## NOTICE

**ALL** persons owing tax on city wall in 12 ward will please to call and pay the same to Daniel Hendrix, the builder, or their lots will be sold to pay the same. LEONARD W. HARDY, Bishop.

## TAKE NOTICE.

**I** AM compelled from necessity to remind over one hundred persons in this city, that the time has come for them to settle their accounts. I hope they will be ready to carry out the same feeling to me that I have done for them, by coming forward to help me now I am in need. W. KENT.

## Prepare for the Fair.

**TO** render yourselves eligible to the benefits of Premiums and Diplomas to be awarded by the Deseret Agricultural and Manufacturing Society, certificates of membership will be requisite; and to give the people every facility for procuring certificates, I will receive therefor, every description of produce, city, county, territorial and store orders, &c. J. C. LITTLE, Treasurer.

## Pay your city tax and save cost.

**ALL** persons interested are especially notified that I am ready to receive City taxes at my office, which must be paid on or before the 1st day of September, or they will be collected with cost. City, County, Territorial orders, flour and grain, will be taken for taxes. J. C. LITTLE, City Collector.

Office—At residence in 13th ward.

N. B. I have been lenient heretofore with the collection in consequence of the hard times, but will positively collect all indebtedness this fall. The tax notices are forwarded to the bishops of the several wards, which they are requested to distribute.

## Great Salt Lake City Cemetery.

**THE** citizens of Great Salt Lake City are respectfully notified, that I am appointed by the City Council, City Sexton, and that I am now ready to dispose of lots in the burying grounds. There are choice lots in the new survey that are not taken up; and as the Corporation design to put up a substantial fence around the grounds, citizens would do well to make early selections, and thereby assist in beautifying "THE CITY OF THE DEAD." A map of the grounds may be seen at my office.

Persons wishing to bury upon their own lots in the cemetery, are required by law to report the same to me previous to burial, stating the cause of death, place and time of birth, and medical attendant, (if any).

Price of lots, including recording, deed, &c., will be from \$5 to \$12

He also tenders thanks for the liberal patronage heretofore received, and would inform the public that he has on hand for sale a large and splendid assortment of

## NOTICE.

**THE** Welsh kanyon which belongs to A. Coon, is superintended by John Coon. The toll and regulation of said kanyon is 25 cents per cord; no credit. ## Valuable Property to Rent.

**THE** Tannery, Shoe Shop, Meat Market, Dwelling house, and other buildings on my corner, several other lots and dwellings in 7th and 8th wards; also meadow and pasture lots. Possession given immediately. 26-3 SAMUEL MULLINER.

## SECOND CALL.

**I** DESIRE those indebted to me to call and settle previous to Conference, Oct. 6. I will take wheat, flour, oats, corn or cattle, at market price. One word more—brethren, I am in debt, and without you pay me I must sacrifice my property. Again, those who will not and do not (no man excepted) give heed to this call will be complained of before the proper authorities on my return. My family will receive dues while I am absent. 26-3 S. M. BLAIR.

## LIVINGSTON, KINKEAD &amp; CO.,

**WOULD** respectfully notify their friends and the citizens in general throughout the Territory, who are in want of Staple and Fancy Dry Goods, Groceries, Nails, Glass, Oils, Paints, &c., &c., that their train of 36 heavily loaded wagons is at hand, and bringing all of the above, with many other desirable articles of merchandise suitable to the wants of the people, and which have been selected more expressly to meet the demands of the market, than with any reference to cost or profit. 24-3m

## NOTICE TO FARMERS.

**THRASH** your grain as soon as it is harvested. Past experience has proven to all, that wheat that is put up in a stack to stand until winter has been mostly destroyed by cattle and mice. Having selected and brought through a machine that is well adapted to the grain raised here, and having had long experience in the business, I hope to merit a liberal share of public patronage. Brethren in the adjoining valleys can see me at my residence on Big Cottonwood, or in the 12th ward in G. S. L. City. As there has been much waste of grain by improper feeding of animals, I will be responsible for all unnecessary waste. 13-19 MILO ANDRUS.

## WILLIAM PAUL &amp; SONS, ARCHITECTS AND BUILDERS,

**A** little north-west of Mr. John Sharp's, on the bench. All kinds of buildings, in the city or settlements, furniture and job work promptly attended to on reasonable terms. All descriptions of building materials of good quality, also valley produce taken in payment, cash not excepted.

N. B. W. P. sen., flatters himself able to give satisfaction to those who may employ him to draw plans and specifications of buildings, fitting up stores, making out bills of lumber, measuring and valuing buildings, and giving all necessary information in the above branches, etc. 25-6

## Home Manufacturing and EXCHANGE DEPOT

W. EDDINGTON,

In order to further the interests and object of the Deseret Agricultural and Manufacturing Society, with its numerous Auxiliaries, and obviate the difficulty and inconvenience of persons having to traverse a large portion of the city, before a purchase of several items can be made, designs opening the store next to, and south of Hooper & Williams' establishment, on East Temple street, where all kinds of

## PRODUCE, AND HOME MANUFACTURED GOODS

will be received for sale and exchange. The present scarcity of cash, together with the late counsel of the Presidency, and other circumstances, make obvious, to both the manufacturer and consumer, the necessity of contributing to the above object. A hint to the wise will be sufficient, and further comment unnecessary. Bring along your produce and goods of every description, and practically effect what we have recently talked so much about. 25-3m

He also takes this opportunity of reminding those who are indebted to him, for past services,—that finding it necessary to eat, like other men, in order to sustain life—the payment of that which is due is indispensable, not only for present subsistence, but also to forward the extensive operation now in progress, and contemplated by the firm of W. C. Staines & Co.,—works in which all are, more or less, immediately interested.

Having neither time nor inclination to collect debts, and desiring forthwith to close up all business pertaining to medical practice; those who do not now come forward (whilst means are abundant) will find their names handed over to their bishops, to be dealt with according to the law of Zion.

## LEATHER! LEATHER!!

**WE** take this method of informing the Citizens of this place and surrounding country, that the 15th ward Tannery is now in operation, and design keeping on hand a large and well assorted stock of leather of every description, which shall not only surpass anything heretofore manufactured in the Territory, but shall equal, if not surpass anything brought into this market for sale.

The mechanical branch of this business will be carried on under the direction of A. L. Tounsig, who, having been engaged for years in the manufacturing of leather in Austria, Russia, France, England and the United States, has thoroughly satisfied himself by trial, that the very best article of leather can be furnished from the material with which this country abounds.

Call at Townsend's building, East Temple st., 2 doors above Kimball's store, and satisfy yourselves by a thorough examination of the article.

Hides of every description purchased. We the undersigned workmen of leather, take pleasure in recommending to the public, the article furnished by the 15th ward tannery of this city, and pronounce it equal if not superior to any leather, domestic or imported, ever offered for sale in this market.
