## THE KENYON

Salt Lake City's New Hotel, Large, superb and incomparable.

### Spring Ailments.

There is an aching and tired feeling the liver, bowels, and kidneys become the inver, bowers, and address becomes sluggish and inactive, the digestion im-paired, with little or no appetite, no ambition for anything, and a feeling that the whole body and mind needs toning up. The trouble is, that during winter there has been an accumulation of waste matter in the system. Herbin will remove it, secure to the secretion a right exit, and by its toffic effect, fully restore the wasted fissues and give strength in place of weakness. for at Z. C. M. I. Drug Department.
