick of wood, making a very marked impression on the scalp, the skull, however, proving too thick to be injured by such manipulation. Some of the parties who took part in this disgraceful performance were arrested, and were to have a hearing before Justice Pyper this afternoon.

The Snow Blockade East and West.

OGDEN, Utah, Jan. 31, 5 p.m.

The Union Pacific train due here this evening is said to be stuck at Carter station. No trains east or west to-day.

GREEN RIVER, Wyo.,
Jan. 31, 6:20 p.m.

The passenger train and pay car that left here, going west, this morning, both stuck at Bridger station. The passenger train bound east has been abandoned for to-day.

WELLS, Nev., 31st, 3:30 p.m.

The west bound overland train, due in San Francisco Tuesday evening, tackled the snow blockade to-day with twelve engines and snow plow, and stuck in the first cut west of Toano. The train was then hauled back to Toano, and will lie there until the wind moderates. It is blowing a gale and snow drifting badly on the Peoquot range, where the railroad crosses.

The tea that arrived by the last Pacific steamer is lying here awaiting favorable weather to proceed.

A Youthful Thief.—A small boy named Brunker, who has been frequently before the Police Justice on various charges of petty theft, was again arrested last night for robbing the Legislative P. O. box. Of late it had become evident that the mail had been abstracted from the box aforesaid, letters taken from it having recently been picked up from the street. Last evening the messenger of the House of Representatives of the Legislature went to the Post Office and watched for the thief, when he found young Brunker with the box open and in the very act of plundering the mail. The little rascal confessed that himself and another boy, a close companion and confederate, named Wilson, had carried on these thieving operations for some time, taking various sums of money, varying from $25 down, from letters. The boy had upon him, when captured, a number of keys with which he has been able to open the box alluded to and probably others.

The trial of the case was set for 2 o'clock this afternoon, before Justice Pyper.

Deseret Sunday School Union Concert and Entertainment.—It is designed to give at the earliest practicable date, a Sunday School Union concert and evening entertainment, at the Theatre, Salt Lake City, consisting of songs, comic and sentimental, duets, quartettes, songs with choruses, recitations, dialogues, &c., most of them to be performed by those immediately connected with Sabbath Schools. It is therefore very desirable that the superintendents, teachers and members of choirs, from every Ward or school in the city, should be present at our usual monthly meeting, on Monday next, in the Fireman's Hall, at 7 o'clock p.m. punctually, to take immediate steps in gathering up the talent of our children and training them for that interesting occasion. Should it be deemed wisdom we will intersperse with an occasional song by our most talented vocalists, or any thing else by way of increasing the attraction, and adding interest to the occasion. The fact of the object in view being to expressly benefit the juvenile portion of the community of Latter-day Saints will, we have no doubt, be inducement sufficient to call forth all the gratuitous embellishments to make it the most interesting entertainment of the season.

Trusting that parents and children, and all who are interested in the welfare of the rising generation will do all in their power to make this effort a grand success.

GEORGE GODDARD,
Ass't Supt. Sunday School Union.

Out on Bail.—Ex-deputy U. S Marshal "Pony" Duncan is back to the City, having, we understand, been admitted to bail, on a charge of mule stealing in Wyoming Territory. Duncan is the person who was nominated and commissioned Territorial Marshal by ex-Governor Geo. L. Woods, over the joint vote of both branches of the Legislature, whose choice was Marshal McAllister. Duncan's name is prominently mixed up with alleged financial shortcomings in his manipulations as deputy in the Beaver district, while he was acting under ex-U. S. Marshal Patrick.

Mortuary.—Sexton's report for January—

Males 28, females 19; of these adults 19, children 28. Causes of death as reported—Scarlet fever 17, old age 2, convulsions 3, cholic 1, chicken pox 1, lung fever 1, injured spine 1, pneumonia 2, diphtheria 2, suicide 1, killed by snow-slide 1, childbed 1, typhoid fever 2; teething 1, general debility 1, dropsy 1, consumption 2, internal injuries 2, apoplexy 1, inflammation of bowels 1, not reported 4; total interments 47.

JOS. E. TAYLOR,
Sexton.

Interesting Lecture.—Elder Joseph F. Smith will lecture at the 13th Ward Assembly Rooms to-night, on "Scenes from the Early History of the Church."

THE LEGISLATIVE ASSEMBLY.

COUNCIL.

Council convened yesterday, Jan. 31st, at 2 p. m.

The Council resumed the second reading of (C. F. No. 1.) "The Penal Code of Utah," and made some amendments thereto.

At the close of the reading of Title 10, the Council adjourned.

HOUSE.

The House met yesterday at 2 p. m.

Mr. Pack presented a petition from Willet S. Harder and 72 others of Summit County, praying for a change of County lines; referred to Committee on Counties.

Mr. Roundy presented a petition from H. W. Miller and 44 others of Washington and Kane Counties, praying for an appropriation of $1,000 to be expended in repairing and improving the road between the "Black Ridge" and St. George, and completing the graveling of land at the Grape Vine Springs; referred to Committee on Roads, Bridges, Ferries and Canyons.

(H. F. No. 14.) "A Bill relating to the Estates of Deceased Persons" was called for, amended and read a second time by sections, and pending the reading of the 74th section, the House adjourned.

MEMORIALIZING CONGRESS.

The following is being circulated for the signatures of the misnamed "Liberal" element of Utah—

To the Honorable Senate and House of Representatives in Congress assembled:

We, male citizens of the United States, and residents of the Territory of Utah, petition your honorable body, to grant us legislation in order to remedy the grievances we are laboring under in this Territory. Although this Territory is part of the United States and under the governmental jurisdiction of the same, and that the rights of all citizens are guaranteed by the Constitution, without regard to sect or creed, we desire to draw your most serious attention to the fact, that there is existing in this Territory a most anomalous condition of affairs, induced by the existence of a dominant sect, ruled by a Theocracy, whereby the rights of a large minority of citizens are utterly ignored, and the privileges, guaranteed by the Organic Act of this Territory completely nullified. The means whereby this is effected, may be briefly stated as follows:

1st. The nomination of candidates for city, county and territorial officers and legislators, by ecclesiastical authority, these candidates being most commonly bishops of the Church of Latter-day Saints holding authority in the place they represent.

2nd. That a system of voting has prevailed wherein non-naturalized persons, persons under age, persons deceased and persons not yet born, have been recorded as legal voters.

3rd. That a system of marked ballots has been adopted, whereby anyone voting in opposition to the Church candidate can be detected, and social ostracism or personal violence be the penalty of his audacity.

4th. In addition to this, females have been allowed to vote, who were non-taxpayers and under age.

These causes have operated, together and separately, most injuriously, in depriving the people of a true representation of their interests in the local legislature, and as it is utterly useless to appeal to the said legislature for redress, we appeal to your honorable body, to grant us such relief in the premises, either by amending the Organic Act, or by special legislation suitable for the case to accomplish the following objects:

1st. A registration law, in which all persons who are legal voters, shall be recorded and known when they vote at the polls.

2d. A secret ballot, whereby the person voting, can do so, without being injured by so doing.

3d. That the Governor appoint a United States Commissioner, or some other persons not connected with the dominant party in the counties and in the mining camps to act as judges of election and to assist to count the votes cast. These necessary provisions seem to ever petitioners absolutely required at the present time, seeing that there are a large number of persons within the pale of the dominant church who would vote independently if they could do so without fear of persecution or social ostracism. Moreover, these necessary measures are the more imperative, seeing, at no distant date, the Territory of Utah will be admitted as a State into the Union, which will bring about a condition of affairs here under which no citizen can live who is not a member of the dominant Church unless he submits to be a slave, and abrogates his rights to the privileges guaranteed in the Constitution, viz., of life, liberty, and the pursuit of happiness. Hoping that by timely legislation these evils may be averted from us, and that the legislators of this great nation may be awakened to the importance of granting us relief in the premises, we, the undersigned, will more fully appreciate the wisdom and beneficence of the government under which we live, and for which we will as in duty bound ever pray.
